

SB 6122 - DIGEST

Reduces the number of state required assessments to only those assessments required to meet federal mandates.

Eliminates the use of the statewide assessments as a requirement for high school graduation.

Prohibits the legislature from making future changes to the statutes addressing the statewide assessment system except and only if the following occurs: (1) The United States congress changes the federal mandates regarding the assessments that each state must administer; and

(2) The office of the superintendent of public instruction provides written notice to the governor and the legislature that federal changes have been enacted which necessitate a change to the state statutes governing the required state assessments.
