### HB 2665

**Brief Description:** Eliminating certain requirements for the annexation of an unincorporated island of territory.

**Sponsors:** Representatives Macri and Appleton.

#### Brief Summary of Bill

- Allows a code city to annex an island of unincorporated territory by adopting an ordinance that is not subject to a referendum.
- Allows a code city to annex an island of unincorporated territory without boundary review board approval.

**Hearing Date:** 1/23/18

**Staff:** Cassie Jones (786-7303).

#### Background:

A code city may annex unincorporated "islands" of territory within the city using certain procedures. The city council may initiate annexation proceedings by resolution if the area of the proposed annexation:

1. contains less than 175 acres and all of its boundaries are contiguous to the city; or
2. is of any size, contains residential property owners, and at least 80 percent of its boundaries are contiguous to the city. Annexations conducted under this provision must be within the same county and urban growth area as the city, and the city must be planning under the Growth Management Act.

The resolution must describe the boundaries of the area to be annexed, state the number of voters within the subject area, and set a date for a public hearing on the annexation resolution. Notice of the hearing must be given by publication at least once a week for two weeks prior to the date of the hearing in one or more newspapers of general circulation within the code city and within the area to be annexed. At the hearing, residents or property owners of the area to be annexed

must be afforded an opportunity to be heard. The city legislative body may then adopt an ordinance annexing the territory; the effective date of this ordinance may not be less than 45 days after its passage.

During the 45 days after passage of the ordinance, it is subject to a referendum. To initiate a referendum on the annexation, a referendum petition must be signed by qualified electors in number equal to not less than 10 percent of the votes cast in the last general state election in the area to be annexed. If a timely and sufficient petition is filed with the city legislative authority, the question of annexation is submitted to the voters. The annexation is approved if a majority of those voting on the proposition vote in favor of it.

Such annexations must also be approved by a boundary review board (board), if one has been established in the county. Boards are authorized to guide and control the creation and growth of municipalities. Upon receiving a request for review, and following an invocation of a board's jurisdiction, a board must review and approve, disapprove, or modify proposed actions, including actions pertaining to the creation, incorporation, or change in the boundary of any city, town, or special purpose district.

**Summary of Bill:**

A code city ordinance that annexes an unincorporated island of territory is not subject to a referendum or boundary review board approval.

**Appropriation:** None.

**Fiscal Note:** Requested on January 17, 2018.

**Effective Date:** The bill takes effect 90 days after adjournment of the session in which the bill is passed.
