1 On page 2, beginning on line 7, after "(3)" strike all material
2 through "section" on line 8 and insert the following:

3 "Subject to the requirements of this subsection (3), the liquor
4 and cannabis board may enact rules necessary to implement the
5 requirements of this section. Such rule-making is limited to
6 regulations pertaining to laboratory testing and product safety
7 standards for those cannabidiol products used by licensed producers
8 and processors in the manufacture of marijuana products marketed by
9 licensed retailers under chapter 69.50 RCW. The purpose of such rule-
10 making must be to ensure the safety and purity of cannabidiol products
11 used by marijuana producers and processors licensed under chapter
12 69.50 RCW and incorporated into products sold by licensed recreational
13 marijuana retailers. This rule-making authority does not include the
14 authority to enact rules regarding either the production or processing
15 practices of the industrial hemp industry or any cannabidiol products
16 that are sold or marketed outside of the regulatory framework
17 established under chapter 69.50 RCW"

EFFECT: Restricts the rule making authority of the liquor and
cannabis board by prohibiting the adoption of rules pertaining to
either the production or processing practices of the industrial hemp
industry or any cannabidiol products that are sold or marketed
outside of the regulatory framework established under chapter 69.50
RCW.
