

2SHB 2338 - H AMD 921

By Representative Maycumber

1 On page 5, line 2, after "program" insert ". Transportation fuels
2 that are biofuels produced using electricity primarily generated by
3 coal-fired electrical generation facilities are not eligible to
4 generate credits under the clean fuels program"

5

6

EFFECT: Makes biofuels produced using electricity primarily
generated by coal-fired power plants ineligible to generate credits
under the Clean Fuels Program.
