SENATE BILL 5716

---

State of Washington

64th Legislature

2015 Regular Session

By Senator McCoy; by request of Department of Health

Read first time 01/30/15. Referred to Committee on Natural Resources & Parks.

1 AN ACT Relating to increasing the surcharge to fund biotoxin  
2 testing and monitoring; and amending RCW 77.32.555.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 77.32.555 and 2009 c 577 s 1 are each amended to  
5 read as follows:

6 (1) In addition to the fees authorized in this chapter, the  
7 department shall include a surcharge to fund biotoxin testing and  
8 monitoring by the department of health of beaches used for  
9 recreational shellfishing, and to fund monitoring by the Olympic  
10 region harmful algal bloom program of the Olympic natural resources  
11 center at the University of Washington. A surcharge of (~~three~~) four  
12 dollars applies to resident and nonresident shellfish and seaweed  
13 licenses as authorized by RCW 77.32.520(3) (a) and (b); a surcharge  
14 of (~~two~~) three dollars applies to resident and nonresident adult  
15 combination licenses as authorized by RCW 77.32.470(2)(a); a  
16 surcharge of (~~two~~) three dollars applies to annual resident and  
17 nonresident razor clam licenses as authorized by RCW 77.32.520(4);  
18 and a surcharge of (~~one~~) two dollars applies to the three-day razor  
19 clam license authorized by RCW 77.32.520(5). Amounts collected from  
20 these surcharges must be deposited in the biotoxin account created in  
21 subsection (3) of this section.

1           (2) Any moneys from surcharges remaining in the general fund—  
2 local account after the 2007-2009 biennium must be transferred to the  
3 biotoxin account created in subsection (3) of this section and be  
4 credited to the appropriate institution. The department of health and  
5 the University of Washington shall, by December 1st of each year,  
6 provide a letter to the relevant legislative policy and fiscal  
7 committees on the status of expenditures. This letter shall include,  
8 but is not limited to, the annual appropriation amount, the amount  
9 not expended, account fund balance, and reasons for not spending the  
10 full annual appropriation.

11           (3) The biotoxin account is created in the state treasury to be  
12 administered by the department of health. All moneys received under  
13 subsection (1) of this section must be deposited in the account and  
14 used by the department of health and the University of Washington as  
15 required by subsection (1) of this section. Of the moneys deposited  
16 into the account, one hundred fifty thousand dollars per year must be  
17 made available to the University of Washington to implement  
18 subsection (1) of this section. Moneys in the account may be spent  
19 only after appropriation.
