

**HB 2641 - DIGEST**

(AS OF HOUSE 2ND READING 2/08/18)

Requires each school district to adopt a policy to promote the recruitment and use of industry and trade expert volunteers in career and technical education courses offered in grades seven and eight.

Requires the office of the superintendent of public instruction, in coordination with the Washington state school directors' association, and a state association representing career and technical education, to develop materials, including a model policy and other supporting documents, to assist school districts.
