26 (3) Fish and wildlife officers may inspect without warrant, at
27 reasonable times and in a reasonable manner, the records required by
28 the department of any retail outlet selling fish, shellfish, or
29 wildlife, and, if the officers have probable cause to believe a
30 violation of this title or rules of the commission has occurred, they
31 may inspect without warrant the premises, containers, and fish,
32 shellfish, and wildlife of any retail outlet selling fish, shellfish,

34 (4) Authority granted under this section does not extend to

1 **Sec. 6.** RCW 69.04.933 and 2013 c 290 s 4 are each amended to
2 read as follows:

3 (1) It is unlawful to knowingly sell or offer for sale at
4 wholesale or retail any fresh, frozen, or processed (~~feed~~) fish or
5 shellfish without identifying for the buyer at the point of sale the
6 species of (~~feed~~) fish or shellfish by its common name, such that
7 the buyer can make an informed purchasing decision for his or her
8 protection, health, and safety.

9 (2) It is unlawful to knowingly label or offer for sale any
10 (~~feed~~) fish designated as halibut, with or without additional
11 descriptive words, unless the (~~feed~~) fish product is *Hippoglossus*

13 (3) This section does not apply to salmon that is minced,
14 pulverized, coated with batter, or breaded.

15 (4) This section does not apply to a commercial fisher properly
16 licensed under chapter 77.65 or 77.70 RCW and engaged in sales of
17 fish to a wholesale fish buyer.

18 (5) A violation of this section constitutes misbranding under RCW
19 69.04.938 and is punishable as a misdemeanor, gross misdemeanor, or
20 felony depending on the fair market value of the fish or shellfish
21 involved in the violation.

22 (6)(a) The common names for salmon species are as listed in RCW
23 69.04.932.

24 (b) The common names for all other (~~feed~~) fish and shellfish
25 are the common names for (~~feed~~) fish and shellfish species as
26 defined by rule of the (~~director~~) department of fish and wildlife.
27 If the common name for a species is not defined by rule of the
28 (~~director~~) department of fish and wildlife, then the common name is
29 the acceptable market name or common name as provided in the United
30 States food and drug administration's publication "Seafood list -
31 FDA's guide to acceptable market names for seafood sold in interstate
32 commerce," as the publication existed on July 28, 2013.

33 (7) For the purposes of this section, "processed" means (~~feed~~)
34 fish or shellfish processed by heat for human consumption, such as
35 (~~feed~~) fish or shellfish that is kippered, smoked, boiled, canned,
36 cleaned, portioned, or prepared for sale or attempted sale for human
37 consumption.

38 (8) Nothing in this section precludes using additional
39 descriptive language or trade names to describe (~~feed~~) fish or

1 shellfish as long as the labeling requirements in this section are
2 met.

3 **Sec. 7.** RCW 69.04.934 and 2013 c 290 s 5 are each amended to
4 read as follows:

5 (1) It is unlawful to knowingly sell or offer for sale at
6 wholesale or retail any fresh, frozen, or processed salmon without
7 identifying private sector cultured aquatic salmon or salmon products
8 as farm-raised salmon, or identifying commercially caught salmon or
9 salmon products as commercially caught salmon.

10 (2) Identification of the products under subsection (1) of this
11 section must be made to the buyer at the point of sale such that the
12 buyer can make an informed purchasing decision for his or her
13 protection, health, and safety.

14 (3) A violation of this section constitutes misbranding under RCW
15 69.04.938 and is punishable as a misdemeanor, gross misdemeanor, or
16 felony depending on the fair market value of the fish or shellfish
17 involved in the violation.

18 (4) This section does not apply to salmon that is minced,
19 pulverized, coated with batter, or breaded.

20 (5) This section does not apply to a commercial fisher properly
21 licensed under chapter 77.65 or 77.70 RCW and lawfully engaged in the
22 sale of fish to a wholesale fish buyer.

23 (6) Nothing in this section precludes using additional
24 descriptive language or trade names to describe (~~food~~) fish or
25 shellfish as long as the labeling requirements of this section are
26 met.

27 **Sec. 8.** RCW 77.15.110 and 2012 c 176 s 13 are each amended to
28 read as follows:

29 (1) For purposes of this chapter, a person acts for commercial
30 purposes if the person engages in conduct that relates to commerce in
31 fish, seaweed, shellfish, or wildlife or any parts thereof.
32 Commercial conduct may include taking, delivering, selling, buying,
33 brokering, or trading fish, seaweed, shellfish, or wildlife where
34 there is present or future exchange of money, goods, or any valuable
35 consideration. Evidence that a person acts for commercial purposes
36 includes, but is not limited to, the following conduct:

37 (a) Using gear typical of that used in commercial fisheries;

1 (b) Exceeding the bag or possession limits for personal use by
2 taking or possessing more than three times the amount of fish,
3 seaweed, shellfish, or wildlife allowed;

4 (c) Delivering or attempting to deliver fish, seaweed, shellfish,
5 or wildlife to a person who sells or resells (~~fish, seaweed,~~
6 ~~shellfish, or wildlife including any licensed or unlicensed~~
7 ~~wholesaler~~)) it;

8 (d) Taking fish or shellfish using a vessel designated on a
9 commercial fishery license or using gear not authorized in a personal
10 use fishery;

11 (e) Using a commercial fishery license;

12 (f) Selling or dealing in raw furs for a fee or in exchange for
13 goods or services;

14 (g) Performing taxidermy service on fish, shellfish, or wildlife
15 belonging to another person for a fee or receipt of goods or
16 services; or

17 (h) Packs, cuts, processes, or stores the meat of wildlife for
18 consumption, for a fee or in exchange for goods or services.

19 (2) For purposes of this chapter, the value of any fish, seaweed,
20 shellfish, or wildlife may be proved based on evidence of legal or
21 illegal sales involving the person charged or any other person, of
22 offers to sell or solicitation of offers to sell by the person
23 charged or by any other person, or of any market price for the fish,
24 seaweed, shellfish, or wildlife including market price for farm-
25 raised game animals. The value assigned to specific fish, seaweed,
26 shellfish, or wildlife by RCW 77.15.420 may be presumed to be the
27 value of such fish, seaweed, shellfish, or wildlife. It is not
28 relevant to proof of value that the person charged misrepresented
29 that the fish, seaweed, shellfish, or wildlife was taken in
30 compliance with law if the fish, seaweed, shellfish, or wildlife was
31 unlawfully taken and had no lawful market value.

32 **Sec. 9.** RCW 77.15.170 and 2014 c 48 s 8 are each amended to read
33 as follows:

34 (1) A person is guilty of waste of fish and wildlife if the

37 fish, shellfish, or game birds having a value of two hundred fifty
38 dollars or more, or wildlife classified as big game; and

1 (b) Recklessly allows such fish, shellfish, or wildlife to be
2 wasted.

