

**2SHB 2338** - H AMD 1006

By Representative DeBolt

1       On page 5, line 2, after "program" insert ". Transportation fuels  
2 that are refined or otherwise wholly or partly derived from palm oil  
3 are not eligible to generate credits under the clean fuels program"

EFFECT: Requires that Department of Ecology Clean Fuels Program  
rules make transportation fuels that are wholly or partly derived  
from palm oil ineligible to generate credits.
