2 81.61.010, 81.61.040, and 42.56.330; adding new sections to chapter
3 81.61 RCW; and providing an effective date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 81.61.010 and 1977 ex.s. c 2 s 1 are each amended to
6 read as follows:

7 Unless the context clearly requires otherwise(~~(, the term)~~):

8 (1) "Contract crew transportation vehicle," as used in this
9 chapter, means every motor vehicle, designed to transport fifteen or
10 fewer passengers, including the driver, that is owned, leased,
11 operated, or maintained by a person contracting with a railroad
12 company or its agents, contractors, subcontractors, vendors,
13 subvendors, secondary vendors, or subcarriers, and used primarily to
14 provide railroad crew transportation.

15 (2) "Passenger-carrying vehicle," as used in this chapter, means
16 those buses ((and)), vans, trucks, and cars owned, operated, and
17 maintained by a railroad company ((which)) and primarily used to
18 transport((s)) railroad employees in other than the cab of such
19 vehicle and designed primarily for operation on roads which may or
20 may not be equipped with retractable flanged wheels for operation on
21 railroad tracks.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 81.61
2 RCW to read as follows:

3 (1) The commission must regulate persons providing contract
4 railroad crew transportation and every contract crew transportation
5 vehicle with respect to driver qualifications, equipment safety,
6 safety of operations, hours of service by drivers, passenger safety,
7 drug testing requirements, and record retention. This regulation must
8 be consistent with the manner in which the commission regulates these
9 areas under chapter 81.70 RCW and the manner in which it regulates
10 safety under chapter 81.68 RCW, as well as with the approach used in
11 federal motor carrier safety regulations under Title 49 of the code
12 of federal regulations. In the event of a conflict between this
13 chapter and the laws referenced in this subsection, this chapter
14 governs.

15 (2) The commission must adopt rules under chapter 34.05 RCW as
16 necessary to carry out this chapter regarding the operation of
17 contract crew transportation vehicles.

18 (3)(a) The commission must require insurance coverage for each
19 contract crew transportation vehicle that satisfies the following
20 minimum amounts:

21 (i) Five million dollars combined single limit coverage for
22 bodily injury and property damage liability coverage; and

23 (ii) Uninsured and underinsured motorist coverage of one million
24 dollars.

25 (b) If a third party contracts with the person operating the
26 vehicle on behalf of the railroad company or its agents, contractors,
27 subcontractors, vendors, subvendors, secondary vendors, or
28 subcarriers to transport railroad crew, the insurance requirements
29 may be satisfied by either the third party or the person operating
30 the vehicle, so long as the person operating the vehicle names the
31 third party as an additional insured or named insured. The railroad
32 company may also satisfy the insurance requirements. Proof of
33 coverage must be provided to the commission by the person contracting
34 with the railroad company.

35 (4) The commission must require the form and posting of adequate
36 notices in a conspicuous location in all contract crew transportation
37 vehicles to advise railroad employee passengers of their rights, the
38 opportunity to submit safety complaints to the commission, the
39 complaint process, and contact information for the commission.

1 (5) The commission must require persons providing contract
2 railroad crew transportation to ensure that all drivers of contract
3 crew transportation vehicles successfully complete at least eight
4 hours of commission-approved safety training that includes, but is
5 not limited to, vehicle and passenger safety awareness, rail yard
6 safety, grade crossing safety, load securement, and distracted and
7 fatigued driving.

8 (6) The commission must investigate safety complaints related to
9 contract railroad crew transportation under this chapter and take
10 appropriate enforcement action as authorized.

11 (7) The commission may enforce this chapter with respect to
12 persons providing contract railroad crew transportation under the
13 authority in RCW 81.04.380 through 81.04.405, including assessing
14 penalties as warranted.

15 (8) The commission may suspend or revoke a permit upon complaint
16 by any interested party, or upon the commission's own motion after
17 notice and opportunity for hearing, when it finds that any person
18 owning, leasing, operating, or maintaining contract crew
19 transportation vehicles has violated this chapter or the rules of the
20 commission, or that the company or its agent has been found by a
21 court or governmental agency to have violated the laws of a state or
22 the United States.

23 NEW SECTION. **Sec. 3.** A new section is added to chapter 81.61
24 RCW to read as follows:

25 (1) A person is immediately and automatically disqualified from
26 operating a contract crew transportation vehicle for a period of
27 three years if (a) the person is convicted of, or is found to have
28 committed, two or more traffic violations that result in suspension
29 or revocation of the person's driver's license within a three-year
30 period, for a reason other than the nonpayment of fines, or (b) the
31 person is found guilty of, or is found to have committed, any drug or
32 alcohol-related traffic offense, using a vehicle to commit a felony,
33 leaving the scene of an accident, prohibited passing of another
34 vehicle, a railroad-highway grade crossing offense identified in RCW
35 46.25.090(8), or driving with a suspended, revoked, or canceled
36 license.

37 (2) A driver that sustains a conviction or a traffic violation as
38 outlined under this section while employed by a contract carrier must
39 report the conviction or infraction to the carrier within ten days of

1 the date of conviction or the finding that the infraction was
2 committed.

3 NEW SECTION. **Sec. 4.** A new section is added to chapter 81.61
4 RCW to read as follows:

5 (1) The commission must compile data regarding any reported
6 safety complaints, accidents, regulatory violations and fines, and
7 corrective actions taken by the commission involving vehicles
8 regulated under this chapter. A railroad company, and any person that
9 owns or leases, operates, or maintains contract crew transportation
10 vehicles in the state, must, at the request of the commission,
11 provide data relevant to any complaints and accidents, including
12 location, time of day, visibility, a description of the event,
13 whether any property damage or personal injuries resulted, and any
14 corrective action taken by the railroad company, person operating the
15 contract crew transportation vehicle, or commission. The commission
16 must make this data available upon request.

17 (2) Information included in safety complaints that identifies the
18 employee who submitted the complaint is exempt from public inspection
19 and copying pursuant to RCW 42.56.330.

20 **Sec. 5.** RCW 81.61.040 and 1977 ex.s. c 2 s 4 are each amended to
21 read as follows:

22 (1) The commission may, in enforcing rules and orders under this
23 chapter, inspect any passenger-carrying vehicle ((provided by a
24 railroad company to transport employees in the course of their
25 employment)) or contract crew transportation vehicle. Upon request,
26 the chief of the state patrol may assist the commission in these
27 inspections.

28 (2) Consistent with section 2 of this act, the commission must
29 develop an inspection program for contract crew transportation
30 vehicles. This program must require a periodic inspection of each
31 vehicle, including a review of operational practices.
