
SENATE BILL 6228

State of Washington

64th Legislature

2016 Regular Session

By Senators Parlette, Keiser, Hobbs, and Conway; by request of Department of Health

Read first time 01/13/16. Referred to Committee on Health Care.

1 AN ACT Relating to the interstate medical licensure compact;
2 amending RCW 43.70.250; adding a new section to chapter 42.56 RCW;
3 adding a new chapter to Title 18 RCW; and prescribing penalties.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** PURPOSE. In order to strengthen access to
6 health care, and in recognition of the advances in the delivery of
7 health care, the member states of the interstate medical licensure
8 compact have allied in common purpose to develop a comprehensive
9 process that complements the existing licensing and regulatory
10 authority of state medical boards, provides a streamlined process
11 that allows physicians to become licensed in multiple states, thereby
12 enhancing the portability of a medical license and ensuring the
13 safety of patients. The compact creates another pathway for licensure
14 and does not otherwise change a state's existing medical practice
15 act. The compact also adopts the prevailing standard for licensure
16 and affirms that the practice of medicine occurs where the patient is
17 located at the time of the physician-patient encounter, and
18 therefore, requires the physician to be under the jurisdiction of the
19 state medical board where the patient is located. State medical
20 boards that participate in the compact retain the jurisdiction to
21 impose an adverse action against a license to practice medicine in

1 that state issued to a physician through the procedures in the
2 compact.

31 federal district where the interstate commission has its principal
32 offices, provided that the filing of such a petition shall not stay
33 or otherwise prevent the rule from becoming effective unless the
34 court finds that the petitioner has a substantial likelihood of
35 success. The court shall give deference to the actions of the
36 interstate commission consistent with applicable law and shall not
37 find the rule to be unlawful if the rule represents a reasonable
38 exercise of the authority granted to the interstate commission.

1 NEW SECTION. **Sec. 16.** OVERSIGHT OF INTERSTATE COMPACT. (1) The
2 executive, legislative, and judicial branches of state government in
3 each member state shall enforce the compact and shall take all
4 actions necessary and appropriate to effectuate the compact's
5 purposes and intent. The provisions of the compact and the rules
6 promulgated hereunder shall have standing as statutory law but shall
7 not override existing state authority to regulate the practice of
8 medicine.

9 (2) All courts shall take judicial notice of the compact and the
10 rules in any judicial or administrative proceeding in a member state
11 pertaining to the subject matter of the compact which may affect the
12 powers, responsibilities, or actions of the interstate commission.

13 (3) The interstate commission shall be entitled to receive all
14 service of process in any such proceeding, and shall have standing to
15 intervene in the proceeding for all purposes. Failure to provide
16 service of process to the interstate commission shall render a
17 judgment or order void as to the interstate commission, the compact,
18 or promulgated rules.

19 NEW SECTION. **Sec. 17.** ENFORCEMENT OF INTERSTATE COMPACT. (1)
20 The interstate commission, in the reasonable exercise of its
21 discretion, shall enforce the provisions and rules of the compact.

22 (2) The interstate commission may, by majority vote of the
23 commissioners, initiate legal action in the United States district
24 court for the District of Columbia, or, at the discretion of the
25 interstate commission, in the federal district where the interstate
26 commission has its principal offices, to enforce compliance with the
27 provisions of the compact, and its promulgated rules and bylaws,
28 against a member state in default. The relief sought may include both
29 injunctive relief and damages. In the event judicial enforcement is
30 necessary, the prevailing party shall be awarded all costs of such
31 litigation including reasonable attorneys' fees.

32 (3) The remedies herein shall not be the exclusive remedies of
33 the interstate commission. The interstate commission may avail itself
34 of any other remedies available under state law or the regulation of
35 a profession.

36 NEW SECTION. **Sec. 18.** DEFAULT PROCEDURES. (1) The grounds for
37 default include, but are not limited to, failure of a member state to
38 perform such obligations or responsibilities imposed upon it by the

1 compact, or the rules and bylaws of the interstate commission
2 promulgated under the compact.

