The guardian or limited guardian shall, within ninety days of the date of termination of the guardianship, unless the court orders a different deadline for good cause, prepare and file with the court a final verified account of administration. The final verified account of administration shall contain the same information as required for (a) an intermediate verified account of administration of the estate under RCW 11.92.040(2) and (b) an intermediate personal care status report under RCW 11.92.043(2).

When a guardianship or limited guardianship terminates by death of the incapacitated person, the guardian or limited guardian of the estate may proceed under RCW 11.88.150 as now or hereafter amended, but the rights of all creditors against the incapacitated person's estate shall be determined by the law of decedents' estates.
