

HB 1721 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the department of health, in consultation with the department of social and health services, to convene a work group comprised of members of the steering committee and representatives of ambulance services, mental health providers, and chemical dependency treatment programs to establish alternative facility guidelines for the development of protocols and procedures for the appropriate transport of patients in need of immediate mental health or chemical dependency services.

Requires the state health care authority to develop a reimbursement methodology for ambulance services when transporting a medical assistance enrollee to a mental health facility or chemical dependency program.
