
SENATE BILL 6387

State of Washington

65th Legislature

2018 Regular Session

By Senators Cleveland, Ranker, Rivers, Frockt, Keiser, Carlyle, and Kuderer

Read first time 01/15/18. Referred to Committee on Human Services & Corrections.

1 AN ACT Relating to the handling of child forensic interview and
2 child interview digital recordings; amending RCW 26.44.020,
3 26.44.020, and 26.44.185; reenacting and amending RCW 42.56.240;
4 adding new sections to chapter 26.44 RCW; prescribing penalties;
5 providing an effective date; and providing an expiration date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** A new section is added to chapter 26.44
8 RCW to read as follows:

9 The legislature recognizes an inherent privacy interest that a
10 child has with respect to the child's recorded voice and image when
11 describing the highly sensitive details of abuse or neglect upon the
12 child as defined in RCW 26.44.020. The legislature further finds that
13 reasonable restrictions on the dissemination of these recordings can
14 accommodate both privacy interests and due process. To that end, the
15 legislature intends to exempt these recordings from dissemination
16 under the public records act and provide additional sanction
17 authority for violations of protective orders that set forth such
18 terms and conditions as are necessary to protect the privacy of the
19 child.

1 **Sec. 2.** RCW 26.44.020 and 2012 c 259 s 1 are each amended to
2 read as follows:

3 The definitions in this section apply throughout this chapter
4 unless the context clearly requires otherwise.

5 (1) "Abuse or neglect" means sexual abuse, sexual exploitation,
6 or injury of a child by any person under circumstances which cause
7 harm to the child's health, welfare, or safety, excluding conduct
8 permitted under RCW 9A.16.100; or the negligent treatment or
9 maltreatment of a child by a person responsible for or providing care
10 to the child. An abused child is a child who has been subjected to
11 child abuse or neglect as defined in this section.

12 (2) "Child" or "children" means any person under the age of
13 eighteen years of age.

14 (3) "Child protective services" means those services provided by
15 the department designed to protect children from child abuse and
16 neglect and safeguard such children from future abuse and neglect,
17 and conduct investigations of child abuse and neglect reports.
18 Investigations may be conducted regardless of the location of the
19 alleged abuse or neglect. Child protective services includes referral
20 to services to ameliorate conditions that endanger the welfare of
21 children, the coordination of necessary programs and services
22 relevant to the prevention, intervention, and treatment of child
23 abuse and neglect, and services to children to ensure that each child
24 has a permanent home. In determining whether protective services
25 should be provided, the department shall not decline to provide such
26 services solely because of the child's unwillingness or developmental
27 inability to describe the nature and severity of the abuse or
28 neglect.

29 (4) "Child protective services section" means the child
30 protective services section of the department.

31 (5) "Children's advocacy center" means a child-focused facility
32 in good standing with the state chapter for children's advocacy
33 centers and that coordinates a multidisciplinary process for the
34 investigation, prosecution, and treatment of sexual and other types
35 of child abuse. Children's advocacy centers provide a location for
36 forensic interviews and coordinate access to services such as, but
37 not limited to, medical evaluations, advocacy, therapy, and case
38 review by multidisciplinary teams within the context of county
39 protocols as defined in RCW 26.44.180 and 26.44.185.

1 (6) "Clergy" means any regularly licensed or ordained minister,
2 priest, or rabbi of any church or religious denomination, whether
3 acting in an individual capacity or as an employee or agent of any
4 public or private organization or institution.

5 (7) "Court" means the superior court of the state of Washington,
6 juvenile department.

7 (8) "Department" means the state department of social and health
8 services.

9 (9) "Family assessment" means a comprehensive assessment of child
10 safety, risk of subsequent child abuse or neglect, and family
11 strengths and needs that is applied to a child abuse or neglect
12 report. Family assessment does not include a determination as to
13 whether child abuse or neglect occurred, but does determine the need
14 for services to address the safety of the child and the risk of
15 subsequent maltreatment.

16 (10) "Family assessment response" means a way of responding to
17 certain reports of child abuse or neglect made under this chapter
18 using a differential response approach to child protective services.
19 The family assessment response shall focus on the safety of the
20 child, the integrity and preservation of the family, and shall assess
21 the status of the child and the family in terms of risk of abuse and
22 neglect including the parent's or guardian's or other caretaker's
23 capacity and willingness to protect the child and, if necessary, plan
24 and arrange the provision of services to reduce the risk and
25 otherwise support the family. No one is named as a perpetrator, and
26 no investigative finding is entered in the record as a result of a
27 family assessment.

28 (11) "Founded" means the determination following an investigation
29 by the department that, based on available information, it is more
30 likely than not that child abuse or neglect did occur.

31 (12) "Inconclusive" means the determination following an
32 investigation by the department, prior to October 1, 2008, that based
33 on available information a decision cannot be made that more likely
34 than not, child abuse or neglect did or did not occur.

35 (13) "Institution" means a private or public hospital or any
36 other facility providing medical diagnosis, treatment, or care.

37 (14) "Law enforcement agency" means the police department, the
38 prosecuting attorney, the state patrol, the director of public
39 safety, or the office of the sheriff.

