

**SB 6678 - DIGEST**

Requires the department of licensing to: (1) As required in section 202 of the REAL ID act, P.L. 109-13, and 6 C.F.R. Part 37, issue to a qualifying applicant a driver's license or identicard that is accepted by the federal government for official purposes;

(2) When issuing a driver's license or identicard, follow the procedures and meet the applicable requirements and standards in 6 C.F.R. Part 37;

(3) Adjust fees for limited-term drivers' licenses and identicards issued to persons who have temporary lawful status in the United States as defined in 6 C.F.R. Sec. 37.3; and

(4) Provide a security marking for drivers' licenses and identicards issued under this act to distinguish the documents from other types of drivers' licenses or identicards issued by the department of licensing as required under 6 C.F.R. Secs. 37.17 and 37.27.

Requires drivers' licenses and identicards issued under RCW 46.20.091 and 46.20.117 to include a statement on the front of the document that states it is not for federal purposes.
