3 "The joint legislative advisory committee on aging requires the  
4 department of social and health services aging and long-term support  
5 administration to convene and lead a work group that includes  
6 representatives from the office of the governor, the health care  
7 authority, and the employment security department. The work group  
8 must complete a study on implementing the long-term services and  
9 supports trust program proposed in House Bill No. 1636 (long-term  
10 services and support). The work group must:

11 (a) Identify the administrative start-up costs for the proposed  
12 long-term services trust program and a plan for how such costs would  
13 be reimbursed from the trust once it is operational;

14 (b) Determine the respective roles of the department of social  
15 and health services aging and long-term support administration, the  
16 health care authority, and the employment security department in  
17 program administration and operations;

18 (c) Identify a mechanism to capture potential medicaid savings  
19 that result from the program, and create a plan for how the state may  
20 work with the federal government to recoup medicaid savings.

21 The work group shall report the results of the study to joint  
22 legislative advisory committee on aging by November 1, 2017.
