EFFECT: Replaces the requirement that DSHS adopt rules regarding the new Medicaid payment system for assisted living facilities with a requirement that DSHS submit agency-request legislation on the new system for consideration in the 2019 session. Removes the requirement that payments for the new system be phased in to full implementation beginning July 1, 2019. Specifies that details of the new system apply only if enacted in 2019 and only to the extent that funding is appropriated for the specific purpose.
