SECOND ENGROSSED SUBSTITUTE HOUSE BILL 2114

---

State of Washington                      65th Legislature                      2017 Regular Session

By House Health Care & Wellness (originally sponsored by Representatives Cody and Pollet; by request of Insurance Commissioner)

READ FIRST TIME 02/17/17.

1            AN ACT Relating to protecting consumers from charges for out-of-  
2 network health services; amending RCW 48.43.005, 48.43.093,  
3 18.130.050, 18.130.180, and 41.05.017; adding new sections to chapter  
4 48.43 RCW; adding a new section to chapter 70.41 RCW; adding a new  
5 section to chapter 70.230 RCW; adding a new section to chapter 43.371  
6 RCW; creating a new section; prescribing penalties; providing an  
7 effective date; and providing an expiration date.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9            NEW SECTION.      **Sec. 1.**      The legislature finds that consumers  
10 receive surprise bills or balance bills for services provided by out-  
11 of-network health care providers at in-network facilities, and it is  
12 the intent of the legislature to ban the balance billing of consumers  
13 for all fully insured, regulated insurance plans and plans offered to  
14 public employees. The legislature further declares that consumers  
15 must not be placed in the middle of contractual disputes between  
16 providers and health insurance carriers. The legislature intends to  
17 remove consumers from such disputes by banning balance billing and  
18 requiring that payments for noncontracted providers be made directly  
19 to providers rather than to consumers. Facilities, providers, and  
20 health insurance carriers all share responsibility to ensure  
21 consumers have transparent information on network providers and

1 benefit coverage, and the insurance commissioner has the  
2 responsibility to ensure networks are adequate and include sufficient  
3 contracted providers to reasonably ensure consumers have in-network  
4 access for covered benefits.

5 **Sec. 2.** RCW 48.43.005 and 2016 c 65 s 2 are each amended to read  
6 as follows:

15 termination of, or a failure to provide or make payment, in whole or

18 determination of an enrollee's or applicant's eligibility to  
19 participate in a plan, and including, with respect to group health  
20 plans, a denial, reduction, or termination of, or a failure to  
21 provide or make payment, in whole or in part, for a benefit resulting  
22 from the application of any utilization review, as well as a failure

30 (1) When conducting a review of the necessity and appropriateness  
31 of emergency services or making a benefit determination for emergency  
32 services:

33 (a) A health carrier shall cover emergency services necessary to  
34 screen and stabilize a covered person if a prudent layperson acting  
35 reasonably would have believed that an emergency medical condition  
36 existed. In addition, a health carrier shall not require prior  
37 authorization of ~~((such))~~ emergency services provided prior to the  
38 point of stabilization if a prudent layperson acting reasonably would  
39 have believed that an emergency medical condition existed. With

1 respect to care obtained from (~~a nonparticipating~~) an out-of-  
2 network hospital emergency department, a health carrier shall cover  
3 emergency services necessary to screen and stabilize a covered person  
4 (~~if a prudent layperson would have reasonably believed that use of a~~  
5 ~~participating hospital emergency department would result in a delay~~  
6 ~~that would worsen the emergency, or if a provision of federal, state,~~  
7 ~~or local law requires the use of a specific provider or facility)).~~  
8 In addition, a health carrier shall not require prior authorization  
9 of (~~such~~) the services provided prior to the point of stabilization  
10 (~~if a prudent layperson acting reasonably would have believed that~~  
11 ~~an emergency medical condition existed and that use of a~~  
12 ~~participating hospital emergency department would result in a delay~~  
13 ~~that would worsen the emergency)).~~

14 (b) If an authorized representative of a health carrier  
15 authorizes coverage of emergency services, the health carrier shall  
16 not subsequently retract its authorization after the emergency  
17 services have been provided, or reduce payment for an item or service  
18 furnished in reliance on approval, unless the approval was based on a  
19 material misrepresentation about the covered person's health  
20 condition made by the provider of emergency services.

