

HB 1008-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes the state auditor to conduct an audit of a state or local agency to determine if the agency's data management and storage practices are consistent with adopted standards.

Requires state agencies and local governments to notify the state auditor of a computer breach.

Requires the state auditor's office to consult with the office of the chief information officer and local governments in providing training on information security for state and local governments.
