7 debt settlement services act.

8 NEW SECTION. **Sec. 2.** The definitions in this section apply  
9 throughout this chapter unless the context clearly requires  
10 otherwise.

11 (1) "Affiliate" means:

12 (a) A person that controls, is controlled by, or is under common  
13 control with the provider;

13 settlement services are not the primary business purpose of the

35 subdivision, agency or instrumentality.

3 provide debt settlement services for compensation.

4 (13) "Record" means information that is inscribed on a tangible  
5 medium or that is stored in an electronic or other medium and is  
6 retrievable in perceivable form.

7 NEW SECTION. **Sec. 3.** This chapter does not apply to the  
8 following persons or their employees when the person or the employee  
9 is engaged in the regular course of the person's business or  
10 profession:

11 (1) A judicial officer, a person acting under an order of a court  
12 or an administrative agency, or an assignee for the benefit of  
13 creditors;

14 (2) A financial institution; or

15 (3) A title insurer, escrow company, or other person that  
16 provides bill-paying services if the provision of debt settlement  
17 services is incidental to the bill-paying services.

18 NEW SECTION. **Sec. 4.** (1) On or after the effective date of this  
19 section, a provider may not provide debt settlement services to an  
20 individual who it reasonably should know resides in this state at the  
21 time it agrees to provide the services, unless the provider is  
22 registered under this chapter.

23 (2) The department shall maintain and publicize a list of the  
24 names of all registered providers.

25 NEW SECTION. **Sec. 5.** (1) An application for registration as a  
26 provider must be in a form prescribed by the department.

27 (2) An application for registration as a provider must be  
28 accompanied by:

29 (a) The fee established by the department;

30 (b) Evidence of minimum insurance in an amount specified by the  
31 department;

32 (c) In lieu of the aggregate umbrella insurance required by (b)  
33 of this subsection, a surety bond filed with the department, in a  
34 form approved by the department, for a term no less than the  
35 expiration of the term of registration and in the amount of not less  
36 than ten thousand dollars or other larger amount that the department  
37 determines is warranted by the financial condition and business

1 experience of the provider, the history of the provider in performing  
2 debt settlement services, the risk to individuals, and any other  
3 factor the department considers appropriate, but in no event greater  
4 than fifty thousand dollars. The surety bond runs to the state for  
5 the benefit of this state and of individuals who reside in this state  
6 when they agree to receive debt settlement services from the  
7 provider, as their interests may appear, payment of which is  
8 conditioned upon noncompliance of the provider or its agent with this  
9 chapter; and

10 (d) Proof that the provider is authorized by the laws of this  
11 state to conduct business in this state.

12 NEW SECTION. **Sec. 6.** (1) An application for registration must  
13 be signed by the applicant and declare as true any material matter  
14 pursuant to the application for registration. The application form  
15 must contain a statement informing the applicant that a false or  
16 dishonest answer to a question may be grounds for denial or  
17 subsequent suspension or revocation of the applicant's registration.

18 (2) An application must include the following:

19 (a) The applicant's name, principal business address and  
20 telephone number, all other business addresses in this state,  
21 electronic mail addresses, and internet web site addresses;

22 (b) All names under which the applicant conducts business in this  
23 state;

24 (c) The address of each location in this state at which the  
25 applicant will provide debt settlement services or a statement that  
26 the applicant will have no such location;

27 (d) A copy of each form of agreement that the applicant will use  
28 with individuals who reside in this state;

29 (e) The schedule of fees and charges that the applicant will use  
30 with individuals who reside in this state; and

31 (f) Such other information that the department may reasonably  
32 require.

33 NEW SECTION. **Sec. 7.** An applicant or provider shall notify the  
34 department no later than sixty days after a material change in the  
35 information provided in an application for registration.

1        NEW SECTION.    **Sec. 8.**    The department shall make available to the  
2 public the information in an application for registration and renewal  
3 of registration as a provider.

4        NEW SECTION.    **Sec. 9.**    (1) Except as otherwise provided in  
5 subsection (2) of this section, the department shall issue a  
6 certificate of registration as a provider to a person that complies  
7 with sections 5 and 6 of this act.

8            (2) The department may deny registration if:

9            (a) The application contains information that is materially  
10 erroneous or incomplete;

11           (b) An officer, director, or owner of the applicant has suffered  
12 a civil judgment or been convicted of a crime involving dishonesty or  
13 the violation of federal or state securities laws; or

14           (c) The application is not accompanied by the fee established by  
15 the department.

16        NEW SECTION.    **Sec. 10.**    (1) The department shall approve or deny  
17 an initial registration as a provider no later than sixty days after  
18 an application is filed. The department may extend the sixty-day  
19 period for not more than forty-five days. No later than seven days  
20 after denying an application, the department, in a record, shall  
21 inform the applicant of the reasons for the denial.