21 (c) Coverage of emergency services may be subject to applicable  
22 in-network copayments, coinsurance, and deductibles, (~~and a health~~  
23 ~~carrier may impose reasonable differential cost sharing arrangements~~  
24 ~~for emergency services rendered by nonparticipating providers, if~~  
25 ~~such differential between cost sharing amounts applied to emergency~~  
26 ~~services rendered by participating provider versus nonparticipating~~  
27 ~~provider does not exceed fifty dollars. Differential cost sharing for~~  
28 ~~emergency services may not be applied when a covered person presents~~  
29 ~~to a nonparticipating hospital emergency department rather than a~~  
30 ~~participating hospital emergency department when the health carrier~~  
31 ~~requires preauthorization for postevaluation or poststabilization~~  
32 ~~emergency services if:~~

33 (~~i) Due to circumstances beyond the covered person's control, the~~  
34 ~~covered person was unable to go to a participating hospital emergency~~  
35 ~~department in a timely fashion without serious impairment to the~~  
36 ~~covered person's health; or~~

37 (~~ii) A prudent layperson possessing an average knowledge of~~  
38 ~~health and medicine would have reasonably believed that he or she~~  
39 ~~would be unable to go to a participating hospital emergency~~  
40 ~~department in a timely fashion without serious impairment to the~~

1 ~~covered person's health~~) as provided in sections 4 through 15 of  
2 this act.

3 ~~((d))~~ (2) If a health carrier requires preauthorization for  
4 postevaluation or poststabilization services, the health carrier  
5 shall provide access to an authorized representative twenty-four  
6 hours a day, seven days a week, to facilitate review. In order for  
7 postevaluation or poststabilization services to be covered by the  
8 health carrier, the provider or facility must make a documented good  
9 faith effort to contact the covered person's health carrier within  
10 thirty minutes of stabilization, if the covered person needs to be  
11 stabilized. The health carrier's authorized representative is  
12 required to respond to a telephone request for preauthorization from  
13 a provider or facility within thirty minutes. Failure of the health  
14 carrier to respond within thirty minutes constitutes authorization  
15 for the provision of immediately required medically necessary  
16 postevaluation and poststabilization services, unless the health  
17 carrier documents that it made a good faith effort but was unable to  
18 reach the provider or facility within thirty minutes after receiving  
19 the request.

20 ~~((e))~~ (3) A health carrier shall immediately arrange for an  
21 alternative plan of treatment for the covered person if ~~((a~~  
22 ~~nonparticipating))~~ an out-of-network emergency provider and health  
23 ~~((plan))~~ carrier cannot reach an agreement on which services are  
24 necessary beyond those immediately necessary to stabilize the covered  
25 person consistent with state and federal laws.

26 ~~((2))~~ (4) Nothing in this section is to be construed as  
27 prohibiting the health carrier from requiring notification within the  
28 time frame specified in the contract for inpatient admission or as  
29 soon thereafter as medically possible but no less than twenty-four  
30 hours. Nothing in this section is to be construed as preventing the  
31 health carrier from reserving the right to require transfer of a  
32 hospitalized covered person upon stabilization. Follow-up care that  
33 is a direct result of the emergency must be obtained in accordance  
34 with the health plan's usual terms and conditions of coverage. All  
35 other terms and conditions of coverage may be applied to emergency  
36 services.

37 NEW SECTION. **Sec. 4.** This subchapter may be known and cited as  
38 the balance billing protection act.

1        NEW SECTION.    **Sec. 5.**    (1) An out-of-network provider or facility  
2 may not balance bill an enrollee for the following health care  
3 services:

4        (a) Emergency services provided to an enrollee; and

5        (b) Nonemergency health care services provided to an enrollee at  
6 an in-network hospital licensed under chapter 70.41 RCW or an in-  
7 network ambulatory surgical facility licensed under chapter 70.230  
8 RCW if the services:

9        (i) Involve surgical or ancillary services; and

10       (ii) Are provided by an out-of-network provider.

11       (2) Payment for services described in subsection (1) of this  
12 section is subject to sections 6 and 7 of this act.

13       (3) For purposes of this subchapter, "surgical or ancillary  
14 services" means surgery, anesthesiology, pathology, radiology,  
15 laboratory, or hospitalist services.

