

**SB 5158 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes the Kelsey Smith act.

Requires a wireless telecommunications provider to provide information in its possession concerning the current or most recent location of a telecommunications device and call information of a user of the device when requested by a law enforcement agency.

Requires the Washington state patrol to maintain a database containing emergency contact information for all wireless telecommunications providers registered to do business in the state and make the information immediately available upon request to facilitate a request from law enforcement for call location information.