1 (15) "Malice" or "maliciously" means an intent, wish, or design
2 to intimidate, annoy, or injure another person. Such malice may be
3 inferred from an act done in willful disregard of the rights of
4 another, or an act wrongfully done without just cause or excuse, or
5 an act or omission of duty betraying a willful disregard of social
6 duty.

7 (16) "Negligent treatment or maltreatment" means an act or a
8 failure to act, or the cumulative effects of a pattern of conduct,
9 behavior, or inaction, that evidences a serious disregard of
10 consequences of such magnitude as to constitute a clear and present
11 danger to a child's health, welfare, or safety, including but not
12 limited to conduct prohibited under RCW 9A.42.100. When considering
13 whether a clear and present danger exists, evidence of a parent's
14 substance abuse as a contributing factor to negligent treatment or
15 maltreatment shall be given great weight. The fact that siblings
16 share a bedroom is not, in and of itself, negligent treatment or
17 maltreatment. Poverty, homelessness, or exposure to domestic violence
18 as defined in RCW 26.50.010 that is perpetrated against someone other
19 than the child does not constitute negligent treatment or
20 maltreatment in and of itself.

21 (17) "Pharmacist" means any registered pharmacist under chapter
22 18.64 RCW, whether acting in an individual capacity or as an employee
23 or agent of any public or private organization or institution.

24 (18) "Practitioner of the healing arts" or "practitioner" means a
25 person licensed by this state to practice podiatric medicine and
26 surgery, optometry, chiropractic, nursing, dentistry, osteopathic
27 medicine and surgery, or medicine and surgery or to provide other
28 health services. The term "practitioner" includes a duly accredited
29 Christian Science practitioner. A person who is being furnished
30 Christian Science treatment by a duly accredited Christian Science
31 practitioner will not be considered, for that reason alone, a
32 neglected person for the purposes of this chapter.

33 (19) "Professional school personnel" include, but are not limited
34 to, teachers, counselors, administrators, child care facility
35 personnel, and school nurses.

36 (20) "Psychologist" means any person licensed to practice
37 psychology under chapter 18.83 RCW, whether acting in an individual
38 capacity or as an employee or agent of any public or private
39 organization or institution.

1 (21) "Screened-out report" means a report of alleged child abuse
2 or neglect that the department has determined does not rise to the
3 level of a credible report of abuse or neglect and is not referred
4 for investigation.

5 (22) "Sexual exploitation" includes: (a) Allowing, permitting, or
6 encouraging a child to engage in prostitution by any person; or (b)
7 allowing, permitting, encouraging, or engaging in the obscene or
8 pornographic photographing, filming, or depicting of a child by any
9 person.

10 (23) "Sexually aggressive youth" means a child who is defined in
11 RCW 74.13.075(1)(b) as being a sexually aggressive youth.

12 (24) "Social service counselor" means anyone engaged in a
13 professional capacity during the regular course of employment in
14 encouraging or promoting the health, welfare, support, or education
15 of children, or providing social services to adults or families,
16 including mental health, drug and alcohol treatment, and domestic
17 violence programs, whether in an individual capacity, or as an
18 employee or agent of any public or private organization or
19 institution.

20 (25) "Supervising agency" means an agency licensed by the state
21 under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has
22 entered into a performance-based contract with the department to
23 provide child welfare services.

24 (26) "Unfounded" means the determination following an
25 investigation by the department that available information indicates
26 that, more likely than not, child abuse or neglect did not occur, or
27 that there is insufficient evidence for the department to determine
28 whether the alleged child abuse did or did not occur.

29 (27) "Child forensic interview" means a developmentally sensitive
30 and legally sound method of gathering factual information regarding
31 allegations of abuse or exposure to violence. This interview is
32 conducted by a competently trained, neutral professional utilizing
33 techniques informed by research and best practice as part of a larger
34 investigative process. A child forensic interview digital recording
35 and recordings of other child interviews that depict or describe
36 allegations of abuse or exposure to violence are exempt from
37 disclosure under the public records act, chapter 42.56 RCW, except by
38 court order upon a showing of good cause and only with advance notice
39 to the child's guardian.

6 or injury of a child by any person under circumstances which cause

8 permitted under RCW 9A.16.100; or the negligent treatment or
9 maltreatment of a child by a person responsible for or providing care
10 to the child. An abused child is a child who has been subjected to
11 child abuse or neglect as defined in this section.

12 (2) "Child" or "children" means any person under the age of
13 eighteen years of age.

14 (3) "Child protective services" means those services provided by
15 the department designed to protect children from child abuse and
16 neglect and safeguard such children from future abuse and neglect,
17 and conduct investigations of child abuse and neglect reports.
18 Investigations may be conducted regardless of the location of the
19 alleged abuse or neglect. Child protective services includes referral
20 to services to ameliorate conditions that endanger the welfare of
21 children, the coordination of necessary programs and services
22 relevant to the prevention, intervention, and treatment of child
23 abuse and neglect, and services to children to ensure that each child
24 has a permanent home. In determining whether protective services

35 of child abuse. Children's advocacy centers provide a location for

11 strengths and needs that is applied to a child abuse or neglect
12 report. Family assessment does not include a determination as to

16 (10) "Family assessment response" means a way of responding to