22           (2) If the department denies an application for registration as a  
23 provider or does not act on an application within the time prescribed  
24 in subsection (1) of this section, the applicant may appeal and  
25 request a hearing under chapter 34.05 RCW.

26           (3) Subject to section 11(4) of this act, a registration as a  
27 provider is valid for one year.

28           (4) Upon submission of an application for registration and until  
29 such time as an application, or any appeal filed pursuant to  
30 subsection (2) of this section, is approved or denied, the applicant  
31 may continue to provide debt settlement services, but a denial of  
32 registration terminates any further power to provide services unless  
33 approved by the department.

34        NEW SECTION.    **Sec. 11.**    (1) A provider shall obtain a renewal of  
35 its registration annually.

1 (2) An application for renewal of a registration as a provider  
2 must be in a form prescribed by the department, signed under penalty  
3 of perjury, and:

4 (a) Be filed not less than thirty days nor more than sixty days  
5 before the registration expires;

6 (b) Be accompanied by the fee established by the department;

7 (c) Disclose any changes in the information contained in the  
8 applicant's application for registration or its immediately previous  
9 application for renewal, as applicable; and

10 (d) Provide any other information that the department may  
11 reasonably require to perform the department's duties under this  
12 section.

13 (3) If a provider files a timely and complete application for  
14 renewal of registration, the registration remains effective until the  
15 department, in a record, notifies the applicant of a denial and  
16 states the reasons for the denial.

17 (4) If the department denies an application for renewal of  
18 registration as a provider, the applicant, no later than thirty days  
19 after receiving notice of the denial, may appeal and request a  
20 hearing under chapter 34.05 RCW. While the appeal is pending, the  
21 applicant shall continue to provide debt settlement services to  
22 individuals with whom it has agreements. If the denial is affirmed,  
23 the applicant shall continue to provide debt settlement services to  
24 individuals with whom it has agreements until, with the approval of  
25 the department, it transfers the agreements to another registered  
26 provider.

27 NEW SECTION. **Sec. 12.** If a provider holds a license or  
28 certificate of registration in another state authorizing it to  
29 provide debt settlement services, the provider may submit a copy of  
30 that license or certificate of registration and the application for  
31 it instead of an application in the form prescribed by section 5(1),  
32 6, or 11(2) of this act. The department shall accept the application  
33 and the license or certificate from the other state as an application  
34 for registration as a provider or for renewal of registration as a  
35 provider, as appropriate, in this state if:

36 (1) The application in the other state contains information  
37 substantially similar to or more comprehensive than that required in  
38 an application submitted in this state; and

1 (2) The applicant, under penalty of perjury, certifies that the  
2 information contained in the application is current or, to the extent  
3 it is not current, supplements the application to make the  
4 information current.

5 NEW SECTION. **Sec. 13.** A person registered as a provider under  
6 this chapter is exempt from chapter 18.28 RCW.

7 NEW SECTION. **Sec. 14.** A provider shall act in good faith in all  
8 matters under this chapter.

9 NEW SECTION. **Sec. 15.** (1) Before an individual consents to pay  
10 for goods or services offered, a provider shall disclose truthfully,  
11 in a clear and conspicuous manner, the following material  
12 information:

13 (a) A good faith estimate of the amount of time necessary to  
14 achieve the represented results;

15 (b) To the extent the debt settlement services may include a  
16 settlement offer to any of the individual's creditors or debt  
17 collectors:

18 (i) A good faith estimate of the time by which the provider will  
19 start to make bona fide settlement offers to the individual's  
20 creditors;

21 (ii) A good faith estimate of the amount of money or the  
22 percentage of each outstanding debt that the individual will need to  
23 accumulate before the provider will make a bona fide settlement offer  
24 to one or more of such creditors;

25 (iii) The cost to the individual for providing debt settlement  
26 services;

27 (c) To the extent that any aspect of the debt settlement services  
28 relies upon or results in the individual's failure to make timely  
29 payments to creditors or debt collectors, that the use of the debt  
30 settlement services will likely adversely affect the individual's  
31 creditworthiness, may result in the individual being subject to  
32 collection actions or sued by creditors or debt collectors, and may  
33 increase the amount of money the individual owes due to the accrual  
34 of fees and interest; and

35 (d) To the extent that the provider requests or requires the  
36 individual to place funds in an account at a financial institution,  
37 that the individual owns the funds held in the account and that the

1 individual may withdraw from the debt settlement services at any time  
2 without penalty.

3 (2) A provider may not misrepresent, directly or by implication,  
4 any material aspect of any debt settlement services, including but  
5 not limited to: The amount of money or the percentage of the debt  
6 amount that an individual may save by using such service; the effect  
7 of the service on the individual's creditworthiness; the effect of  
8 the service on collection efforts of the individual's creditors or  
9 debt collectors; the percentage or number of individuals who attain  
10 the represented results; and whether debt settlement services are  
11 offered or provided by a nonprofit entity.

