
HOUSE BILL 2641

State of Washington

65th Legislature

2018 Regular Session

By Representatives McCaslin, Hargrove, Shea, Maycumber, Taylor, Holy, Condotta, and Young

Read first time 01/11/18. Referred to Committee on Education.

1 AN ACT Relating to promoting the use of expert volunteers in
2 career and technical education courses offered in grades seven and
3 eight; and adding a new section to chapter 28A.700 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.700
6 RCW to read as follows:

7 (1) By September 1, 2019, each school district must adopt a
8 policy to promote the recruitment and use of industry and trade
9 expert volunteers in career and technical education courses offered
10 in grades seven and eight. Policies adopted under this section must
11 seek to expand the use of industry and trade expert volunteers in
12 classrooms for the purpose of:

13 (a) Deepening students' subject matter understanding, including
14 increasing student knowledge related to the practical application of
15 specific skills that are taught and employed in professional and
16 adult education settings;

17 (b) Increasing students' awareness of additional career and
18 technical education concepts and practices, including concepts and
19 practices not necessarily discussed in the course, and new or
20 emerging concepts and practices; and

1 (c) Providing forums for students to learn directly from industry
2 and trade practitioners who understand the opportunities and
3 educational requirements for successful industry and trade careers.

4 (2) District policies adopted in accordance with this section may
5 be updated periodically as necessary and must include:

6 (a) Provisions for ensuring that the actions of industry and
7 trade expert volunteers are directed by and coordinated with the
8 applicable classroom teacher or teachers;

9 (b) Suggestions and strategies for outreach to community,
10 industry, and trade personnel and organizations who may serve as,
11 recommend, or provide industry and trade expert volunteers; and

12 (c) Other items as necessary including, but not limited to,
13 recommendations from industry and trade experts, classroom teachers,
14 parents, and students.

15 (3) By March 1, 2019, the office of the superintendent of public
16 instruction, in coordination with the Washington state school
17 directors' association established in RCW 28A.345.010, and a state
18 association representing career and technical education, must develop
19 materials, including a model policy and other supporting documents,
20 to assist districts in complying with the requirements of this
21 section.