3 (2) Waste of fish and wildlife is a gross misdemeanor. Upon
4 conviction, the department shall revoke any license or tag used in
5 the crime and shall order suspension of the person's privileges to
6 engage in the activity in which the person committed waste of fish
7 and wildlife for a period of one year.

8 (3) It is prima facie evidence of waste if:

9 (a) A (~~processor~~) fish dealer purchases or engages a quantity
10 of food fish, shellfish, or game fish that cannot be processed within
11 sixty hours after the food fish, game fish, or shellfish are taken
12 from the water, unless the food fish, game fish, or shellfish are
13 preserved in good marketable condition; or

14 (b) A person brings a big game animal to a wildlife meat cutter
15 and then abandons the animal. For purposes of this subsection (3)(b),
16 a big game animal is deemed to be abandoned when its carcass is
17 placed in the custody of a wildlife meat cutter for butchering and
18 processing and:

19 (i) Having been placed in such custody for an unspecified period
20 of time, the meat is not removed within thirty days after the
21 wildlife meat cutter gives notice to the person who brought in the
22 carcass or, having been so notified, the person who brought in the
23 carcass refuses or fails to pay the agreed upon or reasonable charges
24 for the butchering or processing of the carcass; or

25 (ii) Having been placed in such custody for a specified period of
26 time, the meat is not removed at the end of the specified period or
27 the person who brought in the carcass refuses to pay the agreed upon
28 or reasonable charges for the butchering or processing of the
29 carcass.

33 the second degree if the person fishes for, takes, or delivers
34 (~~food~~) fish(~~(,)~~) or shellfish(~~(, or game fish)~~) while acting for
35 commercial purposes and:

36 (a) The person does not hold a fishery license or delivery
37 license under chapter 77.65 RCW for the (~~food~~) fish or shellfish;
38 (~~or~~)

1 (b) The person is not a licensed operator designated as an
2 alternate operator on a fishery or delivery license under chapter
3 77.65 RCW for the ~~((food))~~ fish or shellfish; or

4 (c) The person does not hold a crewmember license when required
5 under section 15 of this act.

6 (2) A person is guilty of commercial fishing without a license in

8 subsection (1) of this section and:

9 (a) The violation involves taking, delivery, or possession of

21 Since violation of the rules of the department relating to the
22 accounting of the commercial harvest of ~~((food))~~ fish and shellfish
23 results in damage to the resources of the state, liability for damage
24 to ~~((food))~~ fish and shellfish resources is imposed on a wholesale
25 fish ~~((dealer or the holder of a direct retail endorsement))~~ buyer or
26 a limited fish seller for violation of a provision in chapters 77.65
27 and 77.70 RCW or a rule of the department related to the accounting
28 of the commercial harvest of ~~((food))~~ fish and shellfish and shall be
29 for the actual damages or for damages imposed as follows:

30 (1) For violation of rules requiring the timely presentation to
31 the department of documents relating to the accounting of commercial
32 harvest, fifty dollars for each of the first fifteen documents in a
33 series and ten dollars for each subsequent document in the same
34 series. If documents relating to the accounting of commercial harvest
35 of ~~((food))~~ fish and shellfish are lost or destroyed and the
36 wholesale ~~((dealer or holder of a direct retail endorsement))~~ fish

26 NEW SECTION. **Sec. 15.** A new section is added to chapter 77.65
27 RCW to read as follows:

28 (1)(a) An individual age sixteen and older who works on board any
29 vessel while operating in a commercial fishery regulated by the state
30 must obtain a crewmember license from the department. However, an
31 individual on the vessel designated as the primary or alternate
32 operator on the commercial fishing license and an individual on the
33 vessel licensed and working as a geoduck diver or geoduck tender do
34 not also need a crewmember license. Crewmembers working for licensed
35 charters or guides are not required to have a crewmember license.

36 (b) A crewmember license is required for each individual who
37 participates in the operation of the vessel or the harvest. For the
38 purposes of this section, the term "harvest" includes participation

1 in tending, deploying, retrieving, or baiting fishing gear,
2 harvesting, or placing fish or shellfish in holds.

3 (c) An albacore tuna crewmember license satisfies the
4 requirements specified in (a) and (b) of this subsection on vessels
5 fishing for albacore tuna or baitfish lampara.

6 (2) A crewmember license must be purchased in the name of the
7 individual working as the crewmember. The license holder may use the
8 license aboard any commercial fishing vessel, except an albacore tuna
9 crewmember license is only valid for participating in the albacore
10 tuna fishery or baitfish lampara fishery. A crewmember license
11 purchased by a crewmember may not be transferred to another
12 individual.

13 (3) Up to two crewmember licenses may be purchased and held by a
14 commercial fishing license holder for use by any individual working
15 on the vessel named in the commercial fishing license. Each
16 crewmember license held by a commercial fishing license holder covers
17 one crewmember per trip, but the same crewmember license may be used
18 to authorize a different individual to act as a crewmember on a
19 subsequent trip.

20 (4) The fee for an annual crewmember license is thirty-five
21 dollars for residents and one hundred ten dollars for nonresidents.
22 The fee for an annual albacore tuna crewmember license is thirty-five
23 dollars for residents and nonresidents. Additional application fees
24 and surcharges do not apply except that if the license is purchased
25 through the automated licensing system the fees authorized in RCW
26 77.32.050 apply.

27 (5) The licenses must be available through the automated
28 licensing system and transaction fees and dealer fees apply, except
29 as provided in subsection (4) of this section. The annual crewmember
30 license is valid for a calendar year.

31 (6) Family members of the commercial license holder or alternate
32 operators are exempt from the requirements of this section. For
33 purposes of this section, family members include children,
34 grandchildren, spouse, parents, or siblings of the commercial license
35 holder.

36 **Sec. 16.** RCW 77.65.010 and 2015 c 97 s 3 are each amended to
37 read as follows:

1 (1) Except as otherwise provided by this title, a person must
2 have a license (~~(or permit)~~) issued by the director in order to
3 engage in any of the following activities:

4 (a) Commercially fish for or take food fish or shellfish;

5 (b) Deliver from a commercial fishing vessel food fish or
6 shellfish taken for commercial purposes in offshore waters. As used
7 in this subsection, "deliver" means arrival at a place or port, and
8 includes arrivals from offshore waters to waters within the state and
9 arrivals from state or offshore waters;

10 (c) Operate a charter boat or commercial fishing vessel engaged
11 in a fishery;

12 (d) Engage in (~~(processing or wholesaling food)~~) wholesale
13 buying, selling, dealing, processing, or brokering of raw or frozen
14 fish or shellfish; ((or))

15 (e) Sell his or her commercially harvested catch of fish or
16 shellfish to anyone other than a licensed wholesale fish buyer within
17 or outside the state; or

18 (f) Act as a food fish guide or game fish guide for personal use,
19 except that a charter boat license is required to operate a vessel
20 from which a person may for a fee fish for food fish in state waters
21 listed in RCW 77.65.150(4)(b).

