1 On page 4, beginning on line 27, after "baccalaureate degrees"  
2 strike all material through "other programs," on line 29, and insert  
3 "in high employer demand and other programs and advanced degrees in  
4 health professions needed in service obligation areas,"

5  
6 On page 12, beginning on line 13, after "baccalaureate degrees"  
7 strike all material through "study" on line 15, and insert "in high  
8 employer demand and other programs of study and advanced degrees in  
9 health professions needed in service obligation areas,"

EFFECT: Modifies provisions explaining the intent and purpose of the Opportunity Scholarship program to clarify that scholarships for baccalaureate degrees apply only to high employer demand programs while the advanced degree scholarships apply only to health professions needed in service obligation areas.
