2SHB 1144 - H AMD **308**
    By Representative Nealey

NOT CONSIDERED 01/05/2018

1   On page 1, line 8, after "state" insert "as a percentage of gross
2 state product as calculated by the economic and revenue forecast
3 council"

4

5   On page 1, line 9, after "reduce" strike "overall" and insert
6 "((overall))"

7

8   On page 1, line 10, after "state" insert "as a percentage of gross
9 state product"

10

11   On page 1, line 11, after "reduce" strike "overall" and insert
12 "((overall))"

13

14   On page 1, line 12, after "state" insert "as a percentage of gross
15 state product"

16

17   On page 1, line 14, after "reducing" strike "overall emissions"
18 and insert "((overall)) emissions as a percentage of gross state
19 product"

20

    EFFECT: Bases state greenhouse gas emission limits for 2020,
2035, and 2050 on the ratio of state emissions relative to gross
state product, rather than being calculated based on overall
greenhouse gas emission levels.