22 (2) No person may engage in the activities described in
23 subsection (1) of this section unless the licenses (~~(or permits)~~)
24 required by this title are in the person's possession, and the person
25 is the named license holder or an alternate operator designated on
26 the license and the person's license is not suspended.

27 (3) A valid Oregon license that is equivalent to a license under
28 this title is valid in the concurrent waters of the Columbia river if
29 the state of Oregon recognizes as valid the equivalent Washington
30 license. The director may identify by rule what Oregon licenses are
31 equivalent.

32 (4) No license (~~(or permit)~~) is required for the production or
33 harvesting of private sector cultured aquatic products as defined in
34 RCW 15.85.020 or for the delivery, processing, or wholesaling of such
35 aquatic products. However, if a means of identifying such products is
36 required by rules adopted under RCW 15.85.060, the exemption from
37 licensing (~~(or permit)~~) requirements established by this subsection
38 applies only if the aquatic products are identified in conformance
39 with those rules.

1 **Sec. 17.** RCW 77.65.020 and 2011 c 339 s 15 are each amended to
2 read as follows:

4 under this chapter is not transferable from the license holder to any
5 other person.

6 (2) The following restrictions apply to transfers of commercial
7 fishery licenses, salmon delivery licenses, and salmon charter
8 licenses that are transferable between license holders:

9 (a) The license holder shall surrender the previously issued
10 license to the department.

11 (b) The department shall complete no more than one transfer of
12 the license in any seven-day period.

13 (c) The fee to transfer a license from one license holder to
14 another is:

15 (i) The same as the (~~resident~~) license renewal fee if the
16 license is not limited under chapter 77.70 RCW;

17 (ii) Three and one-half times the (~~resident~~) renewal fee if the
18 license is not a commercial salmon license and the license is limited
19 under chapter 77.70 RCW;

20 (iii) Fifty dollars if the license is a commercial salmon license
21 and is limited under chapter 77.70 RCW; or

22 (iv) Five hundred dollars if the license is a Dungeness crab-
23 coastal fishery license(~~;~~~~or~~

24 ~~(v) If a license is transferred from a resident to a nonresident,~~
25 ~~an additional fee is assessed that is equal to the difference between~~
26 ~~the resident and nonresident license fees at the time of transfer, to~~
27 ~~be paid by the transferee)).~~

28 (d) In addition to the fees under (c) of this subsection, an
29 application fee of one hundred five dollars applies to all commercial
30 license transfers.

31 (3) A commercial license that is transferable under this title
32 survives the death of the holder. Though such licenses are not
33 personal property, they shall be treated as analogous to personal
34 property for purposes of inheritance and intestacy. Such licenses are

37 exempt from claims of creditors of the estate and tax liens. The
38 surviving spouse, estate, or beneficiary of the estate may apply for
39 a renewal of the license. There is no fee for transfer of a license

1 from a license holder to the license holder's surviving spouse or
2 estate, or to a beneficiary of the estate.

13 **Sec. 20.** RCW 77.65.120 and 2000 c 107 s 33 are each amended to
14 read as follows:

15 (1) Only the fishery license holder and any alternate operators

15 (2) A salmon charter license designating a vessel is required to

31 (b) A person may not operate a vessel from which persons may, for
32 a fee, fish for food fish or shellfish in Puget Sound, Grays Harbor,
33 Willapa Bay, Pacific Ocean waters, Lake Washington, or the Columbia
34 river below the bridge at Longview unless the vessel is designated on
35 a charter boat license.

36 (5) A charter boat licensed in Oregon may fish without a
37 Washington charter license under the same rules as Washington charter
38 boat operators in ocean waters within the jurisdiction of Washington

1 state from the southern border of the state of Washington to
 2 Leadbetter Point, as long as the Oregon vessel does not take on or
 3 discharge passengers for any purpose from any Washington port, the
 4 Washington shore, or a dock, landing, or other point in Washington.
 5 The provisions of this subsection shall be in effect as long as the
 6 state of Oregon has reciprocal laws and regulations.

7 (6) A salmon charter license under subsection (1)(b) of this
 8 section may be renewed if the license holder notifies the department
 9 by May 1st of that year that he or she will not participate in the
 10 fishery during that calendar year. The license holder must pay the
 11 one hundred dollar enhancement surcharge, a thirty-five dollar
 12 surcharge to be deposited in the rockfish research account created in
 13 RCW 77.12.702, plus a one hundred five dollar application fee, in
 14 order to be considered a valid renewal and eligible to renew the
 15 license the following year.

16 **Sec. 22.** RCW 77.65.160 and 2011 c 339 s 19 are each amended to
 17 read as follows:

18 (1) The following commercial salmon fishery licenses are required
 19 for the license holder to use the specified gear to fish for salmon
 20 in state waters. Only a person who meets the qualifications of RCW
 21 77.70.090 may hold a license listed in this subsection. The licenses
 22 and their annual license fees, application fees, and surcharges under
 23 RCW 77.95.090 are:

7 (2) A license issued under this section authorizes no taking or
8 delivery of salmon or other food fish unless a vessel is designated
9 under RCW 77.65.100.

10 (3) Holders of commercial salmon fishery licenses may retain
11 incidentally caught food fish other than salmon, subject to rules of
12 the department.

13 (4) A salmon troll license includes a salmon delivery license.

14 (5) A salmon gill net license authorizes the taking of salmon
15 only in the geographical area for which the license is issued. The
16 geographical designations in subsection (1) of this section have the
17 following meanings:

18 (a) "Puget Sound" includes waters of the Strait of Juan de Fuca,
19 Georgia Strait, Puget Sound and all bays, inlets, canals, coves,
20 sounds, and estuaries lying easterly and southerly of the
21 international boundary line and a line at the entrance to the Strait
22 of Juan de Fuca projected northerly from Cape Flattery to the
23 lighthouse on Tatoosh Island and then to Bonilla Point on Vancouver
24 Island.

25 (b) "Grays Harbor-Columbia river" includes waters of Grays Harbor
26 and tributary estuaries lying easterly of a line projected northerly
27 from Point Chehalis Light to Point Brown and those waters of the
28 Columbia river and tributary sloughs and estuaries easterly of a line
29 at the entrance to the Columbia river projected southerly from the
30 most westerly point of the North jetty to the most westerly point of
31 the South jetty.

32 (c) "Willapa Bay-Columbia river" includes waters of Willapa Bay
33 and tributary estuaries and easterly of a line projected northerly
34 from Leadbetter Point to the Cape Shoalwater tower and those waters
35 of the Columbia river and tributary sloughs described in (b) of this
36 subsection.

