

SB 5098-S2 - DIGEST

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Requires the department of early learning to establish and implement a policy that provides working connections child care authorizations for up to three thirty-day periods when a recipient experiences a gap in his or her employment or approved activity.

Changes reporting requirements of applicants for and recipients of working connections child care benefits so the applicant or recipient no longer has to notify the department of social and health services of certain significant changes.