12 (3) A provider may not receive payment of any fee or  
13 consideration for any debt settlement services until and unless:

14 (a) The provider has renegotiated, settled, reduced, or otherwise  
15 altered the terms of at least one debt under a debt settlement  
16 program;

17 (b) The individual has made at least one payment to a creditor in  
18 furtherance of a settlement with that creditor; and

19 (c) The fee or consideration for settling each individual debt  
20 enrolled in a debt settlement plan either:

21 (i) Bears the same proportional relationship to the total fee for  
22 settling the entire debt balance as the individual debt amount bears  
23 to the entire debt amount. The individual debt amount and the entire  
24 debt amount are amounts owed at the time the debt was enrolled on the  
25 debt relief service; or

26 (ii) Is a percentage of the amount saved as a result of the  
27 settlement. The percentage charged may not change from one individual  
28 debt to another. The amount saved is the difference between the  
29 amount owed at the time the debt was enrolled in the debt relief  
30 service and the amount actually paid to satisfy the debt.

31 (4) Nothing in this section prohibits requesting or requiring the  
32 individual to place funds in an account to be used for payment of the  
33 provider's fees and for payments to creditors or debt collectors in  
34 connection with the renegotiation, settlement, reduction, or other  
35 alteration of the terms of payment or other terms of debt if:

36 (a) The funds are held in a specifically designated account at a  
37 financial institution;

38 (b) The individual, not the provider, owns and controls the funds  
39 held in the account and is paid accrued interest on the account, if  
40 any;

1 (c) If the provider does not administer the account, the entity  
2 administering the account is not owned or controlled by the provider  
3 and is not an affiliate of the provider;

4 (d) The entity administering the account does not give or accept  
5 any money or other compensation in exchange for referrals of business  
6 by the provider; and

7 (e) The individual may withdraw from the debt settlement services  
8 at any time without penalty, and receives all funds in the account,  
9 other than funds earned by the provider in compliance with this  
10 section, as specified in the account agreement between the individual  
11 and the financial institution.

12 (5) If a provider is not registered as required by this chapter  
13 when an individual assents to an agreement, the agreement is voidable  
14 by the individual.

15 NEW SECTION. **Sec. 16.** (1) The department may act on its own  
16 initiative or in response to complaints and may receive complaints,  
17 take action to obtain voluntary compliance with this chapter, and  
18 seek or provide remedies as provided in this chapter.

19 (2) To determine compliance with this chapter, the department may  
20 investigate and examine, in this state or elsewhere, by subpoena or  
21 otherwise, the activities, books, accounts, and records of a person  
22 that provides or offers to provide debt settlement services or of a  
23 person to which a provider has delegated its obligations under an  
24 agreement or this chapter. Information that identifies individuals  
25 who have agreements with the provider may not be disclosed to the  
26 public. In connection with the investigation, the department may:

27 (a) Charge the person the reasonable expenses necessarily  
28 incurred to conduct the examination; and

29 (b) Require or permit a person to file a statement under oath as  
30 to all the facts and circumstances of a matter to be investigated.

31 (3) The department may enforce violations of this chapter by  
32 taking one or more of the following actions:

33 (a) Ordering a provider or a director, employee, or other agent  
34 of a provider to cease and desist from any violations;

35 (b) Ordering a provider or a person that has caused a violation  
36 to correct the violation, including making restitution of money or  
37 property to a person aggrieved by a violation;

1 (c) Imposing on a provider or a person that has caused a  
2 violation a civil penalty not exceeding one thousand dollars for each  
3 violation; and

4 (d) Prosecuting a civil action to enforce an order or to obtain  
5 restitution or an injunction or other equitable relief, or both.

6 NEW SECTION. **Sec. 17.** (1) The department may suspend, revoke,  
7 or deny renewal of a provider's registration if:

8 (a) The provider has committed a material violation of this  
9 chapter; or

10 (b) The provider is insolvent.

11 (2) If the department suspends or revokes a provider's  
12 registration, the provider may appeal and request a hearing pursuant  
13 to chapter 34.05 RCW.

14 NEW SECTION. **Sec. 18.** The director shall establish reasonable  
15 fees by rule sufficient to cover the costs of administering this  
16 chapter.

17 NEW SECTION. **Sec. 19.** This chapter modifies, limits, and  
18 supersedes the electronic signatures in global and national commerce  
19 act (P.L. 106-229, 15 U.S.C. Sec. 7001 et seq.), but does not modify,  
20 limit, or supersede section 101(c) of the electronic signatures in  
21 global and national commerce act, 15 U.S.C. Sec. 7001(c), or  
22 authorize electronic delivery of any of the notices described in  
23 section 103(b) of the electronic signatures in global and national  
24 commerce act, 15 U.S.C. Sec. 7003(b).

25 **Sec. 20.** RCW 18.28.010 and 2012 c 56 s 1 are each reenacted and