37 (6) A commercial salmon troll fishery license may be renewed
38 under this section if the license holder notifies the department by
39 May 1st of that year that he or she will not participate in the

1 fishery during that calendar year. A commercial salmon gill net, reef
2 net, or seine fishery license may be renewed under this section if
3 the license holder notifies the department before the third Monday in
4 September of that year that he or she will not participate in the
5 fishery during that calendar year. The license holder must pay the
6 one hundred dollar enhancement surcharge, plus a one hundred five
7 dollar application fee before the third Monday in September, in order
8 to be considered a valid renewal and eligible to renew the license
9 the following year.

10 (7) Notwithstanding the annual license fees and surcharges
11 established in subsection (1) of this section, a person who holds a
12 resident commercial salmon fishery license shall pay an annual
13 license fee of one hundred dollars plus the surcharge and application
14 fee if all of the following conditions are met:

15 (a) The license holder is at least seventy-five years of age;

16 (b) The license holder owns a fishing vessel and has fished with
17 a resident commercial salmon fishery license for at least thirty
18 years; and

19 (c) The commercial salmon fishery license is for a geographical
20 area other than the Puget Sound.

21 An alternate operator may not be designated for a license renewed
22 at the one hundred dollar annual fee under this subsection (7).

23 **Sec. 23.** RCW 77.65.170 and 2011 c 339 s 20 are each amended to
24 read as follows:

25 (1) A salmon delivery license is required for a commercial
26 fishing vessel to deliver salmon taken for commercial purposes in
27 offshore waters to a place or port in the state. As used in this
28 section, "deliver" and "delivery" mean arrival at a place or port,
29 and include arrivals from offshore waters to waters within the state
30 and arrivals ashore from offshore waters. The annual fee for a salmon
31 delivery license is ((three)) four hundred ((~~eighty~~)) thirty dollars
32 for residents and ((~~six~~)) five hundred ((~~eighty-five~~)) five dollars
33 for nonresidents. The application fee for a salmon delivery license
34 is one hundred five dollars. The annual surcharge under RCW 77.95.090
35 is one hundred dollars for each license. Holders of nonlimited entry
36 delivery licenses issued under RCW 77.65.210 may apply the nonlimited
37 entry delivery license fee against the salmon delivery license fee.

1 (2) Only a person who meets the qualifications established in RCW
2 77.70.090 may hold a salmon delivery license issued under this
3 section.

4 (3) A salmon delivery license authorizes no taking of salmon or
5 other (~~food~~) fish or shellfish from the waters of the state.

6 (4) If the director determines that the operation of a vessel
7 under a salmon delivery license results in the depletion or
8 destruction of the state's salmon resource or the delivery into this
9 state of salmon products prohibited by law, the director may revoke
10 the license under the procedures of chapter 34.05 RCW.

11 **Sec. 24.** RCW 77.65.190 and 2011 c 339 s 21 are each amended to
12 read as follows:

13 A person who does not qualify for a license under RCW 77.70.090
14 shall obtain a nontransferable emergency salmon delivery license to
15 make one delivery from a commercial fishing vessel of salmon taken
16 for commercial purposes in offshore waters. As used in this section,
17 "delivery" means arrival at a place or port, and include arrivals
18 from offshore waters to waters within the state and arrivals ashore
19 from offshore waters. The director shall not issue an emergency
20 salmon delivery license unless, as determined by the director, a bona
21 fide emergency exists. The license fee is two hundred (~~twenty-five~~)
22 seventy-five dollars for residents and (~~four~~) three hundred
23 (~~seventy-five~~) fifty dollars for nonresidents. The application fee
24 is one hundred five dollars. An applicant for an emergency salmon
25 delivery license shall designate no more than one vessel that will be
26 used with the license. Alternate operator licenses are not required
27 of persons delivering salmon under an emergency salmon delivery
28 license. Emergency salmon delivery licenses are not renewable.

29 **Sec. 25.** RCW 77.65.200 and 2011 c 339 s 22 are each amended to
30 read as follows:

31 (1) This section establishes commercial fishery licenses required
32 for food fish fisheries and the annual fees for those licenses. As
33 used in this section, "food fish" does not include salmon. The
34 director may issue a limited-entry commercial fishery license only to
35 a person who meets the qualifications established in applicable
36 governing sections of this title.

12 **Sec. 26.** RCW 77.65.210 and 2011 c 339 s 23 and 2011 c 147 s 3
13 are each reenacted and amended to read as follows:

14 (1) Except as provided in subsection (2) of this section, a
15 person may not use a commercial fishing vessel to deliver food fish
16 or shellfish taken for commercial purposes in offshore waters to a
17 port in the state without a nonlimited entry delivery license. As
18 used in this section, "deliver" and "delivery" mean arrival at a
19 place or port, and include arrivals from offshore waters to waters
20 within the state and arrivals ashore from offshore waters. As used in
21 this section, "food fish" does not include salmon. As used in this
22 section, "shellfish" does not include ocean pink shrimp, coastal

28 (~~8~~) The holder of a direct retail endorsement must abide by the
29 provisions of Title 69 RCW as they apply to the processing and retail

32 generally describing the labeling requirements set forth in chapter
33 69.04 RCW as they apply to seafood.

34 (~~9~~) (7) The holder of a qualifying commercial fishing license

36 combination.

1 **Sec. 45.** RCW 77.70.150 and 2010 c 193 s 14 are each amended to
2 read as follows:

3 (1) A sea urchin dive fishery license is required to take sea
4 urchins for commercial purposes. A sea urchin dive fishery license
5 authorizes the use of only one diver in the water at any time during
6 sea urchin harvest operations. If the same vessel has been designated
7 on two sea urchin dive fishery licenses, two divers may be in the
8 water. A natural person may not hold more than two sea urchin dive
9 fishery licenses.

10 (2) Except as provided in subsection ~~((+6+))~~ (5) of this section,
11 the director shall issue no new sea urchin dive fishery licenses. For
12 licenses issued for the year 2000 and thereafter, the director shall
13 renew existing licenses only to a natural person who held the license
14 at the end of the previous year. If a sea urchin dive fishery license
15 is not held by a natural person as of December 31, 1999, it is not
16 renewable. However, if the license is not held because of revocation
17 or suspension of licensing privileges, the director shall renew the
18 license in the name of a natural person at the end of the revocation
19 or suspension if the license holder applies for renewal of the
20 license before the end of the year in which the revocation or
21 suspension ends.

22 (3) Where a licensee failed to obtain the license during the
23 previous year because of a license suspension or revocation by the
24 director or the court, the licensee may qualify for a license by
25 establishing that the person held such a license during the last year
26 in which the person was eligible.

