- 1 (1)(a) The legislature finds that a robust maritime industry is 2 crucial for the state's economic vitality. The legislature further 3 finds that:
 - (i) The joint task force for economic resilience of maritime and manufacturing established policy goals to continue efforts towards developing a robust maritime industry in the state;
- 7 (ii) The maritime industry has a direct and indirect impact on 8 jobs in the state;
- 9 (iii) Many of the cities and towns impacted by the maritime 10 industry are often small with limited resources to encourage economic 11 growth, heavily relying on the maritime industry for local jobs and 12 revenues in the community;
- (iv) Keeping Washington competitive with other cruising destinations is essential to continue to build a robust maritime economy in the state; and
- 16 (v) Tax incentives are an imperative component to improve the 17 state's overall competitiveness in this sector.
 - (b) Therefore, the legislature intends to:

- (i) Bolster the maritime industry in the state by incentivizing larger vessel owners to use Washington waters for recreational boating to increase economic activity and jobs in coastal communities and inland water regions of the state;
- (ii) Achieve this objective in a fiscally responsible manner and require analysis of specific metrics to ensure valuable state resources are being used to accomplish the intended goal; and
 - (iii) Provide limited, short-term tax relief to entity-owned nonresident vessel owners that currently are not afforded the same benefits as other nonresident vessel owners.
 - (2)(a) This subsection is the tax preference performance statement for the entity-owned nonresident vessel tax preference established in section 803 of this act. The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.
- 36 (b) The legislature categorizes this tax preference as one 37 intended to accomplish the purposes indicated in RCW 82.32.808(2)(c) 38 and one intended to improve the state's competitiveness with other 39 nearby cruising destinations.

1 (c) It is the legislature's specific public policy objective to 2 increase economic activity and jobs related to the maritime industry 3 by providing a tax preference for large entity-owned nonresident 4 vessels to increase the length of time these vessels cruise 5 Washington waters in turn strengthening the maritime economy in the 6 state.

- (d) To measure the effectiveness of the tax preference provided in part ((XII [VIII] of this act)) VIII, chapter 6, Laws of 2015 3rd sp. sess. in achieving the public policy objective in (c) of this subsection, the joint legislative audit and review committee must provide the following in a published evaluation of this tax preference by December 31, 2024:
- (i) A comparison of the gross and taxable revenue generated by businesses that sell or provide maintenance or repair of vessels, prior to and after the enactment of this tax preference;
- (ii) Analysis of retail sales taxes collected from the restaurant and service industries in coastal and inlet coastal jurisdictions, for both counties and cities, for periods prior to and after the enactment of this tax preference;

- 23 (iv) Descriptive statistics for the number of permits sold each 24 year in addition to the following information:
 - (A) The cost for each permit by strata of vessel length;
 - (B) The jurisdiction of ownership for the nonresident vessel; and
- 27 (C) The amount of use tax that would have been due based on the 28 estimated value of the vessel;
 - (v) A comparison of the number of registered entity-owned and individually owned vessels registered in Washington prior to and after the enactment of this tax preference; and
 - (vi) Data and analysis for Washington's main cruising destination competitors, specifically looking at tax preferences provided in those jurisdictions, vessel industry income data, and any additional relevant information to compare Washington's maritime climate with its competitors.
- 37 (e) The provision of RCW 82.32.808(5) does not apply to this tax 38 preference.

- 1 **Sec. 304.** 2015 3rd sp.s. c 30 s 1 (uncodified) is amended to 2 read as follows:
 - This section is the tax preference performance statement for the tax preference contained in section 2 ((of this act)), chapter 30, Laws of 2015 3rd sp. sess. This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.
- 9 (1) The legislature categorizes this tax preference as one 10 intended to provide tax relief for certain businesses or individuals, 11 as indicated in RCW 82.32.808(2)(e).
 - (2) It is the legislature's specific public policy objective to provide tax relief to senior citizens, disabled persons, and veterans. The legislature recognizes that property taxes impose a substantial financial burden on those with fixed incomes and that property tax relief programs have considerable value in addressing this burden. It is the legislature's intent to increase the current statutory static income thresholds which were last modified in 2004.
- (3) ((The expansion of the items allowed to be deducted)) This tax preference is meant to be permanent and, therefore, not subject to the ten-year expiration provision in RCW 82.32.805(1)(a).

