*This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.*

Checks, credit or debit cards, prepaid accounts, electronic fund transfers, and other similar methods approved by the Liquor and Cannabis Board may be used as cash payment with respect to transactions among liquor retailers, manufacturers, importers, or distributors. Electronic fund transfers must be voluntary, conducted pursuant to a written agreement, initiated no later than the first business day following delivery, and completed as promptly as is reasonably practical, but no later than five business days following delivery.

**Summary of Substitute Bill:**

The substitute bill authorizes a licensed distributor of spirits and/or wine to impose a credit card fee on a purchaser licensed to sell spirits and/or wine for on-premises consumption provided:

- the decision to make payment by credit card is voluntary;
- the credit card fee is explicitly disclosed as a separate line item on the distributor's invoice; and
- the dollar amount of the fee is the same as the actual fee charged by the credit card issuer for the transaction.

**Appropriation:** None.

**Fiscal Note:** Available.

**Effective Date:** The bill takes effect 90 days after adjournment of the session in which the bill is passed.

**Staff Summary of Public Testimony:**

(In support) This bill would allow liquor distributors to charge a credit card fee to those restaurants that opt to use a credit card to pay for liquor purchases. It requires the distributor to include the dollar amount of the credit card transaction fee as a line item on the sales invoice. The bill simply requires that the distributor explicitly disclose the amount of the credit card fees being charged. Using credit cards for payment is convenient for many restaurants and this bill would make the process more transparent. This benefits both distributors and restaurants. The bill should be amended so as to limit the amount of the credit card fee that may be imposed to the actual fee charged by the credit card issuer for the transaction. It should also be amended so as to extend these credit card requirements to wholesale liquor sales between other commercial liquor businesses.

(Opposed) None.