27 (4) ~~((Surcharges as provided for in this section shall be
28 collected and deposited into the sea urchin dive fishery account
29 hereby created in the custody of the state treasurer. The collections
30 and deposits must continue, as set forth in (a) and (b) of this
31 subsection, through license year 2013, or until the number of
32 licenses is reduced to twenty, whichever occurs first. Only the
33 director or the director's designee may authorize expenditures from
34 the account. The sea urchin dive fishery account is subject to
35 allotment procedures under chapter 43.88 RCW, but no appropriation is
36 required for expenditures. Expenditures from the account shall only
37 be used to retire sea urchin licenses until the number of licenses is
38 reduced to twenty, and thereafter shall only be used for sea urchin
39 management and enforcement. The director or the director's designee~~

1 shall notify the department of revenue within thirty days when the
2 number of licenses is reduced to twenty.

3 (a) A surcharge of one hundred dollars shall be charged with each
4 sea urchin dive fishery license renewal for licenses issued for
5 license years 2000 through 2013, or until the number of licenses is
6 reduced to twenty, whichever occurs first.

7 (b) For licenses issued for license years 2000 through 2013, or
8 until the number of licenses is reduced to twenty, whichever occurs
9 first, a surcharge shall be charged on the sea urchin dive fishery
10 license for designating an alternate operator. The surcharge shall be
11 as follows: Five hundred dollars for the first year or each of the
12 first two consecutive years after 1999 that any alternate operator is
13 designated and two thousand five hundred dollars each year thereafter
14 that any alternate operator is designated.

15 (5)) Sea urchin dive fishery licenses are transferable subject
16 to the fees and restrictions in RCW 77.65.020(2). ((For licenses
17 issued for license years 2000 through 2013, or whenever the number of
18 licenses is reduced to twenty, whichever occurs first, there is a
19 surcharge to transfer a sea urchin dive fishery license. The
20 surcharge is five hundred dollars for the first transfer of a license
21 valid for license year 2000, and two thousand five hundred dollars
22 for any subsequent transfer, occurring in the license years 2000
23 through 2013, or whenever the number of licenses is reduced to
24 twenty, whichever occurs first. Notwithstanding this subsection, a
25 one-time transfer exempt from surcharge applies for a transfer from
26 the natural person licensed on January 1, 2000, to that person's
27 spouse or child.

28 (6)) (5) If fewer than twenty natural persons are eligible for
29 sea urchin dive fishery licenses, the director may accept
30 applications for new licenses. The additional licenses may not cause
31 more than twenty natural persons to be eligible for a sea urchin dive
32 fishery license. New licenses issued under this section shall be
33 distributed according to rules of the department that recover the
34 value of such licensed privilege.

35 **Sec. 46.** RCW 77.70.190 and 2011 c 339 s 33 are each amended to
36 read as follows:

37 (1) A sea cucumber dive fishery license is required to take sea
38 cucumbers for commercial purposes. A sea cucumber dive fishery
39 license authorizes the use of only one diver in the water at any time

1 during sea cucumber harvest operations. If the same vessel has been
2 designated on two sea cucumber dive fishery licenses, two divers may
3 be in the water. A natural person may not hold more than two sea
4 cucumber dive fishery licenses.

5 (2) Except as provided in subsection ~~((+6+))~~ (5) of this section,
6 the director shall issue no new sea cucumber dive fishery licenses.
7 For licenses issued for the year 2000 and thereafter, the director
8 shall renew existing licenses only to a natural person who held the
9 license at the end of the previous year. If a sea cucumber dive
10 fishery license is not held by a natural person as of December 31,
11 1999, it is not renewable. However, if the license is not held
12 because of revocation or suspension of licensing privileges, the
13 director shall renew the license in the name of a natural person at
14 the end of the revocation or suspension if the license holder applies
15 for renewal of the license before the end of the year in which the
16 revocation or suspension ends.

17 (3) Where a licensee failed to obtain the license during either
18 of the previous two years because of a license suspension by the
19 director or the court, the licensee may qualify for a license by
20 establishing that the person held such a license during the last year
21 in which the person was eligible.

22 ~~(4) ((Surcharges as provided for in this section shall be
23 collected and deposited into the sea cucumber dive fishery account
24 hereby created in the custody of the state treasurer. The collections
25 and deposits must continue, as set forth in (a) and (b) of this
26 subsection, through license year 2013, or until the number of
27 licenses is reduced to twenty, whichever occurs first. Only the
28 director or the director's designee may authorize expenditures from
29 the account. The sea cucumber dive fishery account is subject to

32 be used to retire sea cucumber licenses until the number of licenses
33 is reduced to twenty, and thereafter shall only be used for sea
34 cucumber management and enforcement. The director or the director's
35 designee shall notify the department of revenue within thirty days
36 when the number of licenses is reduced to twenty.~~

37 ~~(a) A surcharge of one hundred dollars shall be charged with each

1 ~~(b) For licenses issued for license years 2000 through 2013, or~~
2 ~~until the number of licenses is reduced to twenty, whichever occurs~~

4 ~~license for designating an alternate operator. The surcharge shall be~~
5 ~~as follows: Five hundred dollars for the first year or each of the~~

9 ~~(5))~~ Sea cucumber dive fishery licenses are transferable subject
10 to the fees and restrictions in RCW 77.65.020(2). ~~((For licenses~~
11 ~~issued for license years 2000 through 2013, or whenever the number of~~

18 ~~whichever occurs first. The application fee to transfer a sea~~
19 ~~cucumber dive fishery license is one hundred five dollars.~~
20 ~~Notwithstanding this subsection, a one-time transfer exempt from~~
21 ~~surcharge applies for a transfer from the natural person licensed on~~
22 ~~January 1, 2000, to that person's spouse or child.~~

23 ~~(6))~~ (5) If fewer than twenty persons are eligible for sea
24 cucumber dive fishery licenses, the director may accept applications
25 for new licenses. The additional licenses may not cause more than
26 twenty natural persons to be eligible for a sea cucumber dive fishery
27 license. New licenses issued under this section shall be distributed
28 according to rules of the department that recover the value of such
29 licensed privilege.

30 **Sec. 47.** RCW 77.70.220 and 2011 c 339 s 34 are each amended to
31 read as follows:

32 (1) A person shall not harvest geoduck clams commercially without
33 a geoduck fishery license. This section does not apply to the harvest
34 of private sector cultured aquatic products as defined in RCW
35 15.85.020. The geoduck fishery license fee and the application fee
36 ((is seventy dollars)) are specified in RCW 77.65.220.

37 (2) Only a person who has entered into a geoduck harvesting
38 agreement with the department of natural resources under RCW
39 79.135.210 may hold a geoduck fishery license.

