(DIGEST AS ENACTED)

Imposes a tax on premiums on stand-alone family dental plans only when offered in the individual market or to a small group.

Allows the state health benefit exchange to levy an assessment on stand-alone family dental plans to help fund operations.

Requires the state health benefit exchange board, in collaboration with the family dental issuers and the insurance commissioner, to establish a fair and transparent process for calculating the assessment amount, including the allocation of overall exchange operational costs.