- 33 Automated sales suppression devices and phantom-ware
- 34 **Sec. 401.** RCW 82.32.670 and 2013 c 309 s 3 are each amended to 35 read as follows:

(1)(a) Automated sales suppression devices, phantom-ware, electronic cash registers or point of sale systems used with automated sales suppression devices or phantom-ware, and any property constituting proceeds traceable to any violation of RCW 82.32.290(4) are considered contraband and are subject to seizure and forfeiture.

- (b) Property subject to forfeiture under (a) of this subsection (1) may be seized by any agent of the department authorized to assess or collect taxes, or law enforcement officer of this state, upon process issued by any superior court or district court having jurisdiction over the property. Seizure without process may be made if:
- (i) The seizure is incident to an arrest or a search under a search warrant; or
- (ii) The department or the law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of RCW 82.32.290(4) and exigent circumstances exist making procurement of a search warrant impracticable.
- (2) Forfeiture authorized by this section is deemed to have commenced by the seizure. Notice of seizure must be given to the department if the seizure is made by a law enforcement officer without the presence of any agent of the department. The department must cause notice of the seizure and intended forfeiture to be served on the owner of the property seized, if known, and on any other person known by the department to have a right or interest in the seized property. Such service must be made within fifteen days following the seizure or the department's receipt of notification of the seizure. The notice may be served by any method authorized by law or court rule, by certified mail with return receipt requested, or electronically in accordance with RCW 82.32.135. Service by certified mail or electronic means is deemed complete upon mailing the notice, electronically sending the notice, or electronically notifying the person or persons entitled to the notice that the notice is available to be accessed by the person or persons, within the fifteen-day period following the seizure or the department's receipt notification of the seizure.
- (3) If no person notifies the department in writing of the person's claim of lawful ownership or right to lawful possession of the item or items seized within thirty days of the date of service of the notice of seizure and intended forfeiture, the item or items seized are deemed forfeited.

(4)(a) If any person notifies the department, in writing, of the person's claim of lawful ownership or lawful right to possession of the item or items seized within thirty days of the date of service of the notice of seizure and intended forfeiture, the person or persons must be afforded a reasonable opportunity to be heard as to the claim. The hearing must be before the director or the director's designee. A hearing and any administrative or judicial review is governed by chapter 34.05 RCW. The burden of proof by a preponderance of the evidence is upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the item or items seized.

- (b) The department must return the item or items to the claimant as soon as possible upon a determination that the claimant is the present lawful owner or is lawfully entitled to possession of the item or items seized.
- (5) When property is sought to be forfeited on the ground that it constitutes proceeds traceable to a violation of RCW 82.32.290(4), the department must prove by a preponderance of the evidence that the property constitutes proceeds traceable to a violation of RCW 82.32.290(4).
- (6)(a) When <u>automated sales suppression devices or phantom-ware voluntarily surrendered to an agent of the department, or property forfeited under this section, other than proceeds traceable to a violation of RCW 82.32.290(4), is no longer required for evidentiary purposes, the department may:</u>
 - (i) Destroy or have the property destroyed;
- 27 (ii) Retain the property for training or other official purposes; 28 or
 - (iii) Loan or give the property to any law enforcement or tax administration agency of any state, political subdivision or municipal corporation of a state, or the United States for training or other official purposes. For purposes of this subsection (6)(a)(iii), "state" has the same meaning as in RCW 82.04.462.
 - (b) When proceeds traceable to a violation of RCW 82.32.290(4) forfeited under this section are no longer required for evidentiary purposes, they must be deposited into the general fund.
 - (7) The definitions in this subsection apply to this section:
- 38 (a) "Automated sales suppression device" means a software program
 39 that falsifies the electronic records of electronic cash registers or
 40 other point of sale systems, including transaction data and