1 (3) A geoduck fishery license authorizes no taking of geoducks
2 outside the boundaries of the public lands designated in the
3 underlying harvesting agreement, or beyond the harvest ceiling set in
4 the underlying harvesting agreement.

5 (4) A geoduck fishery license expires when the underlying geoduck
6 harvesting agreement terminates.

7 (5) The director shall determine the number of geoduck fishery
8 licenses that may be issued for each geoduck harvesting agreement,
9 the number of units of gear whose use the license authorizes, and the
10 type of gear that may be used, subject to RCW 77.60.070. In making
11 those determinations, the director shall seek to conserve the geoduck
12 resource and prevent damage to its habitat.

13 (6) The holder of a geoduck fishery license and the holder's
14 agents and representatives shall comply with all applicable
15 commercial diving safety regulations adopted by the federal
16 occupational safety and health administration established under the
17 federal occupational safety and health act of 1970 as such law exists
18 on May 8, 1979, 84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq. A
19 violation of those regulations is a violation of this subsection. For
20 the purposes of this section, persons who dive for geoducks are
21 "employees" as defined by the federal occupational safety and health
22 act. A violation of this subsection is grounds for suspension or
23 revocation of a geoduck fishery license following a hearing under the
24 procedures of chapter 34.05 RCW. The director shall not suspend or
25 revoke a geoduck fishery license if the violation has been corrected
26 within ten days of the date the license holder receives written
27 notice of the violation. If there is a substantial probability that a
28 violation of the commercial diving standards could result in death or
29 serious physical harm to a person engaged in harvesting geoduck
30 clams, the director shall suspend the license immediately until the
31 violation has been corrected. If the license holder is not the
32 operator of the harvest vessel and has contracted with another person
33 for the harvesting of geoducks, the director shall not suspend or
34 revoke the license if the license holder terminates its business
35 relationship with that person until compliance with this subsection
36 is secured.

37 (7) A person using a vessel in the geoduck fishery is required to
38 apply for and obtain a vessel identification number from the
39 department. The application fee for the vessel identification number
40 is one hundred five dollars.

1 **Sec. 48.** RCW 77.70.280 and 2003 c 174 s 5 are each amended to
2 read as follows:

3 (1) A person shall not commercially fish for coastal crab in
4 Washington state waters without a Dungeness crab—coastal (~~or a~~
5 ~~Dungeness crab—coastal class B~~) fishery license. Gear used must
6 consist of one buoy attached to each crab pot. Each crab pot must be
7 fished individually.

8 (2) A Dungeness crab—coastal fishery license is transferable.
9 Except as provided in subsections (3) and (~~(4)~~) (7) of this
10 section, such a license shall only be issued to a person who proved
11 active historical participation in the coastal crab fishery by having
12 designated, after December 31, 1993, a vessel or a replacement vessel
13 on the qualifying license that singly or in combination meets the
14 following criteria:

15 (a) Made a minimum of eight coastal crab landings totaling a
16 minimum of five thousand pounds per season in at least two of the
17 four qualifying seasons identified in subsection (~~(4)~~) (4) of this
18 section, as documented by valid Washington state shellfish receiving
19 tickets; and showed historical and continuous participation in the
20 coastal crab fishery by having held one of the following licenses or
21 their equivalents each calendar year beginning 1990 through 1993, and
22 was designated on the qualifying license of the person who held one
23 of the following licenses in 1994:

24 (i) Crab pot—Non-Puget Sound license, issued under RCW
25 77.65.220(1)(b);

26 (ii) Nonsalmon delivery license, issued under RCW 77.65.210;

27 (iii) Salmon troll license, issued under RCW 77.65.160;

28 (iv) Salmon delivery license, issued under RCW 77.65.170;

29 (v) Food fish trawl license, issued under RCW 77.65.200; or

30 (vi) Shrimp trawl license, issued under RCW 77.65.220; or

31 (b) Made a minimum of four Washington landings of coastal crab
32 totaling two thousand pounds during the period from December 1, 1991,
33 to March 20, 1992, and made a minimum of eight crab landings totaling
34 a minimum of five thousand pounds of coastal crab during each of the
35 following periods: December 1, 1991, to September 15, 1992; December
36 1, 1992, to September 15, 1993; and December 1, 1993, to September
37 15, 1994. For landings made after December 31, 1993, the vessel shall
38 have been designated on the qualifying license of the person making
39 the landings; or

1 (c) Made any number of coastal crab landings totaling a minimum
2 of twenty thousand pounds per season in at least two of the four
3 qualifying seasons identified in subsection ~~((4))~~ (4) of this
4 section, as documented by valid Washington state shellfish receiving
5 tickets, showed historical and continuous participation in the
6 coastal crab fishery by having held one of the qualifying licenses
7 each calendar year beginning 1990 through 1993, and the vessel was
8 designated on the qualifying license of the person who held that
9 license in 1994.

10 (3) A Dungeness crab-coastal fishery license shall be issued to a
11 person who had a new vessel under construction between December 1,
12 1988, and September 15, 1992, if the vessel made coastal crab
13 landings totaling a minimum of five thousand pounds by September 15,
14 1993, and the new vessel was designated on the qualifying license of
15 the person who held that license in 1994. All landings shall be
16 documented by valid Washington state shellfish receiving tickets.
17 License applications under this subsection may be subject to review
18 by the advisory review board in accordance with RCW 77.70.030. For
19 purposes of this subsection, "under construction" means either:

20 (a)(i) A contract for any part of the work was signed before
21 September 15, 1992; and

22 (ii) The contract for the vessel under construction was not
23 transferred or otherwise alienated from the contract holder between
24 the date of the contract and the issuance of the Dungeness crab-
25 coastal fishery license; and

26 (iii) Construction had not been completed before December 1,
27 1988; or

28 (b)(i) The keel was laid before September 15, 1992; and

29 (ii) Vessel ownership was not transferred or otherwise alienated
30 from the owner between the time the keel was laid and the issuance of
31 the Dungeness crab-coastal fishery license; and

32 (iii) Construction had not been completed before December 1,
33 1988.

34 ~~(4) ((A Dungeness crab-coastal class B fishery license is not
35 transferable. Such a license shall be issued to persons who do not
36 meet the qualification criteria for a Dungeness crab-coastal fishery
37 license, if the person has designated on a qualifying license after
38 December 31, 1993, a vessel or replacement vessel that, singly or in
39 combination, made a minimum of four landings totaling a minimum of
40 two thousand pounds of coastal crab, documented by valid Washington~~

1 ~~state shellfish receiving tickets, during at least one of the four~~
2 ~~qualifying seasons, and if the person has participated continuously~~
3 ~~in the coastal crab fishery by having held or by having owned a~~
4 ~~vessel that held one or more of the licenses listed in subsection (2)~~
5 ~~of this section in each calendar year subsequent to the qualifying~~
6 ~~season in which qualifying landings were made through 1994. Dungeness~~
7 ~~crab coastal class B fishery licenses cease to exist after December~~
8 ~~31, 1999, and the continuing license provisions of RCW 34.05.422(3)~~
9 ~~are not applicable.~~

10 ~~(5))~~ The four qualifying seasons for purposes of this section
11 are:

12 (a) December 1, 1988, through September 15, 1989;

13 (b) December 1, 1989, through September 15, 1990;

14 (c) December 1, 1990, through September 15, 1991; and

15 (d) December 1, 1991, through September 15, 1992.

