Background:

The Commercially Sexually Exploited Children Statewide Coordinating Committee (Committee) was established in 2013 to address the issue of children who are commercially sexually exploited, examine the practices of local and regional entities involved in addressing sexually exploited children, and make recommendations on statewide laws and practices. The committee must meet at least annually.

The Committee is convened by the Office of the Attorney General. The Department of Commerce assists the Office of the Attorney General with the Committee agenda planning and administrative and clerical support.

The Committee members include representatives of:

- each caucus in the House of Representatives and the Senate;
- the Office of the Governor;
- the Children's Administration;
- the Juvenile Rehabilitation Administration;
- the Office of the Attorney General;

- representatives from organizations providing inpatient chemical dependency treatment and mental health treatment; and
- a survivor of human trafficking.

The duties of the Committee include but are not limited to: overseeing and reviewing the implementation of the Washington State Model Protocol for Commercially Sexually Exploited Children; receiving reports and data from local and regional entities regarding the incidence of commercially sexually exploited children in their areas; reviewing recommendations from local and regional entities regarding policy changes that would improve the effectiveness of local response practices; and making recommendations regarding data collection and strategic local investments to address the commercial sexual exploitation of children.

In 2015 the Legislature assigned additional duties to the Committee related to reviewing implementation of Engrossed Substitute Senate Bill 6476 (ESSB 6746), which was legislation enacted in 2010 that made a number of changes to address issues related to commercially sexually exploited children. The Committee was required to report its findings regarding this review to the Legislature by February 1, 2016.

The Committee expires on June 30, 2017, and must report its findings by that date to the appropriate committees of the Legislature and to any other known statewide committees addressing trafficking or the commercial sex trade.

Summary of Bill:

The Committee's expiration date is extended to June 30, 2023. The reporting requirement is changed to an annual requirement, and the Committee must report on recommendations, as well as findings. The statutory reference to the reporting due date regarding the review of the implementation of ESSB 6476 (2010) is stricken, making that review an ongoing requirement.

Appropriation: None.

Fiscal Note: Requested on February 10, 2017.

Effective Date: The bill contains an emergency clause and takes effect immediately.