16       NEW SECTION.    **Sec. 6.**    (1) If an enrollee receives emergency or  
17 nonemergency health care services under the circumstances described  
18 in section 5 of this act:

19       (a) The enrollee satisfies his or her obligation to pay for the  
20 health care services if he or she pays the in-network cost-sharing  
21 amount specified in the enrollee's or applicable group's health plan  
22 contract;

23       (b) The carrier, out-of-network provider, or out-of-network  
24 facility, and an agent, trustee, or assignee of the carrier, out-of-  
25 network provider, or out-of-network facility must ensure that the  
26 enrollee incurs no greater cost than he or she would have incurred if  
27 the services had been provided by an in-network provider or at an in-  
28 network facility;

29       (c) The out-of-network provider or out-of-network facility, and  
30 an agent, trustee, or assignee of the out-of-network provider or out-  
31 of-network facility:

32       (i) May not balance bill or otherwise attempt to collect from the  
33 enrollee any amount greater than the in-network cost-sharing amount  
34 specified in the enrollee's or applicable group's health plan  
35 contract. This does not impact the provider's ability to collect a  
36 past due balance for the cost-sharing amount with interest;

37       (ii) May not report adverse information to a consumer credit  
38 reporting agency or commence a civil action against the enrollee  
39 before the expiration of one hundred fifty days after the initial

1 billing for the amount owed by the enrollee under this subsection  
2 (1); and

3 (iii) May not use wage garnishments or liens on the primary  
4 residence of the enrollee as a means of collecting unpaid bills under  
5 this subsection (1);

6 (d) The carrier must:

7 (i) Calculate the in-network cost-sharing amount for the out-of-  
8 network provider or facility's services using the greater of the  
9 amounts specified in subsection (3) of this section; and

10 (ii) Treat any cost-sharing amounts paid by the enrollee for such  
11 services in the same manner as cost-sharing for health care services  
12 provided by an in-network provider and must apply any cost-sharing  
13 amounts paid by the enrollee for such services toward the limit on  
14 the enrollee's in-network out-of-pocket maximum expenses.

15 (e) If the enrollee pays the out-of-network provider or out-of-  
16 network facility an amount that exceeds the in-network cost-sharing  
17 amount specified in the carrier's explanation of benefits, the  
18 provider or facility must refund any amount in excess of the in-  
19 network cost-sharing amount to the enrollee within thirty business  
20 days of receipt. Interest must be paid to the enrollee for any  
21 unrefunded payments at a rate of twelve percent beginning on the  
22 first calendar day after the thirty business days.

23 (2) Upon receipt of an out-of-network provider or facility's bill  
24 for health care services described in section 5 of this act, the  
25 carrier must make its applicable payment directly to the provider or  
26 facility, rather than the enrollee.

27 (3) The carrier must adjudicate the claim using an allowed amount  
28 for the health care service that is the greater of:

29 (a) The median allowed amount paid to in-network providers for  
30 the health care service provided as determined by reference to the  
31 data set prepared by the Washington state all payer claims database  
32 under section 22 of this act, including any applicable enrollee in-  
33 network cost-sharing requirement;

34 (b) The median amount paid to out-of-network providers for the  
35 health care service provided, as determined by reference to the data  
36 set prepared by the Washington state all payer claims database under  
37 section 22 of this act, including any applicable enrollee in-network  
38 cost-sharing requirement; or

39 (c) One hundred seventy-five percent of the amount that would be  
40 paid under medicare, Title XVIII of the federal social security act,

1 for the service, including any applicable enrollee in-network cost-  
2 sharing requirement.

3 NEW SECTION. **Sec. 7.** (1) In the event of a dispute between a  
4 carrier and an out-of-network provider or facility regarding payment  
5 for the services described in section 5 of this act, a party wishing  
6 to pursue a payment dispute must initiate an informal settlement  
7 communication no later than thirty days after receipt of payment or  
8 payment notification from the carrier. A party may not refuse to  
9 participate in a teleconference or in-person meeting if requested.

10 (2)(a) If the informal settlement communication does not result  
11 in a resolution, a carrier, out-of-network provider, or out-of-  
12 network facility may initiate arbitration to determine a reasonable  
13 payment amount. To initiate arbitration, the carrier, provider, or  
14 facility must provide written notification to the commissioner and  
15 the noninitiating party no later than sixty days after initiation of  
16 the informal settlement communication. The notification to the  
17 noninitiating party must state the initiating party's final offer. No  
18 later than thirty days following receipt of the notification, the  
19 noninitiating party must provide its final offer to the initiating  
20 party. The parties may reach an agreement on reimbursement during  
21 this time and before the arbitration proceeding.

22 (b) Multiple claims may be addressed in a single arbitration  
23 proceeding if the claims at issue:

- 24 (i) Involve identical carrier and provider or facility parties;  
25 (ii) Involve claims with the same or related current procedural  
26 terminology codes relevant to a particular procedure; and  
27 (iii) Occur within a period of six months of one another.

