

SSB 6620 - S AMD 926

By Senator Wilson

1 On page 3, line 8, after "chiefs" insert "in coordination with
2 the association of public safety communications officials and the
3 office of the superintendent of public instruction"

4 On page 3, beginning on line 12, after "should be" strike
5 "incorporated into, or interoperable with," and insert "interoperable
6 with"

7 On page 6, line 13, after "responder agency" insert "or the
8 public safety answering point"

9 On page 6, line 14, after "agency" insert "or public safety
10 answering point"

11 On page 6, beginning on line 20, after "(b)" strike all material
12 through "employees" on line 23 and insert "A first responder agency
13 or public safety answering point, including its officers, agents, and
14 employees, are not liable for any act, or failure to act, under this
15 subsection unless the agency or public safety answering point"

16 On page 11, line 19, after "fire departments," insert
17 "association of public safety communications officials,"

EFFECT: Requires WASPC to work in coordination with the Association of Public Safety Communications Officials (APCO) and OSPI in developing and implementing an emergency response system. Requires the Public Safety Answering Point to also notify other schools in the vicinity if the PSAP is notifying a school of a situation that may necessitate an evacuation or lockdown. Includes APCO as a participant in the annual school safety summit.
