State of Washington

65th Legislature

2018 Regular Session

By House Education (originally sponsored by Representatives Kloba, Johnson, Stonier, Macri, Valdez, Fey, and Stanford)

READ FIRST TIME 02/02/18.

1 AN ACT Relating to expanded learning opportunities; amending RCW
2 28A.630.121, 28A.630.122, 28A.630.123, 28A.630.124, and 28A.300.130;
3 adding new sections to chapter 28A.300 RCW; recodifying RCW
4 28A.630.121, 28A.630.122, 28A.630.123, and 28A.630.124; repealing RCW
5 28A.630.125, 28A.630.126, 28A.630.127, and 28A.630.129; and repealing
6 2015 c 163 s 2 (uncodified).

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 **Sec. 1.** RCW 28A.630.121 and 2014 c 219 s 1 are each amended to
9 read as follows:

10 (1) The legislature finds that studies have documented that many
11 students experience learning losses when they do not engage in
12 educational activities during the summer. The legislature further
13 finds that research shows that summer learning loss contributes to
14 educational opportunity gaps between students, and that falling
15 behind in academics can be a predictor of whether a student will drop
16 out of school. The legislature recognizes that such academic
17 regression has a disproportionate impact on low-income students.

18 (2) The legislature further finds that expanded learning
19 opportunities, including those offered by partnerships between
20 schools and community-based organizations, create enriching
21 experiences for youth, with activities that complement and support

1 classroom-based instruction. The legislature acknowledges that access
2 to quality expanded learning opportunities during the school year and
3 summer helps mitigate summer learning loss and improves academic
4 performance, attendance, on-time grade advancement, and classroom
5 behaviors.

6 (3) Therefore the legislature intends to build capacity, identify
7 best practices, leverage local resources, and promote a sustainable
8 expanded learning opportunities system by providing an infrastructure
9 that helps coordinate expanded learning opportunities throughout the
10 state. (~~To the extent funds are provided for this purpose, the~~
11 ~~legislature also intends to authorize a pilot program specifically to~~
12 ~~combat summer learning loss through expanded learning opportunities,~~
13 ~~which will provide the opportunity to evaluate the effectiveness of~~
14 ~~an extended school year in improving student achievement, closing the~~
15 ~~educational opportunity gap, and providing successful models for~~
16 ~~other districts to follow.))~~

17 **Sec. 2.** RCW 28A.630.122 and 2014 c 219 s 2 are each amended to
18 read as follows:

19 As used in this section and RCW 28A.630.121, 28A.630.123
20 (~~through 28A.630.127~~), and 28A.630.124 (as recodified by this act),
21 "expanded learning opportunities" means:

22 (1) Culturally responsive enrichment and learning activities,
23 which may focus on academic and nonacademic areas; the arts; civic
24 engagement; service-learning; science, technology, engineering, and
25 mathematics; and competencies for college and career readiness;

26 (2) School-based programs that provide extended learning and
27 enrichment for students beyond the traditional school day, week, or
28 calendar; and

29 (3) Structured, intentional, and creative learning environments
30 outside the traditional school day that are provided by community-