28 (3) Upon receipt of notification from the initiating party, the  
29 commissioner must provide the parties with a list of approved  
30 arbitrators or entities that provide binding arbitration. The  
31 arbitrators on the list must be trained by the American arbitration  
32 association or the American health lawyers association. The parties  
33 may agree on an arbitrator from the list provided by the  
34 commissioner. If the parties do not agree on an arbitrator, they must  
35 notify the commissioner who must provide them with the names of five  
36 arbitrators from the list. Each party may veto two of the five named  
37 arbitrators. If one arbitrator remains, that person is the chosen  
38 arbitrator. If more than one arbitrator remains, the commissioner  
39 must choose the arbitrator from the remaining arbitrators. The

1 parties and the commissioner must complete this selection process  
2 within twenty days of receipt of the list from the commissioner.

3 (4)(a) Each party must make written submissions to the arbitrator  
4 in support of its position no later than thirty days after the final  
5 selection of the arbitrator. A party that fails to make timely  
6 written submissions under this section without good cause shown shall  
7 be considered to be in default and the arbitrator shall require the  
8 party in default to pay the final offer amount submitted by the party  
9 not in default and may require the party in default to pay the  
10 reasonable attorneys' fees of the party not in default. No later than  
11 thirty days after the receipt of the parties' written submissions,  
12 the arbitrator must: Issue a written decision requiring payment of  
13 the final offer amount of either the initiating party or the  
14 noninitiating party; notify the parties of its decision; and provide  
15 the decision and the information described in section 8 of this act  
16 regarding the decision to the commissioner.

17 (b) In reviewing the submissions of the parties and making a  
18 decision related to the appropriate amount to be paid to the out-of-  
19 network provider or facility, the arbitrator must consider the  
20 following factors:

21 (i) The median amounts determined under section 6(3)(a) and (b)  
22 of this act;

23 (ii) The median billed charge amount for the service at issue  
24 reported in the data set prepared by the Washington state all payer  
25 claims database under section 22 of this act;

26 (iii) The circumstances and complexity of the case, including  
27 time and place of service and whether the service was delivered at a  
28 level I or level II trauma center or a rural facility;

29 (iv) Patient characteristics; and

30 (v) The level of training, education, and experience of the  
31 provider.

32 (c) The arbitrator may also consider other information that a  
33 party believes is justified or other factors the arbitrator requests.

34 (5) Expenses incurred in the course of arbitration, including the  
35 arbitrator's expenses and fees, but not including attorneys' fees,  
36 must be paid by the party whose final offer was rejected by the  
37 arbitrator. The enrollee is not liable for any of the costs of the  
38 arbitration and may not be required to participate in the arbitration  
39 proceeding as a witness or otherwise.

1 (6) The parties must enter into a nondisclosure agreement to  
2 protect any personal health information or fee information provided  
3 to the arbitrator.

4 (7) Chapter 7.04A RCW applies to arbitrations conducted under  
5 this section, but in the event of a conflict between this section and  
6 chapter 7.04A RCW, this section governs.

7 NEW SECTION. **Sec. 8.** (1) The commissioner must prepare an  
8 annual report summarizing the dispute resolution information provided  
9 by arbitrators under section 7 of this act. The report must include  
10 summary information related to the matters decided through  
11 arbitration, as well as the following information for each dispute  
12 resolved through arbitration: The carrier; the health care provider;  
13 the health care provider's employer or the business entity in which  
14 the provider has an ownership interest; the health care facility  
15 where the services were provided; and the type of health care  
16 services at issue.

17 (2) The commissioner must post the report on the office of the  
18 insurance commissioner's web site and submit it to the appropriate  
19 committees of the legislature annually by July 1st.

20 (3) This section expires January 1, 2023.

21 NEW SECTION. **Sec. 9.** (1) A nonemployed provider group that  
22 provides surgical or ancillary services at a hospital or ambulatory  
23 surgical facility must notify the hospital or ambulatory surgical  
24 facility of the carrier health plan networks in which the provider  
25 group is an in-network provider. The provider group must notify the  
26 hospital or ambulatory surgical facility if the contract between the  
27 provider group and such a carrier will be terminated. The provider  
28 group must provide the notice as soon as practicable, but in no case  
29 less than forty-five days prior to termination of the contract.

