1 AN ACT Relating to establishing the office of Chehalis basin;
2 reenacting and amending RCW 43.84.092; and adding new sections to
3 chapter 43.21A RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The office of Chehalis basin is
6 established in the department. The primary purpose of the office is
7 to aggressively pursue implementation of an integrated strategy and
8 administer funding for long-term flood damage reduction and aquatic
9 species restoration in the Chehalis river basin.

10 (2) The office of Chehalis basin must be funded from
11 appropriations specified for Chehalis river basin-related flood
12 hazard reduction and habitat recovery activities.

13 (3) In operating the office, the department must follow, to the
14 greatest extent practicable, the model being used to administer the
15 Columbia river basin water supply program established in chapter 6,
16 Laws of 2006.

17 NEW SECTION. **Sec. 2.** (1) The Chehalis board is created
18 consisting of seven members.

19 (2)(a) Four members of the board must be voting members who are
20 appointed by the governor, subject to confirmation by the senate. One

1 member must represent the Chehalis Indian tribe and one member must
2 represent the Quinault Indian nation. Three board members must be
3 selected by the Chehalis basin flood authority. No member may have a
4 financial or regulatory interest in the work of the board. The
5 governor shall appoint one of the flood authority appointees as the
6 chair. The voting members of the board must be appointed for terms of
7 four years, except that two members initially must be appointed for
8 terms of two years and three members must initially be appointed for
9 terms of three years. In making the appointments, the governor shall
10 seek a board membership that collectively provides the expertise
11 necessary to provide strong oversight for implementation of the
12 Chehalis basin strategy, that provides extensive knowledge of local
13 government processes and functions, and that has an understanding of
14 issues relevant to reducing flood damages and restoring aquatic
15 species.

16 (b) In addition to the seven voting members of the board, the
17 following five state officials must serve as ex officio nonvoting
18 members of the board: The director of the department of fish and
19 wildlife, the executive director of the Washington state conservation
20 commission, the secretary of the department of transportation, the
21 director of the department of ecology, and the commissioner of public
22 lands. The state officials serving in an ex officio capacity may
23 designate a representative of their respective agencies to serve on
24 the board in their behalf. These designations must be made in writing
25 and in such a manner as is specified by the board.

26 (3) Staff support to the board must be provided by the
27 department. For administrative purposes, the board is located within
28 the department.

29 (4) Members of the board who do not represent state agencies must
30 be compensated as provided by RCW 43.03.250. Members of the board
31 shall be reimbursed for travel expenses as provided by RCW 43.03.050
32 and 43.03.060.

33 (5) The board is responsible for oversight of a long-term
34 strategy resulting from the department's programmatic environmental
35 impact statement for the Chehalis river basin to reduce flood damages
36 and restore aquatic species habitat.

37 (6) The board is responsible for overseeing the implementation of
38 the strategy and developing biennial and supplemental budget
39 recommendations to the governor.

1 NEW SECTION. **Sec. 3.** The Chehalis basin strategy must include a
2 detailed set of actions to reduce flood damage and improve aquatic
3 species habitat. The strategy must be amended by the Chehalis board
4 as necessary to include new scientific information and needed changes
5 to the actions to achieve the overall purpose of the strategy. The
6 strategy must include an implementation schedule and quantified
7 measures for evaluating the success of implementation.

8 NEW SECTION. **Sec. 4.** The Chehalis basin account is created in
9 the state treasury. All receipts from direct appropriations from the
10 legislature, including the proceeds of tax exempt bonds, or moneys
11 directed to the account from any other sources must be deposited in
12 the account. Interest earned by deposits in the account will be
13 retained in the account. Moneys in the account may be spent only
14 after appropriation. Expenditures from the account may be used only
15 for the purposes set out in section 1 of this act and for the payment
16 of expenses incurred in the issuance and sale of bonds.
