5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 **Sec. 1.** RCW 49.12.470 and 2014 c 131 s 1 are each amended to
7 read as follows:

8 (1) The director shall establish a farm internship pilot project
9 until December 1, 2017, for the employment of farm interns on small
10 farms under special certificates at wages, if any, as authorized by
11 the department and subject to such limitations as to time, number,
12 proportion, and length of service as provided in this section and as
13 prescribed by the department. The pilot project consists of the
14 following counties: San Juan, Skagit, King, Whatcom, Kitsap, Pierce,
15 Jefferson, Spokane, Yakima, Chelan, Grant, Island, Snohomish,
16 Kittitas, Lincoln, (~~and~~) Thurston, Clark, Cowlitz, and Lewis.

17 (2) A small farm may employ no more than three interns at one
18 time under this section.

19 (3) A small farm must apply for a special certificate on a form
20 made available by the director. The application must set forth: The
21 name of the farm and a description of the farm seeking the

1 certificate; the type of work to be performed by a farm intern; a
2 description of the internship program; the period of time for which
3 the certificate is sought and the duration of an internship; the
4 number of farm interns for which a special certificate is sought; the
5 wages, if any, that will be paid to the farm intern; any room and
6 board, stipends, and other remuneration the farm will provide to a
7 farm intern; and the total number of workers employed by the farm.

8 (4) Upon receipt of an application, the department shall review
9 the application and issue a special certificate to the requesting
10 farm within fifteen days if the department finds that:

11 (a) The farm qualifies as a small farm;

12 (b) There have been no serious violations of chapter 49.46 RCW or
13 Title 51 RCW that provide reasonable grounds to believe that the
14 terms of an internship agreement may not be complied with;

15 (c) The issuance of a certificate will not create unfair
16 competitive labor cost advantages nor have the effect of impairing or
17 depressing wage or working standards established for experienced
18 workers for work of a like or comparable character in the industry or
19 occupation at which the intern is to be employed;

20 (d) A farm intern will not displace an experienced worker; and

21 (e) The farm demonstrates that the interns will perform work for
22 the farm under an internship program that: (i) Provides a curriculum
23 of learning modules and supervised participation in farm work
24 activities designed to teach farm interns about farming practices and
25 farm enterprises; (ii) is based on the bona fide curriculum of an
26 educational or vocational institution; and (iii) is reasonably
27 designed to provide the intern with vocational knowledge and skills
28 about farming practices and enterprises. In assessing an internship
29 program, the department may consult with relevant college and
30 university departments and extension programs and state and local
31 government agencies involved in the regulation or development of
32 agriculture.

33 (5) A special certificate issued under this section must specify
34 the terms and conditions under which it is issued, including: The
35 name of the farm; the duration of the special certificate allowing
36 the employment of farm interns and the duration of an internship; the
37 total number of interns authorized under the special certificate; the
38 authorized wage rate, if any; and any room and board, stipends, and
39 other remuneration the farm will provide to the farm intern. A farm
40 worker may be paid at wages specified in the certificate only during

1 the effective period of the certificate and for the duration of the
2 internship.

3 (6) If the department denies an application for a special
4 certificate, notice of denial must be mailed to the farm. The farm
5 listed on the application may, within fifteen days after notice of
6 such action has been mailed, file with the director a petition for
7 review of the denial, setting forth grounds for seeking such a
8 review. If reasonable grounds exist, the director or the director's
9 authorized representative may grant such a review and, to the extent
10 deemed appropriate, afford all interested persons an opportunity to
11 be heard on such review.

12 (7) Before employing a farm intern, a farm must submit a
13 statement on a form made available by the director stating that the
14 farm understands: The requirements of the industrial welfare act,
15 this chapter ((49.12-RCW)), that apply to farm interns; that the farm
16 must pay workers' compensation premiums in the assigned intern risk
17 class and must pay workers' compensation premiums for nonintern work
18 hours in the applicable risk class; and that if the farm does not
19 comply with subsection (8) of this section, the director may revoke
20 the special certificate.

21 (8) The director may revoke a special certificate issued under
22 this section if a farm fails to: Comply with the requirements of the
23 industrial welfare act, this chapter ((49.12-RCW)), that apply to
24 farm interns; pay workers' compensation premiums in the assigned
25 intern risk class; or pay workers' compensation premiums in the
26 applicable risk class for nonintern work hours.

27 (9) Before the start of a farm internship, the farm and the
28 intern must sign a written agreement and send a copy of the agreement
29 to the department. The written agreement must, at a minimum:

30 (a) Describe the internship program offered by the farm,
31 including the skills and objectives the program is designed to teach
32 and the manner in which those skills and objectives will be taught;

33 (b) Explicitly state that the intern is not entitled to
34 unemployment benefits or minimum wages for work and activities
35 conducted pursuant to the internship program for the duration of the
36 internship;

37 (c) Describe the responsibilities, expectations, and obligations
38 of the intern and the farm, including the anticipated number of hours
39 of farm activities to be performed by and the anticipated number of
40 hours of curriculum instruction provided to the intern per week;

1 (d) Describe the activities of the farm and the type of work to
2 be performed by the farm intern; and

3 (e) Describes any wages, room and board, stipends, and other
4 remuneration the farm will provide to the farm intern.

5 (10) The department must limit the administrative costs of
6 implementing the internship pilot program by relying on farm
7 organizations and other stakeholders to perform outreach and inform
8 the farm community of the program and by limiting employee travel to
9 the investigation of allegations of noncompliance with program
10 requirements.
