

HB 2746 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Modifies the juvenile justice act with regard to court orders for residential treatment and expanding the chemical dependency disposition alternative to include mental health and co-occurring disorder treatment.

Requires the costs incurred by the juvenile courts for the mental health, chemical dependency, and/or co-occurring disorder evaluations, treatment, and costs of supervision required under this act to be paid by the department of social and health services.
