Background: Washington State Board of Massage. The regulation of massage practitioners is overseen by the Washington State Board of Massage (Board). The Board is authorized to adopt administrative rules pertaining to the regulation of the massage profession and is granted specified powers with respect to the following:

- evaluation and approval of massage schools and training programs;
- administration of licensing examinations; and
- establishment of the rules, standards, and procedures regarding the training of practitioners.

Massage Practitioners. Massage practitioners are individuals licensed to practice massage therapy in Washington. Animal massage practitioners are individuals licensed to practice massage therapy in Washington with additional training in animal therapy.

Massage Therapy. Generally, massage therapy is a healthcare service involving the external manipulation or pressure of soft tissue for therapeutic purposes. Massage therapy includes techniques such as tapping, compressions, friction, reflexology, Swedish gymnastics or
