Background:

Services and activities (S&A) fees are used to fund student activities and programs. Governing boards at institutions of higher education may increase the S&A fee annually. The authorizing statute provides that the annual increase may not exceed the percentage increase of the annual percentage increase in student tuition fees for resident undergraduate students. The percentage increase does not apply to that portion of the S&A fees previously committed to the repayment of bonded debt. Those adjustments may exceed the fiscal growth factor. In

the 2013-15 and 2015-17 fiscal biennia, the Legislature authorized governing boards to increase the S&A fees by amounts judged reasonable and necessary by the S&A fee committee and the governing board, as opposed to having the increase tied to tuition.

Each institution has an S&A fee committee, and students have a majority of the voting membership on the committee. Student groups and campus programs submit proposals to the S&A fee committee, which reviews the proposals and recommends how S&A fees should be allocated. The S&A fee committee recommends a final budget to the institution's governing board, which is required to give priority consideration to the committee's recommendations.

Summary of Substitute Bill:

The provision limiting the annual increase of S&A fees to the percentage increase in student tuition fees is removed for the four-year public institutions, and instead, S&A fees may be increased by amounts judged reasonable and necessary by the S&A fee committee and the governing board.

Substitute Bill Compared to Original Bill:

The substitute retains current law for S&A fee increases at community and technical colleges.

Appropriation: None.

Fiscal Note: Available.

Effective Date of Substitute Bill: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) This bill is for and by students. It does in statute what the Legislature has already been doing in the budget. The S&A fee committees consist of a majority of students, and they vote on whether to increase their own fee. Students know what their campus and students need. The S&A fees fund programs like the LGBTQ centers, child care centers, and student recreation centers. Students are deeply invested in their schools, and this bill gives students autonomy to better manage their own needs.

(Opposed) None.
