State of Washington

65th Legislature

2017 Regular Session

By House Public Safety (originally sponsored by Representatives Jinkins, Fey, Sawyer, Kirby, Stambaugh, Muri, Kilduff, Appleton, and Goodman)

READ FIRST TIME 02/13/17.

1 AN ACT Relating to creating the safe streets pilot project;
2 adding a new section to chapter 43.330 RCW; creating a new section;
3 and providing an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that community
6 engagement is a foundational principle of successful community
7 policing. When individuals are encouraged to partner with law
8 enforcement, a powerful alliance can be built on mutual trust and
9 respect to achieve their shared goals of improving safety and quality
10 of life, identifying priorities in need of law enforcement resources,
11 and further ensuring that services are tailored to the needs of local
12 communities.

13 The legislature recognizes current efforts in Washington to
14 mobilize communities to insist on accountable and engaged public
15 safety and to establish cooperative lines of communication between
16 civilians and law enforcement, including the laudable efforts of the
17 safe streets campaign in Pierce county to reverse crime trends by
18 engaging the community and law enforcement in cooperative efforts to
19 improve public safety.

20 The legislature intends to foster efforts to promote community
21 engagement through the creation of the safe streets pilot project.

1 The safe streets pilot project will facilitate the empowerment of
2 communities to engage in crime prevention efforts through neighborhood
3 organizing, law enforcement-community partnerships, neighborhood
4 watch programs, youth mobilization, and business engagement. The
5 legislature intends to use the safe streets pilot project to measure
6 and examine the impact of safe streets initiatives on community
7 engagement, criminal activity, and improved community-police
8 relationships, and evaluate whether the safe streets initiative is a
9 model for other communities to improve public safety.