16 ~~((6))~~ (5) For purposes of this section and RCW 77.70.340,
17 "coastal crab" means Dungeness crab (cancer magister) taken in all
18 Washington territorial and offshore waters south of the United
19 States-Canada boundary and west of the Bonilla-Tatoosh line (a line
20 from the western end of Cape Flattery to Tatoosh Island lighthouse,
21 then to the buoy adjacent to Duntz Rock, then in a straight line to
22 Bonilla Point of Vancouver island), Grays Harbor, Willapa Bay, and
23 the Columbia river.

24 ~~((7))~~ (6) For purposes of this section, "replacement vessel"
25 means a vessel used in the coastal crab fishery in 1994, and that
26 replaces a vessel used in the coastal crab fishery during any period
27 from 1988 through 1993, and which vessel's licensing and catch
28 history, together with the licensing and catch history of the vessel
29 it replaces, qualifies a single applicant for a Dungeness crab—
30 coastal ~~((or Dungeness crab coastal class B fishery))~~ license. A
31 Dungeness crab—coastal ~~((or Dungeness crab coastal class B fishery))~~
32 license may only be issued to a person who designated a vessel in the
33 1994 coastal crab fishery and who designated the same vessel in 1995.

34 ~~((8))~~ (7) A Dungeness crab—coastal fishery license may not be
35 issued to a person who participates in the federal fleet reduction
36 program created in RCW 77.70.460 within ten years of that person's
37 participation in the federal program, if reciprocal restrictions are
38 imposed by the states of Oregon and California on persons
39 participating in the federal fleet reduction program.

1 **Sec. 49.** RCW 77.70.290 and 1997 c 418 s 2 are each amended to
2 read as follows:

3 (1) The director shall allow the landing into Washington state of
4 crab taken in offshore waters only if:

5 (a) The crab are legally caught and landed by fishers with a
6 valid Washington state Dungeness crab-coastal fishery license (~~(or a~~
7 ~~valid Dungeness crab-coastal class B fishery license)~~); or

8 (b)(i) The director determines that the landing of offshore
9 Dungeness crab by fishers without a Washington state Dungeness crab-
10 coastal fishery license (~~(or a valid Dungeness crab-coastal class B~~
11 ~~fishery license)~~) is in the best interest of the coastal crab
12 processing industry; (ii) the director has been requested to allow
13 such landings by at least three Dungeness crab processors; (iii) the
14 landings are permitted only between the dates of December 1st to
15 February 15th inclusively; (iv) only crab fishers commercially
16 licensed to fish by Oregon or California are permitted to land, if
17 the crab was taken with gear that consisted of one buoy attached to
18 each crab pot, and each crab pot was fished individually; (v) the
19 fisher landing the crab has obtained a valid delivery license; and
20 (vi) the decision is made on a case-by-case basis for the sole reason
21 of improving the economic stability of the commercial crab fishery.

22 (2) Nothing in this section allows the commercial fishing of
23 Dungeness crab in waters within three miles of Washington state by
24 fishers who do not possess a valid Dungeness crab-coastal fishery
25 license (~~(or a valid Dungeness crab-coastal class B fishery~~
26 ~~license)~~). Landings of offshore Dungeness crab by fishers without a
27 valid Dungeness crab-coastal fishery license (~~(or a valid Dungeness~~
28 ~~crab-coastal class B fishery license)~~) do not qualify the fisher for
29 such licenses.

30 **Sec. 50.** RCW 77.70.300 and 2000 c 107 s 77 are each amended to
31 read as follows:

32 A person commercially fishing for Dungeness crab in offshore
33 waters outside of Washington state jurisdiction shall obtain a
34 Dungeness crab offshore delivery license from the director if the
35 person does not possess a valid Dungeness crab-coastal fishery
36 license (~~(or a valid Dungeness crab-coastal class B fishery license)~~)
37 and the person wishes to land Dungeness crab into a place or a port
38 in the state. The annual fee for a Dungeness crab offshore delivery
39 license is two hundred fifty dollars. The director may specify

1 restrictions on landings of offshore Dungeness crab in Washington
2 state as authorized in RCW 77.70.290.

3 Fees from the offshore Dungeness crab delivery license shall be
4 placed in the coastal crab account created in RCW 77.70.320.

5 **Sec. 51.** RCW 77.70.430 and 2006 c 143 s 1 are each amended to
6 read as follows:

7 (1) In order to administer a Puget Sound crab pot buoy tag
8 program, the department may charge a fee to holders of a Dungeness
9 crab—Puget Sound fishery license to reimburse the department for the
10 production of Puget Sound crab pot buoy tags and the administration
11 of a Puget Sound crab pot buoy tag program.

12 (2) In order to administer a Washington coastal Dungeness crab
13 pot buoy tag program, the department may charge a fee to holders of a
14 Dungeness crab—coastal ((~~or a Dungeness crab coastal class B~~))
15 fishery license and to holders of out-of-state licenses who are
16 issued a pot certificate by the department to reimburse the
17 department for the production of Washington coastal crab pot buoy
18 tags and the administration of a Washington coastal crab pot buoy tag
19 program.

20 (3) The department shall annually review the costs of crab pot
21 buoy tag production under this section with the goal of minimizing
22 the per tag production costs. Any savings in production costs shall
23 be passed on to the fishers required to purchase crab pot buoy tags
24 under this section in the form of a lower tag fee.

25 **Sec. 52.** RCW 77.70.490 and 2011 c 339 s 36 are each amended to
26 read as follows:

27 (1) A Washington Pacific sardine purse seine fishery license:

28 (a) May only be issued to a person that held a coastal pilchard
29 experimental fishery permit in 2008, except as otherwise provided in
30 this section;

31 (b) Must be renewed annually to remain active; and

32 (c) Subject to the restrictions of subsections (6) and (7) of
33 this section and RCW 77.65.040, is transferable.

34 (2) A Washington Pacific sardine purse seine fishery license may
35 be issued to any person that held a coastal pilchard experimental
36 fishery permit in 2005, 2006, or 2007 and is precluded from
37 qualifying under subsection (1) of this section because the vessel
38 designated on the permit sank prior to 2008.

