

HB 1561 - DIGEST

(AS OF HOUSE 2ND READING 2/16/16)

Allows a governing body to hold an executive session during a regular or special meeting to consider information regarding the infrastructure and security of computer and telecommunications networks, security and service recovery plans, security risk assessments and security test results to the extent that they identify specific system vulnerabilities, and other information that if made public may increase the risk to the confidentiality, integrity, or availability of agency security or to information technology infrastructure or assets.
