

SENATE BILL REPORT

SB 6070

As Amended by House, March 1, 2018

Title: An act relating to establishing permissible methods of parking a motorcycle.

Brief Description: Establishing permissible methods of parking a motorcycle.

Sponsors: Senators Fortunato and Hasegawa.

Brief History:

Committee Activity: Transportation: 1/17/18, 1/23/18 [DP, w/oRec].

Floor Activity:

Passed Senate: 1/31/18, 45-1.

Passed House: 3/01/18, 98-0.

Brief Summary of Bill

- Authorizes motorcycles to park at an angle on any highway so long as it does not extend into the roadway.
- Allows more than one motorcycle to be parked per parking space so long as the motorcycles do not exceed the boundaries of the parking space.

SENATE COMMITTEE ON TRANSPORTATION

Majority Report: Do pass.

Signed by Senators Hobbs, Chair; Saldaña, Vice Chair; King, Ranking Member; Chase, Cleveland, Dhingra, Fortunato, McCoy, O'Ban, Sheldon, Takko, Wellman and Zeiger.

Minority Report: That it be referred without recommendation.

Signed by Senator Liias.

Staff: Kim Johnson (786-7472)

Background: Generally, vehicles on a two-way roadway are required to be parked with the right-hand wheels parallel to, and within 12 inches of, the right-hand curb or right-hand shoulder of the road. Vehicles on a one-way roadway, unless provided otherwise by a local ordinance, must be parked parallel to, and within 12 inches of, either the right hand or left hand curb or shoulder of the road.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Local governments may allow angle parking on any roadway, however if the roadway is a federal-aid or state highway, the secretary of transportation must have determined that the roadway is wide enough to permit angle parking without interfering with free movement of traffic.

Summary of Bill: Motorcycles may park parallel or at an angle to the curb or edge of a highway with at least one wheel or fender within 12 inches of the curb or shoulder nearest to which the motorcycle is parked.

A motorcycle may not be parked so that it extends into the roadway.

More than one motorcycle may occupy a parking space, provided that the motorcycles do not exceed the boundaries of the parking space.

The discretion of the secretary of transportation to determine whether the roadway is wide enough to accommodate angle parking on a federal-aid or state highway is removed as it applies to motorcycle parking.

Appropriation: None.

Fiscal Note: Not requested.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: PRO: This bill formally legalizes the way motorcyclists have always parked. Some municipalities have looked at the laws on parking and started strictly enforcing the provisions that require any vehicle to park parallel to the curb and only one vehicle per space. People are getting \$125 tickets—this is ridiculous. You can fit a number of motorcycles in one parking space when parked at an angle. Why would you waste the space by requiring parallel parking. Parking ticket revenues stay local so there is huge incentive for the local governments to keep issuing tickets, especially when there are motorcycle related events. That is almost \$1,000 per parking spot in ticket revenues. We are asking for a common sense fix to clarify that motorcycles are allowed to angle park and can have more than one motorcycle per space.

Persons Testifying: PRO: Senator Phil Fortunato, Prime Sponsor; Brian Lange, ABATE of Washington; Louise Bentley, ABATE of Washington.

Persons Signed In To Testify But Not Testifying: No one.

EFFECT OF HOUSE AMENDMENT(S):

- Permits a local jurisdiction to prohibit the angled parking of motorcycles on a one-way or two-way highway, if the local jurisdiction passes an ordinance and posts visible signage at any location to which the prohibition applies.