3 (2) If the interstate commission determines that a member state
4 has defaulted in the performance of its obligations or
5 responsibilities under the compact, or the bylaws or promulgated
6 rules, the interstate commission shall:

7 (a) Provide written notice to the defaulting state and other
8 member states, of the nature of the default, the means of curing the
9 default, and any action taken by the interstate commission. The
10 interstate commission shall specify the conditions by which the
11 defaulting state must cure its default; and

12 (b) Provide remedial training and specific technical assistance
13 regarding the default.

14 (3) If the defaulting state fails to cure the default, the
15 defaulting state shall be terminated from the compact upon an
16 affirmative vote of a majority of the commissioners and all rights,
17 privileges, and benefits conferred by the compact shall terminate on
18 the effective date of termination. A cure of the default does not
19 relieve the offending state of obligations or liabilities incurred
20 during the period of the default.

21 (4) Termination of membership in the compact shall be imposed
22 only after all other means of securing compliance have been
23 exhausted. Notice of intent to terminate shall be given by the
24 interstate commission to the governor, the majority and minority
25 leaders of the defaulting state's legislature, and each of the member
26 states.

27 (5) The interstate commission shall establish rules and
28 procedures to address licenses and physicians that are materially
29 impacted by the termination of a member state, or the withdrawal of a
30 member state.

31 (6) The member state which has been terminated is responsible for
32 all dues, obligations, and liabilities incurred through the effective
33 date of termination including obligations, the performance of which
34 extends beyond the effective date of termination.

35 (7) The interstate commission shall not bear any costs relating
36 to any state that has been found to be in default or which has been
37 terminated from the compact, unless otherwise mutually agreed upon in
38 writing between the interstate commission and the defaulting state.

39 (8) The defaulting state may appeal the action of the interstate
40 commission by petitioning the United States district court for the

1 District of Columbia or the federal district where the interstate
2 commission has its principal offices. The prevailing party shall be
3 awarded all costs of such litigation including reasonable attorneys'
4 fees.

5 NEW SECTION. **Sec. 19.** DISPUTE RESOLUTION. (1) The interstate
6 commission shall attempt, upon the request of a member state, to
7 resolve disputes which are subject to the compact and which may arise
8 among member states or member boards.

9 (2) The interstate commission shall promulgate rules providing
10 for both mediation and binding dispute resolution as appropriate.

11 NEW SECTION. **Sec. 20.** MEMBER STATES, EFFECTIVE DATE, AND
12 AMENDMENT. (1) Any state is eligible to become a member state of the
13 compact.

14 (2) The compact shall become effective and binding upon
15 legislative enactment of the compact into law by no less than seven
16 states. Thereafter, it shall become effective and binding on a state
17 upon enactment of the compact into law by that state.

18 (3) The governors of nonmember states, or their designees, shall
19 be invited to participate in the activities of the interstate
20 commission on a nonvoting basis prior to adoption of the compact by
21 all states.

22 (4) The interstate commission may propose amendments to the
23 compact for enactment by the member states. No amendment shall become
24 effective and binding upon the interstate commission and the member
25 states unless and until it is enacted into law by unanimous consent
26 of the member states.

27 NEW SECTION. **Sec. 21.** WITHDRAWAL. (1) Once effective, the
28 compact shall continue in force and remain binding upon each and
29 every member state; provided that a member state may withdraw from
30 the compact by specifically repealing the statute which enacted the
31 compact into law.

32 (2) Withdrawal from the compact shall be by the enactment of a
33 statute repealing the same, but shall not take effect until one year
34 after the effective date of such statute and until written notice of
35 the withdrawal has been given by the withdrawing state to the
36 governor of each other member state.

1 (3) The withdrawing state shall immediately notify the
2 chairperson of the interstate commission in writing upon the
3 introduction of legislation repealing the compact in the withdrawing
4 state.

5 (4) The interstate commission shall notify the other member
6 states of the withdrawing state's intent to withdraw within sixty
7 days of its receipt of notice provided under subsection (3) of this
8 section.

9 (5) The withdrawing state is responsible for all dues,
10 obligations, and liabilities incurred through the effective date of
11 withdrawal, including obligations, the performance of which extend
12 beyond the effective date of withdrawal.

