
HOUSE BILL 2125

State of Washington

65th Legislature

2017 Regular Session

By Representatives Blake and Wilcox

Read first time 02/17/17. Referred to Committee on Appropriations.

1 AN ACT Relating to providing funding for a community-based
2 approach to provide assistance with nonlethal management methods to
3 reduce livestock depredations by wolves; reenacting and amending RCW
4 43.79A.040; and adding a new chapter to Title 16 RCW.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that there is a need
7 to provide financial and other resources to help livestock producers
8 adapt their operations in light of the recovery of wolves on the
9 landscape and a desire by many to increase use of nonlethal
10 deterrence measures to reduce the probability of livestock
11 depredations by wolves. The application of resources in support of
12 these goals must respect livestock producers' values of independence,
13 privacy, and local decision making. The legislature further
14 recognizes that livestock producers have unique and valuable
15 knowledge, occupy an important place in their local communities and
16 the state's social fabric, and are critical partners in creating
17 sound natural resource policies.

18 NEW SECTION. **Sec. 2.** The definitions in this section apply
19 throughout this chapter unless the context clearly requires
20 otherwise.

1 (1) "Department" means the department of agriculture.

2 (2) "Director" means the director of the department of
3 agriculture.

4 NEW SECTION. **Sec. 3.** (1) The northeast Washington wolf-cattle
5 management grant is created within the department. Funds from the
6 grant program must be used only for the deployment of nonlethal
7 deterrence resources, including equipment and tools, owned and
8 strategically located locally.

9 (2)(a) An advisory board is established to advise the department
10 on the expenditure of the northeast Washington wolf-cattle management
11 grant funds. Advisory board members must be knowledgeable about wolf
12 depredation issues, and have a special interest in the use of
13 nonlethal wolf management techniques. Board members are unpaid, are
14 not state employees, and are not eligible for reimbursement for
15 subsistence, lodging, or travel expenses incurred in the performance
16 of their duties as board members. The director must appoint each
17 member to the board for a term of two years. Board members may be
18 reappointed for subsequent two-year terms. The following board
19 members must be appointed by the director in consultation with each
20 applicable conservation district and the legislators in the
21 legislative district encompassing each county:

22 (i) One Ferry county conservation district board member;

23 (ii) One Stevens county conservation district board member; and

24 (iii) One Pend Oreille conservation district board member.

25 (b) If no board member qualifies under this section, the director
26 must appoint a resident of the applicable county to serve on the
27 board.

28 (c) Board members may not:

29 (i) Directly benefit, in whole or in part, from any contract made
30 by, through, or under the supervision of the northwest Washington
31 wolf-cattle management, or which may be made for the benefit of his
32 or her office; or

33 (ii) Directly accept any compensation, gratuity, or reward in
34 connection with such a contract from any other person with a
35 beneficial interest in the contract.

36 (3) The board must help direct the deployment of nonlethal
37 deterrence resources, including equipment and tools, owned and
38 strategically located by the collaborative.

1 NEW SECTION. **Sec. 4.** (1) The northeast Washington wolf-cattle
2 management account is created as a nonappropriated account in the
3 custody of the state treasurer. All receipts from the northeast
4 Washington wolf-cattle management grant must be deposited into the
5 account. Expenditures from the account may be used only for the
6 deployment of nonlethal wolf deterrence resources as described in
7 section 3 of this act. Only the director may authorize expenditures
8 from the account in consultation with the advisory board created in
9 section 3 of this act. The account is subject to allotment procedures
10 under chapter 43.88 RCW, but an appropriation is not required for
11 expenditures. Interest earned by deposits in the account must be
12 retained in the account.