1 (3) Beginning in 2010, after taking into consideration the status
2 of the Pacific sardine population, the impact of removal of sardines
3 and other forage fish to the marine ecosystem, including the effect
4 on endangered marine species, and the market for Pacific sardines in
5 the state, the director may issue:

6 (a) A Washington Pacific sardine purse seine fishery license to
7 any person provided that the issuance would not raise the number of
8 licenses beyond the number initially issued in 2009;

9 (b) A Washington Pacific sardine purse seine temporary annual
10 fishery permit to any person if the combined number of active
11 Washington Pacific sardine purse seine fishery licenses and annual
12 temporary permits already issued during the year is less than twenty-
13 five.

14 (4) The annual fee for a Washington Pacific sardine purse seine
15 fishery license (~~((is one hundred eighty five dollars for residents
16 and two hundred ninety five dollars for nonresidents.))~~) and the
17 application fee ((is one hundred five dollars)) are specified in RCW
18 77.65.200.

19 (5) The fee for a Washington Pacific sardine purse seine
20 temporary annual fishery permit (~~((is one hundred eighty five dollars
21 for residents and two hundred ninety five dollars for nonresidents.))~~)
22 and the application fee ((is one hundred five dollars)) are specified
23 in RCW 77.65.200. A temporary annual fishery permit expires at the
24 end of the calendar year in which the permit is issued.

25 (6) Only a person who owns or operates the vessel designated on
26 the license or permit may hold a Washington Pacific sardine purse
27 seine fishery license or temporary annual fishery permit.

28 (7) A person may not own or hold an ownership interest in more
29 than two Washington Pacific sardine purse seine fishery licenses.

30 (8) The director shall adopt rules that require a person fishing
31 under a Washington Pacific sardine purse seine fishery license or a
32 temporary annual permit to minimize bycatch, and to the extent
33 bycatch cannot be avoided, to minimize the mortality of such bycatch.

34 **Sec. 53.** RCW 82.27.020 and 2010 c 193 s 16 are each amended to
35 read as follows:

36 (1) In addition to all other taxes, licenses, or fees provided by
37 law there is established an excise tax on the commercial possession
38 of enhanced food fish as provided in this chapter. The tax is levied
39 upon and shall be collected from the owner of the enhanced food fish

1 whose possession constitutes the taxable event. The taxable event is
2 the first possession in Washington by an owner after the enhanced
3 food fish has been landed. Processing and handling of enhanced food
4 fish by a person who is not the owner is not a taxable event to the
5 processor or handler.

6 (2) A person in possession of enhanced food fish and liable to
7 this tax may deduct from the price paid to the person from which the
8 enhanced food fish (except oysters) are purchased an amount equal to
9 a tax at one-half the rate levied in this section upon these
10 products.

11 (3) The measure of the tax is the value of the enhanced food fish
12 at the point of landing.

13 (4) The tax shall be equal to the measure of the tax multiplied
14 by the rates for enhanced food fish as follows:

15 (a) Puget Sound Chinook, coho, and chum salmon and anadromous
16 game fish: Five and twenty-five one-hundredths percent;

17 (b) Ocean waters, Columbia river, Willapa Bay, and Grays Harbor
18 Chinook, coho, and chum salmon and anadromous game fish: Six and
19 twenty-five one-hundredths percent;

20 (c) Pink and sockeye salmon: Three and fifteen one-hundredths
21 percent;

22 ~~((+e))~~ (d) Other food fish and shellfish, except oysters, sea
23 urchins, and sea cucumbers: Two and one-tenth percent;

24 ~~((+d))~~ (e) Oysters: Eight one-hundredths of one percent;

25 ~~((+e))~~ (f) Sea urchins: ~~((Four and six tenths percent through~~
26 ~~December 31, 2013, or until the department of fish and wildlife~~
27 ~~notifies the department that the number of sea urchin licenses has~~
28 ~~been reduced to twenty licenses, whichever occurs first, and))~~ Two
29 and one-tenth percent ((thereafter)); and

30 ~~((+f))~~ (g) Sea cucumbers: ~~((Four and six tenths percent through~~
31 ~~December 31, 2013, or until the department of fish and wildlife~~
32 ~~notifies the department that the number of sea cucumber licenses has~~
33 ~~been reduced to twenty licenses, whichever occurs first, and))~~ Two
34 and one-tenth percent ((thereafter)).

35 (5) An additional tax is imposed equal to the rate specified in
36 RCW 82.02.030 multiplied by the tax payable under subsection (4) of
37 this section.

38 **Sec. 54.** RCW 82.27.070 and 2010 c 193 s 17 are each amended to
39 read as follows:

1 All taxes collected by the department of revenue under this
2 chapter shall be deposited in the state general fund except for the
3 (~~excise tax on anadromous game fish, which shall be deposited in the~~
4 ~~state wildlife account. From January 1, 2000, to December 31, 2013,~~
5 ~~or until the department of fish and wildlife notifies the department~~
6 ~~that the license reduction goals of the sea urchin or sea cucumber~~
7 ~~fishery have been met, whichever occurs first, twenty five forty~~
8 ~~sixths of the revenues derived from the excise tax on sea urchins~~
9 ~~collected under RCW 82.27.020 shall be deposited into the sea urchin~~
10 ~~dive fishery account created in RCW 77.70.150, and twenty five forty~~
11 ~~sixths of the revenues derived from the excise tax on sea cucumbers~~

23 **Sec. 55.** RCW 69.07.100 and 2011 c 281 s 13 are each amended to
24 read as follows:

25 (1) The provisions of this chapter shall not apply to
26 establishments issued a permit or licensed under the provisions of:

35 (g) Chapter 69.30 RCW, the sanitary control of shellfish act.

36 (2) If any such establishments process foods not specifically
37 provided for in the above entitled acts, the establishments are
38 subject to the provisions of this chapter.

1 (3) The provisions of this chapter do not apply to restaurants or
2 food service establishments.

3 **Sec. 56.** RCW 36.71.090 and 2003 c 387 s 5 are each amended to

12 this section authorizes any person to sell, deliver, or peddle,
13 without license, in any city or town, any dairy product, meat,
14 poultry, eel, fish, mollusk, or shellfish where a license is required
15 to engage legally in such activity in such city or town.

16 ~~((2) It is lawful for an individual in possession of a valid
17 direct retail endorsement, as established in RCW 77.65.510, to sell,

23 enforce an ordinance prohibiting the sale by or requiring additional
24 licenses or permits from the holder of the valid direct retail

26 or county from inspecting an individual displaying a direct retail
27 endorsement to verify that the person is in compliance with state
28 board of health and local rules for food service operations.))~~

29 NEW SECTION. **Sec. 57.** The code reviser's office is directed to
30 move the definitions of "to fish," "to hunt," "to process," "to
