1 AN ACT Relating to the Washington history day program; amending  
2 RCW 43.79A.040; adding a new section to chapter 28A.300 RCW; and  
3 creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The legislature finds that  
6 Washington's education program must provide students with an  
7 understanding of history and civics, and that this understanding is  
8 critical to the ability of citizens to fully participate in their  
9 democracy.

10 (2) The legislature also finds that the Washington history day  
11 program provides students throughout the state with the opportunity  
12 to develop their knowledge and appreciation of history while learning  
13 critical thinking, problem solving, research, and presentation  
14 skills.

15 (3) The legislature further finds that in order to assure that  
16 middle and high school students have the opportunity to participate  
17 in the Washington history day program, responsibility for the program  
18 should be assigned to the office of the superintendent of public  
19 instruction, and that the superintendent, in partnership with the  
20 Washington state historical society, must reach out to each school

1 district to provide students with the opportunity to engage in  
2 project-based learning focused on Washington state history.

3 NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.300  
4 RCW to read as follows:

5 (1)(a) Effective July 1, 2018, responsibility for administering  
6 the Washington history day program is transferred from the Washington  
7 state historical society to the office of the superintendent of  
8 public instruction. In accordance with this subsection (1)(a), and  
9 subject to funds appropriated for this specific purpose, the office  
10 of the superintendent of public instruction is responsible for the  
11 administration and coordination of the Washington history day  
12 program, a program affiliated with the national history day  
13 organization, including providing necessary staff support.

14 (b) Subject to the requirements and limits of (a) of this  
15 subsection, the Washington history day program must be operated as a  
16 partnership between the office of the superintendent of public  
17 instruction, the Washington state historical society, and private  
18 parties interested in providing funding and in-kind support for the  
19 program. The Washington state historical society must, in  
20 coordination with the office of the superintendent of public  
21 instruction, promote the program and provide access and support for  
22 students who are conducting primary and secondary research of  
23 historical Washington state documents and commentary.

24 (2) The Washington history day account is created in the custody  
25 of the state treasurer. In collaboration with private and  
26 philanthropic partners, private matching funds will be procured to  
27 support Washington history day. All receipts from gifts, grants, or  
28 endowments from public or private sources must be deposited into the  
29 account. Expenditures from the account may be used only for the  
30 Washington history day program. Only the superintendent of public  
31 instruction or the superintendent's designee may authorize  
32 expenditures from the account. The account is subject to allotment
