

SHB 1432 - H AMD 197

By Representative Shea

ADOPTED 03/02/2017

1 On page 4, beginning on line 4, after "through" strike
2 "surveillance and epidemiology" and insert "epidemiologic
3 surveillance"

4

EFFECT: Changes the definition of "essential capabilities" to include assessing the health of populations through "epidemiologic surveillance," instead of "surveillance and epidemiology."