13 (6) Reinstatement following withdrawal of a member state shall
14 occur upon the withdrawing state reenacting the compact or upon such
15 later date as determined by the interstate commission.

16 (7) The interstate commission is authorized to develop rules to
17 address the impact of the withdrawal of a member state on licenses
18 granted in other member states to physicians who designated the
19 withdrawing member state as the state of principal license.

20 NEW SECTION. **Sec. 22.** DISSOLUTION. (1) The compact shall
21 dissolve effective upon the date of the withdrawal or default of the
22 member state which reduces the membership in the compact to one
23 member state.

24 (2) Upon the dissolution of the compact, the compact becomes null
25 and void and shall be of no further force or effect, and the business
26 and affairs of the interstate commission shall be concluded and
27 surplus funds shall be distributed in accordance with the bylaws.

28 NEW SECTION. **Sec. 23.** SEVERABILITY AND CONSTRUCTION. (1) The
29 provisions of the compact shall be severable, and if any phrase,
30 clause, sentence, or provision is deemed unenforceable, the remaining
31 provisions of the compact shall be enforceable.

32 (2) The provisions of the compact shall be liberally construed to
33 effectuate its purposes.

34 (3) Nothing in the compact shall be construed to prohibit the
35 applicability of other interstate compacts to which the states are
36 members.

1 NEW SECTION. **Sec. 24.** BINDING EFFECT OF COMPACT AND OTHER LAWS.

2 (1) Nothing herein prevents the enforcement of any other law of a
3 member state that is not inconsistent with the compact.

4 (2) All laws in a member state in conflict with the compact are
5 superseded to the extent of the conflict.

6 (3) All lawful actions of the interstate commission, including
7 all rules and bylaws promulgated by the commission, are binding upon
8 the member states.

9 (4) All agreements between the interstate commission and the
10 member states are binding in accordance with their terms.

11 (5) In the event any provision of the compact exceeds the
12 constitutional limits imposed on the legislature of any member state,
13 such provision shall be ineffective to the extent of the conflict
14 with the constitutional provision in question in that member state.

15 NEW SECTION. **Sec. 25.** A new section is added to chapter 42.56
16 RCW to read as follows:

17 (1) Information distributed to any Washington health profession
18 board or commission by an interstate health professions licensure
19 compact or member boards as described in section 8(6) of this act of
20 the interstate medical licensure compact is exempt from disclosure
21 under this chapter. This exemption does not prohibit the requestor
22 from requesting these documents from the state of origin.

23 (2) This exemption does not pertain to any records created by
24 Washington health profession boards or commissions from the documents
25 described in subsection (1) of this section. Records created by
26 Washington health profession boards or commissions from the documents
27 described in subsection (1) of this section may be exempt under other
28 sections of this chapter.

29 **Sec. 26.** RCW 43.70.250 and 2013 c 77 s 2 are each amended to
30 read as follows:

31 It shall be the policy of the state of Washington that the cost
32 of each professional, occupational, or business licensing program be
33 fully borne by the members of that profession, occupation, or
34 business. The secretary shall from time to time establish the amount
35 of all application fees, license fees, registration fees, examination
36 fees, permit fees, renewal fees, and any other fee associated with
37 licensing or regulation of professions, occupations, or businesses
38 administered by the department. Any and all fees or assessments, or

1 both, levied on the state to cover the costs of the operations and
2 activities of the interstate health professions licensure compacts
3 with participating authorities listed under chapter 18.130 RCW shall
4 be borne by the respective licensing authorities alone. In fixing
5 said fees, the secretary shall set the fees for each program at a
6 sufficient level to defray the costs of administering that program
7 and the cost of regulating licensed volunteer medical workers in
8 accordance with RCW 18.130.360, except as provided in RCW 18.79.202.
9 All such fees shall be fixed by rule adopted by the secretary in
10 accordance with the provisions of the administrative procedure act,
11 chapter 34.05 RCW.

12 NEW SECTION. **Sec. 27.** Sections 1 through 24 of this act
13 constitute a new chapter in Title 18 RCW.
