By Representative Manweller

WITHDRAWN 04/07/2017

1 On page 3, line 15 of the striking amendment, after "drugs."
2 insert "Nothing in this provision imposes a duty on an agritourism
3 professional to make an affirmative determination as to whether a
4 participant in an agritourism activity is under the influence of
5 alcohol or drugs."

EFFECT: Modifies one of the exceptions to the immunity provided to agritourism professionals (the exception stating that an agritourism professional who "knowingly permits participants to use facilities or engage in agritourism activities while under the influence of alcohol or drugs" does not receive immunity) by adding a sentence stating that the exception does not impose a duty on an agritourism professional to make an affirmative determination as to whether a participant in an agritourism activity is under the influence of alcohol or drugs.
