Hearing Date: 2/1/17

Staff: Alyssa Ball (786-7140).

Background:

The Washington State Transportation Commission (WSTC) is responsible for naming state transportation facilities, including highways and bridges. The WSTC's policy states "A naming is done in a thorough and deliberative manner to honor and institute an enduring memory of a person or group of people who have contributed significantly to the well-being of the state or nation and with the widespread support of the people from the area in which the facility is located." In order for the WSTC to consider a proposal, the requesting entity must provide sufficient evidence indicating community support and acceptance of the proposal. This evidence can include a letter or support from the state or federal legislator representing the area encompassing the facility to be renamed. Other evidence that can provide proof of community support includes a resolution passed by other elected bodies in the impacted area, Washington State Department of Transportation (WSDOT) support, and supportive action from a local organization such as a chamber of commerce.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Upon passage of a joint memorial requesting the naming of a facility, the WSTC holds a public hearing prior to taking action. After the WSTC takes final action, the WSDOT designs and installs the appropriate signs.

Summary of Bill:

The WSTC is requested to commence proceedings to name State Route 395 the "Thomas S. 'Tom' Foley Memorial Highway."

Appropriation: None.