30 (2) A hospital or ambulatory surgical facility must post the  
31 following information on its web site, if one is available:

32 (a) A list of the carrier health plan provider networks with  
33 which the hospital or ambulatory surgical facility is an in-network  
34 provider; and

35 (b) For each nonemployed provider group with which the hospital  
36 or ambulatory surgical facility has a contract to provide surgical or  
37 ancillary services, whether the provider group contracts with the

1 same carrier health plan provider networks as the hospital or  
2 ambulatory surgical facility.

3 NEW SECTION. **Sec. 10.** (1) A health care provider must provide  
4 information on its web site, if available, listing the carrier health  
5 plan provider networks with which the provider contracts.

6 (2) An in-network provider must submit accurate information to a  
7 carrier regarding the provider's network status in a timely manner,  
8 consistent with the terms of the contract between the provider and  
9 the carrier.

10 NEW SECTION. **Sec. 11.** (1) A carrier must update its web site  
11 and provider directory no later than thirty days after the addition  
12 or termination of a facility or provider.

13 (2) A carrier must provide an enrollee with:

14 (a) A clear description of the health plan's out-of-network  
15 health benefits;

16 (b) Notice of rights under this subchapter using the standard  
17 template language developed under section 13 of this act;

18 (c) Notification that if the enrollee receives services from an  
19 out-of-network provider or facility, under circumstances other than  
20 those described in section 5 of this act, the enrollee will have the  
21 financial responsibility applicable to services provided outside the  
22 health plan's network in excess of applicable cost-sharing amounts  
23 and that the enrollee may be responsible for any costs in excess of  
24 those allowed by the health plan;

25 (d) Information on how to use the carrier's member transparency  
26 tools under RCW 48.43.007;

27 (e) Upon request, information regarding whether a health care  
28 provider is in-network or out-of-network; and

29 (f) Upon request, an estimated range of the out-of-pocket costs  
30 for an out-of-network benefit.

31 NEW SECTION. **Sec. 12.** (1) If the commissioner has cause to  
32 believe that any person, including a health care provider or  
33 facility, is violating a provision of this subchapter, the  
34 commissioner may submit information to the department of health or  
35 the appropriate disciplining authority for action.

36 (2) If any person, including a health care provider or facility,  
37 violates or has violated a provision of this subchapter, the

1 department of health or the appropriate disciplining authority may  
2 levy a fine upon the person in an amount not to exceed one thousand  
3 dollars per violation and take other action as permitted under the  
4 authority of the department or disciplining authority. Upon  
5 completion of its review of any potential violation submitted by the  
6 commissioner or initiated directly by an enrollee, the department of  
7 health or the disciplining authority shall notify the commissioner of  
8 the results of the review, including whether the violation was  
9 substantiated and any enforcement action taken as a result of a  
10 finding of a substantiated violation.

11 (3) If a carrier violates or has violated any provision of this  
12 subchapter, the commissioner may levy a fine or apply remedies  
13 authorized under chapter 48.02 RCW.

14 (4) For purposes of this section, "disciplining authority" means  
15 the agency, board, or commission having the authority to take  
16 disciplinary action against a holder of, or applicant for, a  
17 professional or business license upon a finding of a violation of  
18 chapter 18.130 RCW or a chapter specified under RCW 18.130.040.

19 NEW SECTION. **Sec. 13.** (1) The commissioner may adopt rules to  
20 implement and administer this subchapter, including rules governing  
21 the dispute resolution process established in section 7 of this act.

22 (2)(a) The commissioner, in consultation with health carriers,  
23 health care providers, health care facilities, and consumers, must  
24 develop standard template language for notifying consumers:

25 (i) That they may not be balance billed for the health care  
26 services described in section 5 of this act and will receive the  
27 protections provided by section 6 of this act;

28 (ii) That they may be balance billed for health care services  
29 under circumstances other than those described in section 5 of this  
30 act.

31 (b) The standard template language must include contact  
32 information for the office of the insurance commissioner so that  
33 consumers may contact the office of the insurance commissioner if  
34 they believe they have received a balance bill in violation of this  
35 subchapter.

36 (c) The office of the insurance commissioner shall determine by  
37 rule when and in what format health carriers, health care providers,  
38 and health care facilities must provide consumers with the notice  
39 developed under this section.

1        NEW SECTION.    **Sec. 14.**    This subchapter does not apply to health  
2 plans that provide benefits under chapter 74.09 RCW.

3        NEW SECTION.    **Sec. 15.**    This subchapter must be liberally  
4 construed to promote the public interest by ensuring that consumers  
5 are not billed out-of-network charges and do not receive additional  
6 bills from providers under the circumstances described in section 5  
7 of this act.

