### SENATE COMMITTEE ON TRANSPORTATION

**Staff:** Kellee Keegan (786-7429)

**Background:** A person who owns a vehicle in the state of Washington must register their vehicle with the Department of Licensing (DOL), a DOL agent or subagent, or county auditor within 30 days of moving to the state or within 15 days after acquiring the vehicle by purchase, exchange, gift, lease inheritance, or legal action. After original registration, the vehicle owner must renew their vehicle registration annually. At renewal, the vehicle receives a new vehicle tab that indicates the month it expires the following year. The taxes and fees paid at original registration and at renewal can vary depending on what kind of vehicle it is, if the vehicle is registered in an area that is within a Transportation Benefit District or Regional Transit Authority area, or whether the driver chose to have a special or personalized license plate.

Fees that are paid annually at registration may include a:

- filing fee;
- motor vehicle weight fee or a license fee by weight;

**Appropriation:** None.

**Fiscal Note:** Available.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** The bill takes effect on January 1, 2019.

**Staff Summary of Public Testimony on Proposed Substitute:** PRO: This simply creates a two-year registration option. It's important to maintain important revenue streams to counties. This brings in enough for one county sheriff deputy. Counties and sub-agents are supportive. This bill is consistent with the taxes and fees that are paid. It's great that this bill provides an option and is phased in.

**Persons Testifying:** PRO: Senator Brad Hawkins, Prime Sponsor; Thad Duvall, Washington State Association of County Auditors; Corry Cavin, Washington Association of Vehicle Sub Agents (WAV).

**Persons Signed In To Testify But Not Testifying:** No one.
