(SEE ALSO PROPOSED 1ST SUB)

Eliminates the dedicated marijuana fund and creates the dedicated marijuana account.

Allows the state liquor control board to issue a license for recreational marijuana business premises within one thousand feet of the perimeter of the grounds of an elementary or secondary school, a playground, a recreation center or facility, a child care center, a public park, a public transit center, a library, or certain game arcade admissions if the legislative body of an incorporated city or town has exempted the city or town from the one thousand foot restriction by adopting legislation that declares that the exemption is necessary to create enough potential locations within the city or town to allow a marijuana retail facility to be sited.