8        NEW SECTION.    **Sec. 16.**    (1) When determining the adequacy of a  
9 proposed provider network or the ongoing adequacy of an in-force  
10 provider network, the commissioner must consider whether the  
11 carrier's proposed provider network or in-force provider network  
12 includes a sufficient number of contracted providers practicing at  
13 the same facilities with which the carrier has contracted for the  
14 proposed or established provider network to reasonably ensure  
15 enrollees have in-network access for covered benefits delivered at  
16 that facility.

17        (2) A hospital or ambulatory surgical facility must provide the  
18 carrier with information about the network status of nonemployed  
19 provider groups that provide services at the hospital or ambulatory  
20 surgical facility using the information provided under section 9 of  
21 this act.

22        **Sec. 17.**    RCW 18.130.050 and 2016 c 81 s 13 are each amended to  
23 read as follows:

24        Except as provided in RCW 18.130.062, the disciplining authority  
25 has the following authority:

26        (1) To adopt, amend, and rescind such rules as are deemed  
27 necessary to carry out this chapter;

28        (2) To investigate all complaints or reports of unprofessional  
29 conduct as defined in this chapter;

30        (3) To hold hearings as provided in this chapter;

31        (4) To issue subpoenas and administer oaths in connection with  
32 any investigation, consideration of an application for license,  
33 hearing, or proceeding held under this chapter;

34        (5) To take or cause depositions to be taken and use other  
35 discovery procedures as needed in any investigation, hearing, or  
36 proceeding held under this chapter;

37        (6) To compel attendance of witnesses at hearings;

1 (7) In the course of investigating a complaint or report of  
2 unprofessional conduct, to conduct practice reviews and to issue  
3 citations and assess fines for failure to produce documents, records,  
4 or other items in accordance with RCW 18.130.230;

5 (8) To take emergency action ordering summary suspension of a  
6 license, or restriction or limitation of the license holder's  
7 practice pending proceedings by the disciplining authority. Within  
8 fourteen days of a request by the affected license holder, the  
9 disciplining authority must provide a show cause hearing in  
10 accordance with the requirements of RCW 18.130.135. In addition to  
11 the authority in this subsection, a disciplining authority shall,  
12 except as provided in RCW 9.97.020:

13 (a) Consistent with RCW 18.130.370, issue a summary suspension of  
14 the license or temporary practice permit of a license holder  
15 prohibited from practicing a health care profession in another state,  
16 federal, or foreign jurisdiction because of an act of unprofessional  
17 conduct that is substantially equivalent to an act of unprofessional  
18 conduct prohibited by this chapter or any of the chapters specified  
19 in RCW 18.130.040. The summary suspension remains in effect until  
20 proceedings by the Washington disciplining authority have been  
21 completed;

22 (b) Consistent with RCW 18.130.400, issue a summary suspension of  
23 the license or temporary practice permit if, under RCW 74.39A.051,  
24 the license holder is prohibited from employment in the care of  
25 vulnerable adults based upon a department of social and health  
26 services' final finding of abuse or neglect of a minor or abuse,  
27 abandonment, neglect, or financial exploitation of a vulnerable  
28 adult. The summary suspension remains in effect until proceedings by  
29 the disciplining authority have been completed;

30 (9) To conduct show cause hearings in accordance with RCW  
31 18.130.062 or 18.130.135 to review an action taken by the  
32 disciplining authority to suspend a license or restrict or limit a  
33 license holder's practice pending proceedings by the disciplining  
34 authority;

35 (10) To use a presiding officer as authorized in RCW  
36 18.130.095(3) or the office of administrative hearings as authorized  
37 in chapter 34.12 RCW to conduct hearings. Disciplining authorities  
38 identified in RCW 18.130.040(2) shall make the final decision  
39 regarding disposition of the license unless the disciplining  
40 authority elects to delegate in writing the final decision to the

1 presiding officer. Disciplining authorities identified in RCW  
2 18.130.040(2)(b) may not delegate the final decision regarding  
3 disposition of the license or imposition of sanctions to a presiding  
4 officer in any case pertaining to standards of practice or where  
5 clinical expertise is necessary, including deciding any motion that  
6 results in dismissal of any allegation contained in the statement of  
7 charges. Presiding officers acting on behalf of the secretary shall  
8 enter initial orders. The secretary may, by rule, provide that  
9 initial orders in specified classes of cases may become final without  
10 further agency action unless, within a specified time period:

