

SB 5870-S - DIGEST

(AS OF SENATE 2ND READING 3/11/15)

Regulates the professional conduct of licensed health care providers with respect to performing aversive mental health therapies on patients under age eighteen including aversive efforts that seek to: (1) Change an individual's sexual orientation;

(2) Stop an individual from using tobacco products; or

(3) Stop an individual from using alcohol, prescription drugs, or other controlled substances.
