
SUBSTITUTE HOUSE BILL 2992

State of Washington

65th Legislature

2018 Regular Session

By House Finance (originally sponsored by Representatives Chapman, Maycumber, and Muri)

READ FIRST TIME 02/22/18.

1 AN ACT Relating to modifying the business and occupation tax
2 structure for rural manufacturers and timber and wood product
3 manufacturers, extractors, and wholesalers; amending RCW 82.04.240,
4 82.04.240, 82.04.440, 82.04.260, 82.04.261, and 82.32.790; creating
5 new sections; providing an effective date; providing an expiration
6 date; providing a contingent effective date; and providing contingent
7 expiration dates.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 NEW SECTION. **Sec. 1.** (1) The legislature finds that Washington
10 has one of the strongest economies in the country. The annual
11 unemployment rate in the Seattle-Bellevue-Everett metropolitan area,
12 as defined by the United States bureau of labor statistics, has been
13 an average of one and twenty-one one hundredths lower than the
14 national unemployment rate over the past five years.

15 (2) However, the local economies in rural counties continue to
16 struggle. Over the past five years, the annual unemployment rate in
17 rural counties, as defined by the office of financial management, has
18 been an average of two and one-tenth higher than the unemployment
19 rate in urban counties.

20 (3) The legislature concludes that in the spirit of one
21 Washington, the economic prosperity of our state must be shared by

1 all of our communities, both urban and rural. Therefore, it is the
2 intention of the legislature to modify the business and occupation
3 tax structure of manufacturers located in rural areas to encourage
4 economic growth and lower unemployment rates in our rural counties.

5 NEW SECTION. **Sec. 2.** (1) This section is the tax preference
6 performance statement for the tax preferences in chapter . . . , Laws
7 of 2018 (this act). This performance statement is only intended to be
8 used for subsequent evaluation of the tax preferences. It is not
9 intended to create a private right of action by any party or be used
10 to determine eligibility for preferential tax treatment.

11 (2) The legislature categorizes these tax preferences as ones
12 intended to increase jobs and lower the unemployment rate in rural
13 counties, as indicated in RCW 82.32.808(2)(f).

14 (3) It is the legislature's specific public policy objective to
15 decrease the gap between the unemployment rate in rural counties and
16 urban counties, without compromising the underlying financial
17 structure of the forest and fish support account.

18 (4) If a review finds that the aggregate unemployment rate in
19 rural counties, as defined in RCW 82.14.370, is no more than one and
20 one-half percent higher than the aggregate unemployment rate in all
21 Washington counties that are not rural counties, then the legislature
22 intends for the legislative auditor to recommend extending the
23 expiration date of these tax preferences.

24 (5) In order to obtain the data necessary to perform the review
25 in subsection (4) of this section, the joint legislative audit and
26 review committee may refer to any available data source, and the
27 employment security department is directed to cooperate with any
28 requests for data pursuant to facilitating the review authorized in
29 this section.