11 (a) The secretary upon his or her own motion determines that the  
12 initial order should be reviewed; or

13 (b) A party to the proceedings files a petition for  
14 administrative review of the initial order;

15 (11) To use individual members of the boards to direct  
16 investigations and to authorize the issuance of a citation under  
17 subsection (7) of this section. However, the member of the board  
18 shall not subsequently participate in the hearing of the case;

19 (12) To enter into contracts for professional services determined  
20 to be necessary for adequate enforcement of this chapter;

21 (13) To contract with license holders or other persons or  
22 organizations to provide services necessary for the monitoring and  
23 supervision of license holders who are placed on probation, whose  
24 professional activities are restricted, or who are for any authorized  
25 purpose subject to monitoring by the disciplining authority;

26 (14) To adopt standards of professional conduct or practice;

27 (15) To grant or deny license applications, and in the event of a  
28 finding of unprofessional conduct by an applicant or license holder,  
29 to impose any sanction against a license applicant or license holder  
30 provided by this chapter. After January 1, 2009, all sanctions must  
31 be issued in accordance with RCW 18.130.390;

32 (16) To restrict or place conditions on the practice of new  
33 licensees in order to protect the public and promote the safety of  
34 and confidence in the health care system;

35 (17) To designate individuals authorized to sign subpoenas and  
36 statements of charges;

37 (18) To establish panels consisting of three or more members of  
38 the board to perform any duty or authority within the board's  
39 jurisdiction under this chapter;

1 (19) To review and audit the records of licensed health  
2 facilities' or services' quality assurance committee decisions in  
3 which a license holder's practice privilege or employment is  
4 terminated or restricted. Each health facility or service shall  
5 produce and make accessible to the disciplining authority the  
6 appropriate records and otherwise facilitate the review and audit.  
7 Information so gained shall not be subject to discovery or  
8 introduction into evidence in any civil action pursuant to RCW  
9 70.41.200(3);

10 (20) To levy a fine in an amount not to exceed one thousand  
11 dollars per violation and take other action as permitted under the  
12 authority of the disciplining authority, if a report of a potential  
13 violation of sections 4 through 16 of this act by a health care  
14 provider is substantiated.

15 **Sec. 18.** RCW 18.130.180 and 2010 c 9 s 5 are each amended to  
16 read as follows:

17 The following conduct, acts, or conditions constitute  
18 unprofessional conduct for any license holder under the jurisdiction  
19 of this chapter:

20 (1) The commission of any act involving moral turpitude,  
21 dishonesty, or corruption relating to the practice of the person's  
22 profession, whether the act constitutes a crime or not. If the act  
23 constitutes a crime, conviction in a criminal proceeding is not a  
24 condition precedent to disciplinary action. Upon such a conviction,  
25 however, the judgment and sentence is conclusive evidence at the  
26 ensuing disciplinary hearing of the guilt of the license holder of  
27 the crime described in the indictment or information, and of the  
28 person's violation of the statute on which it is based. For the  
29 purposes of this section, conviction includes all instances in which  
30 a plea of guilty or nolo contendere is the basis for the conviction  
31 and all proceedings in which the sentence has been deferred or  
32 suspended. Nothing in this section abrogates rights guaranteed under  
33 chapter 9.96A RCW;

34 (2) Misrepresentation or concealment of a material fact in  
35 obtaining a license or in reinstatement thereof;

36 (3) All advertising which is false, fraudulent, or misleading;

37 (4) Incompetence, negligence, or malpractice which results in  
38 injury to a patient or which creates an unreasonable risk that a  
39 patient may be harmed. The use of a nontraditional treatment by

1 itself shall not constitute unprofessional conduct, provided that it  
2 does not result in injury to a patient or create an unreasonable risk  
3 that a patient may be harmed;

4 (5) Suspension, revocation, or restriction of the individual's  
5 license to practice any health care profession by competent authority  
6 in any state, federal, or foreign jurisdiction, a certified copy of  
7 the order, stipulation, or agreement being conclusive evidence of the  
8 revocation, suspension, or restriction;

9 (6) Except when authorized by RCW 18.130.345, the possession,  
10 use, prescription for use, or distribution of controlled substances  
11 or legend drugs in any way other than for legitimate or therapeutic  
12 purposes, diversion of controlled substances or legend drugs, the
