State of Washington

64th Legislature

2015 Regular Session

By Representatives Springer, Condotta, McBride, Vick, Takko, Hayes, Walkinshaw, Pettigrew, Magendanz, Wilcox, Stokesbary, Kirby, Goodman, Blake, DeBolt, Morris, Zeiger, Moscoso, Rodne, Harris, Fagan, Schmick, Stanford, Holy, and Ormsby

Read first time 02/06/15. Referred to Committee on Finance.

1 AN ACT Relating to providing a sales and use tax exemption for  
2 eligible server equipment installed in certain data centers; amending  
3 RCW 82.08.986 and 82.12.986; creating a new section; and providing  
4 expiration dates.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** This section is the tax preference  
7 performance statement for the sales and use tax exemption contained  
8 in RCW 82.08.986 and 82.12.986. This performance statement is only  
9 intended to be used for subsequent evaluation of the tax preference.  
10 It is not intended to create a private right of action by any party  
11 or be used to determine eligibility for preferential tax treatment.

12 (1) The legislature categorizes this sales and use tax exemption  
13 as one intended to improve industry competitiveness, as indicated in  
14 RCW 82.32.808(2)(b).

15 (2) It is the legislature's specific public policy objective to  
16 improve industry competitiveness. It is the legislature's intent to  
17 provide a sales and use tax exemption on eligible server equipment  
18 and power infrastructure installed in eligible computer data centers,  
19 charges made for labor and services rendered in respect to installing  
20 eligible server equipment, and for construction, installation,  
21 repair, alteration, or improvement of eligible power infrastructures

1 in order to increase investment in data center construction in rural  
2 Washington counties, thereby adding real and personal property to  
3 state and local property tax rolls, thereby increasing the rural  
4 county tax base.

5 (3) If a review finds that the rural county tax base is increased  
6 as a result of the construction of computer data centers eligible for  
7 the sales and use tax exemption in RCW 82.08.986 and 82.12.986, then  
8 the legislature intends to extend the expiration date of the tax  
9 preference.

10 (4) In order to obtain the data necessary to perform the review  
11 in subsection (3) of this section, the joint legislative audit and  
12 review committee may refer to data available from the department of  
13 revenue regarding rural county property tax assessments.

14 **Sec. 2.** RCW 82.08.986 and 2012 2nd sp.s. c 6 s 302 are each  
15 amended to read as follows:

16 (1) An exemption from the tax imposed by RCW 82.08.020 is  
17 provided for sales to qualifying businesses and to qualifying tenants  
18 of eligible server equipment to be installed, without intervening  
19 use, in an eligible computer data center, and to charges made for  
20 labor and services rendered in respect to installing eligible server  
21 equipment. The exemption also applies to sales to qualifying  
22 businesses and to qualifying tenants of eligible power  
23 infrastructure, including labor and services rendered in respect to  
24 constructing, installing, repairing, altering, or improving eligible  
25 power infrastructure.

26 (2)(a) In order to claim the exemption under this section, a  
27 qualifying business or a qualifying tenant must submit an application  
28 to the department for an exemption certificate. The application must  
29 include the information necessary, as required by the department, to  
30 determine that a business or tenant qualifies for the exemption under  
31 this section. The department must issue exemption certificates to  
32 qualifying businesses and qualifying tenants. The department may  
33 assign a unique identification number to each exemption certificate  
34 issued under this section.

35 (b) A qualifying business or a qualifying tenant claiming the  
36 exemption under this section must present the seller with an  
37 exemption certificate in a form and manner prescribed by the  
38 department. The seller must retain a copy of the certificate for the  
39 seller's files.

1       (c) With respect to computer data centers for which the  
2 commencement of construction occurs after July 1, 2015, but before  
3 July 1, 2019, the exemption provided in this section is limited to no  
4 more than eight computer data centers, with total eligible data  
5 centers provided under this section limited to twelve through July 1,  
6 2025. Tenants of qualified data centers do not constitute additional  
7 data centers under the limit. The exemption is available on a first-  
8 in-time basis based on the date the application required under this  
9 section is received by the department. Exemption certificates expire  
10 two years after the date of issuance, unless construction has been  
11 commenced.

12       (3)(a) Within six years of the date that the department issued an  
13 exemption certificate under this section to a qualifying business or  
14 a qualifying tenant with respect to an eligible computer data center,  
15 the qualifying business or qualifying tenant must establish that net  
16 employment at the eligible computer data center has increased by a  
17 minimum of:

18       (i) Thirty-five family wage employment positions; or  
19       (ii) Three family wage employment positions for each twenty  
20 thousand square feet of space or less that is newly dedicated to  
21 housing working servers at the eligible computer data center. For  
22 qualifying tenants, the number of family wage employment positions  
23 that must be increased under this subsection (3)(a)(ii) is based only  
24 on the space occupied by the qualifying tenant in the eligible  
25 computer data center.

26       (b) In calculating the net increase in family wage employment  
27 positions:

28       (i) The owner of an eligible computer data center, in addition to  
29 its own net increase in family wage employment positions, may  
30 include:

31       (A) The net increase in family wage employment positions employed  
32 by qualifying tenants; and

33       (B) The net increase in family wage employment positions  
34 described in (c)(ii)(B) of this subsection (3).

35       (ii)(A) Qualifying tenants, in addition to their own net increase  
36 in family wage employment positions, may include:

37       (I) A portion of the net increase in family wage employment  
38 positions employed by the owner; and

39       (II) A portion of the net increase in family wage employment  
40 positions described in (c)(ii)(B) of this subsection (3).

1 (B) The portion of the net increase in family wage employment  
2 positions to be counted under this subsection (3)(b)(ii) by each  
3 qualifying tenant must be in proportion to the amount of space in the  
4 eligible computer data center occupied by the qualifying tenant  
5 compared to the total amount of space in the eligible computer data  
6 center occupied by all qualifying tenants.

7 (c)(i) For purposes of this subsection, family wage employment  
8 positions are new permanent employment positions requiring forty  
9 hours of weekly work, or their equivalent, on a full-time basis at  
10 the eligible computer data center and receiving a wage equivalent to  
11 or greater than one hundred fifty percent of the per capita personal  
12 income of the county in which the qualified project is located. An  
13 employment position may not be counted as a family wage employment  
14 position unless the employment position is entitled to health  
15 insurance coverage provided by the employer of the employment  
16 position. For purposes of this subsection (3)(c), "new permanent  
17 employment position" means an employment position that did not exist  
18 or that had not previously been filled as of the date that the  
19 department issued an exemption certificate to the owner or qualifying  
20 tenant of an eligible computer data center, as the case may be.

21 (ii)(A) Family wage employment positions include positions filled  
22 by employees of the owner of the eligible computer data center and by  
23 employees of qualifying tenants.

24 (B) Family wage employment positions also include individuals  
25 performing work at an eligible computer data center as an independent  
26 contractor hired by the owner of the eligible computer data center or  
27 as an employee of an independent contractor hired by the owner of the  
28 eligible computer data center, if the work is necessary for the  
29 operation of the computer data center, such as security and building  
30 maintenance, and provided that all of the requirements in (c)(i) of  
31 this subsection (3) are met.

32 (d) All previously exempted sales and use taxes are immediately  
33 due and payable for a qualifying business or qualifying tenant that  
34 does not meet the requirements of this subsection.

35 (4) A qualifying business or a qualifying tenant claiming an  
36 exemption under this section or RCW 82.12.986 must complete an annual
