
SUBSTITUTE HOUSE BILL 2612

State of Washington 65th Legislature 2018 Regular Session

By House Transportation (originally sponsored by Representatives
Condotta and Steele)

READ FIRST TIME 01/30/18.

1 AN ACT Relating to tow truck operators; amending RCW 46.76.030,
2 46.76.060, 46.76.065, 46.76.067, 46.76.080, 46.79.060, and 46.80.060;
3 adding a new section to chapter 46.55 RCW; creating a new section;
4 prescribing penalties; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) The legislature finds that efficiency
7 and public safety is served by consolidating the multiple license
8 plates currently required on the vehicles of registered tow truck
9 operators. These registered tow truck operators currently have up to
10 four separate license plates that are required to be displayed on the
11 vehicle at all times. The operators have the highest training and
12 qualifications of any towing operators in Washington state.

13 (2) The legislature further finds that a single unified license
14 plate with separate endorsement tabs prevents confusion and allows
15 for easy identification and review of tow trucks by law enforcement
16 and the motoring public. The unified license plate also saves
17 resources by reducing the need for license plate production and
18 reduces fraud by limiting access to these commercial license plates.

19 (3) A unified license plate for registered tow truck operators
20 serves the purposes of Washington residents, the motoring public, and
21 law enforcement, and saves money as well.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 46.55

2 RCW to read as follows:

3 (1) If a tow truck, the registered owner of which is a registered
4 tow truck operator, is to conduct transporter business under chapter
5 46.76 RCW, the license plate that is required to be displayed under
6 RCW 46.16A.030 must contain an indicator tab that the vehicle is
7 licensed to perform transporter services. The fee for an original
8 transporter's license plate indicator tab for a tow truck, the
9 registered owner of which is a registered tow truck operator, is
10 twenty-five dollars. Vehicles that are used to conduct transporter
11 business and are not owned by a registered tow truck operator must
12 follow the requirements of chapter 46.76 RCW.

13 (2) If a tow truck, the registered owner of which is a registered
14 tow truck operator, is used for a hulk hauler or scrap processor
15 business under chapter 46.79 RCW, the license plate that is required
16 under RCW 46.16A.030 must contain an indicator tab that the vehicle
17 is licensed to perform hulk hauler or scrap processor purposes under
18 the laws of the state of Washington. The fee for a hulk hauler or
19 scrap processor business license plate indicator tab is five dollars
20 for the original tab and two dollars for each additional tab bearing
21 the same license number. Vehicles that are used to conduct hulk
22 hauler or scrap processor business and are not owned by a registered
23 tow truck operator must follow the requirements of chapter 46.79 RCW.

24 (3) If a tow truck, the registered owner of which is a registered
25 tow truck operator, is used for a wrecker business under chapter
26 46.80 RCW, the license plate displayed that is required under RCW
27 46.16A.030 must contain an indicator tab that the vehicle is licensed
28 to perform wrecker services. The fee for a wrecker license plate
29 indicator tab is five dollars for the original tab and two dollars
30 for each additional tab bearing the same license number. Vehicles
31 that are used to conduct wrecker business and are not owned by a
32 registered tow truck operator must follow the requirements of chapter

38 vehicle;

39 (iii) Use some combination of letters and numbers to indicate a
40 vehicle is licensed to conduct transporter business under chapter

1 46.76 RCW, hulk hauler or scrap processor business under chapter
2 46.79 RCW, or wrecker business under chapter 46.80 RCW; and

3 (iv) Be approved by the department.

4 (b) All other requirements concerning registration and display of
5 plates as required under chapter 46.16A RCW may not conflict with
6 this section.

7 (5) This act does not allow for the use of indicator tabs,
8 authorized in this section, on a special or personalized license
9 plate authorized in chapter 46.18 RCW.