- transaction reports. The term includes the software program, any device that carries the software program, or an internet link to the software program.
 - (b) "Electronic cash register" means a device that keeps a register or supporting documents through the means of an electronic device or computer system designed to record transaction data for the purpose of computing, compiling, or processing sales transaction data in whatever manner.
 - (c) "Phantom-ware" means a programming option that is hidden, preinstalled, or installed-at-a-later-time in the operating system of an electronic cash register or other point of sale device, or hardwired into the electronic cash register or other point of sale device, and that can be used to create a virtual second till or may eliminate or manipulate transaction reports that may or may not be preserved in digital formats to represent the true or manipulated record of transactions in the electronic cash register or other point of sale device.
 - (d) "Transaction data" means information about sales transactions, including items purchased by a customer, the price for each item, a taxability determination for each item, a segregated tax amount for each of the taxed items, the amount of cash or credit tendered, the net amount returned to the customer in change, the date and time of the purchase, the name, address, and identification number of the vendor, and the receipt or invoice number of the transaction.

- (b) The department must adjust the surcharge by an amount that 3 the department estimates will cause the amount of funds deposited 4 into the forest and fish support account for the state fiscal year 5 б that begins July 1st and that includes the beginning of the federal 7 fiscal year for which the federal appropriation is made, to be reduced by twice the amount of the federal appropriation for 8 participation in forest and fish report-related activities by 9 federally recognized Indian tribes located within the geographical 10 11 boundaries of the state of Washington.
 - (c) Any adjustment in the surcharge takes effect at the beginning of a calendar month that is at least thirty days after the date that the office of financial management makes the certification under subsection (5) of this section.

 - (ii) The granting authority, upon request of an assessor, must provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance must be provided within thirty days of receipt of the request.
 - (2) Land may not be removed from classification because of:

1 (a) The creation, sale, or transfer of forestry riparian 2 easements under RCW 76.13.120; or

- (3) Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.
- (4) Unless the removal is reversed on appeal, the assessor must revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification must be listed and taxes must be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty must be imposed, which are due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax, applicable interest, and penalty. As soon as possible, the assessor must compute the amount of additional tax, applicable interest, and penalty and the treasurer must mail notice to the owner of the amount thereof and the date on which payment is due. The amount of the additional tax, applicable interest, and penalty must be determined as follows:
- (a) The amount of additional tax is equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timberland" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;
- (b) The amount of applicable interest is equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

- 1 (c) The amount of the penalty is as provided in RCW 84.34.080. 2 The penalty may not be imposed if the removal satisfies the 3 conditions of RCW 84.34.070.
- (5) Additional tax, applicable interest, and penalty become a 4 lien on the land ((which)). The lien attaches at the time the land is 5 6 removed from classification under this chapter and ((have)) has 7 priority to and must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility 8 9 to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency 10 11 and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. - (E) If no address for the purchaser is obtained during the consummation of the sale, the address where the digital good or digital code is first made available for transmission by the seller or the address from which the digital automated service or service described in RCW 82.04.050 (2)(g) or $(6)((\frac{b}{b}))$ (c) was provided, disregarding for these purposes any location that merely provided the digital transfer of the product sold.

The taxpayer will be responsible for petitioning 18 the city to use an alternative method under this subsection (1)(b)(ii). The city may employ an alternative method for allocating 19 the income from the sale of digital products if the methods provided 20 21 in (b)(i)(A) through (E) of this subsection (1) are not available and the taxpayer and the city are unable to mutually agree on an 22 alternative method to effectuate an equitable allocation of income 23 from the sale of digital products. 24

 34 takes place in more than one city and all cities impose a gross
 35 receipts tax, a credit must be allowed as provided in RCW 35.102.060;
 36 if not all of the cities impose a gross receipts tax, the affected
 37 cities must allow another credit or allocation system as they and the
 38 taxpayer agree.

