

**SB 6527 - DIGEST**

Addresses the development, maintenance, and expansion of infrastructure facilities in order to encourage economic development and private investment in the state.

Addresses public agencies' coordination of environmental reviews under the state environmental policy act with the federal government, where applicable, to: (1) Avoid unnecessary delay in economic development;

(2) Encourage investment in the state; and

(3) Encourage more efficient use of limited state and private resources.

Exempts the following from the requirements of the state environmental policy act: (1) Certifications under the coastal zone management act; and

(2) Certifications under section 401 of the clean water act.