1 (2) Gross income derived as royalties from the granting of 2 intangible rights must be allocated to the commercial domicile of the 3 taxpayer.

- (3) Gross income derived from activities taxed as services shall be apportioned to a city by multiplying apportionable income by a fraction, the numerator of which is the payroll factor plus the service-income factor and the denominator of which is two.
- (a) The payroll factor is a fraction, the numerator of which is the total amount paid in the city during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period. Compensation is paid in the city if:

1 (i) Separate accounting;

- (ii) The use of a single factor;
- 3 (iii) The inclusion of one or more additional factors that will 4 fairly represent the taxpayer's business activity in the city; or

- 37 (h) "Taxable in the customer location" means either that a
 38 taxpayer is subject to a gross receipts tax in the customer location

2 Clarifying that licensing information may not be disclosed for commercial purposes

4 **Sec. 701.** RCW 19.02.115 and 2013 c 144 s 26 are each amended to read as follows:

- (1) ((For purposes of this section:)) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
- 9 (a) "Disclose" means to make known to any person in any manner 10 licensing information((\div)).
- 11 (b) "Licensing information" means any information created or 12 obtained by the department in the administration of this chapter and chapters 19.80 and 59.30 RCW, which information relates to any person 13 who: (i) Has applied for or has been issued a license or trade name; 14 15 or (ii) has been issued an assessment or delinquency fee. Licensing 16 information includes initial and renewal business 17 applications, and business licenses((\div)).
- 18 (c) "Person" has the same meaning as in RCW 82.04.030 and also includes the state and the state's departments and institutions((\div 20 and)).
- 21 (d) "State agency" means every Washington state office, 22 department, division, bureau, board, commission, or other state 23 agency.
 - (2) Licensing information is confidential and privileged, and except as authorized by this section, neither the department nor any other person may disclose any licensing information. Nothing in this chapter requires any person possessing licensing information made confidential and privileged by this section to delete information from such information so as to permit its disclosure.
- 30 (3) This section does not prohibit the department of revenue, or 31 any other person receiving licensing information from the department 32 under this subsection, from:
- 33 (a) Disclosing licensing information in a civil or criminal judicial proceeding or an administrative proceeding:
- 35 (i) In which the person about whom such licensing information is 36 sought and the department, another state agency, or a local 37 government are adverse parties in the proceeding; or

- 1 (ii) Involving a dispute arising out of the department's 2 administration of chapter 19.80 or 59.30 RCW, or this chapter if the 3 licensing information relates to a party in the proceeding;
- (b) Disclosing, subject to such requirements and conditions as 4 the director prescribes by rules adopted pursuant to chapter 34.05 5 б RCW, such licensing information regarding a license applicant or license holder to such license applicant or license holder or to such 7 person or persons as that license applicant or license holder may 8 designate in a request for, or consent to, such disclosure, or to any 9 other person, at the license applicant's or license holder's request, 10 11 to the extent necessary to comply with a request for information or 12 assistance made by the license applicant or license holder to such other person. However, licensing information not received from the 13 license applicant or holder must not be so disclosed if the director 14 determines that such disclosure would compromise any investigation or 15 16 litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the license 17 applicant, license holder, or another person, or that such disclosure 18 would identify a confidential informant, or that such disclosure is 19 contrary to any agreement entered into by the department that 20 provides for the reciprocal exchange of information with other 21 government agencies, which agreement requires confidentiality with 22 respect to such information unless such information is required to be 23 disclosed to the license applicant or license holder by the order of 24 25 any court;
 - (c) Publishing statistics so classified as to prevent the identification of particular licensing information;

This subsection may not be construed as giving authority to the department to give, sell, or provide access to any list of persons for any commercial purpose;
 - (h) Disclosing licensing information that is also maintained by another Washington state or local governmental agency as a public record available for inspection and copying under the provisions of chapter 42.56 RCW or is a document maintained by a court of record and is not otherwise prohibited from disclosure;
